*Mixed-Member Electoral Systems in Constitutional Context* Nathan F. Batto, Chi Huang, Alexander C. Tan, Gary W. Cox, 2016-04-11 Reformers have promoted mixed member electoral systems as the best of both worlds In this volume internationally recognized political scientists evaluate the ways in which the introduction of a mixed member electoral system affects the configuration of political parties The contributors examine several political phenomena including cabinet post allocation nominations preelectoral coalitions split ticket voting and the size of party systems and faction systems Significantly they also consider various ways in which the constitutional system especially whether the head of government is elected directly or indirectly can modify the incentives created by the electoral system The findings presented here demonstrate that the success of electoral reform depends not only on the specification of new electoral rules per se but also on the political context and especially the constitutional framework within which such rules are embedded Daily Life

through World History in Primary Documents Rebecca Bennette, David M. Borgmeyer, David Matz, Lawrence Morris, 2008-12-30 Who did the ancient Greeks describe as the world's best athlete What does the Koran say about women's rights How has the digital revolution changed life in the modern age From the law courts of ancient Iraq to bloody Civil War battlefields explore the daily lives of people from major world cultures throughout history as presented in their own words Bringing useful and engaging material into world history classrooms this rich collection of historical documents and

illustrations provides insight into major cultures from all continents Hundreds of thematically organized annotated primary documents and over 100 images introduce aspects of daily life throughout the world including domestic life economics intellectual life material life politics religion and recreation from antiquity to the present Document selections are guided by the National Standards for World History providing a direct tie to the curriculum Analytical introductions explain the key features and background of each document and create links between documents to illustrate the interrelationship of thoughts and customs across time and cultures Volume 1 The Ancient World covers the major civilizations from ancient Sumeria 3000 BCE through the fall of Imperial Rome 476 CE including Egypt Greece and Israel and also covers China and India during the births of Hinduism Buddhism and Confucianism Volume 2 The Middle Ages and Renaissance covers the development of European culture from the Germanic migrations of the fifth century CE through the university movement of the late middle ages and the sixteenth century growth of global empires and the collapse of the kingship in seventeenth century England Also covered are the Native empires of the Americas and the rise of Islamic culture throughout the Middle East and Africa Volume 3 The Modern World spans the period from the Enlightenment through modern Internet era and global economy including the founding of the United States colonial and post colonial life in Latin America and Africa and the growth of international cultures and new economies in Asia Document sources include The code of Hammurabi The Manu Smṛti Seneca's On Mercy Josephus's Jewish Antiquities The Koran Dante's Divine Comedy Bernal Diaz del Castillo's The True History of the Conquest of Mexico The Travels of Marco Polo Brahmagupta's principles of mathematics and astronomy The Mayan Popul Vuh the diary of a Southern plantation wife during the Civil War and letters from an American soldier in Vietnam Thematically organized sections are supplemented with a glossary of terms a glossary of names a timeline of key events and an annotated bibliography Document selections are guided by the National Standards for World History providing a direct tie to the curriculum This collection is an invaluable source for students of material history social history and world history

*Daily Life of the Ancient Romans* David Matz, 2001-10-30 Use this fascinating reference resource to find out what it meant to be a typical Ancient Roman Using plenty of anecdotal material written by Romans themselves this volume explores the ins and outs of daily living for ordinary people from their homes to the foods they ate to the sports and games they enjoyed The ancient civilization is brought to life and students can easily make comparisons between the people of that culture and the people of our own discovering the similarities and differences between the two Many different aspects of life in Ancient Rome are presented to provide a full and varied picture Discover what the education system was like and what the critics had to say about it Find out who the most successful gladiators and charioteers were the equivalent of our modern day sports superstars Examine what life was like for slaves These details and more help to provide an understanding of this ancient society that at first glance may seem very foreign but that upon closer study seems to have much in common with modern day society
