Red Harvest:

Red Harvest Dashiell Hammett, 2010-12-29 From one of the great pioneers of detective stories a classic novel reissued with a new introduction by S A Cosby The steadfast and sturdy Continental Op has been summoned to the town of Personville known as Poisonville a dusty mining community splintered by competing factions of gangsters and petty criminals The Op has been hired by Donald Willsson publisher of the local newspaper who gave little indication about the reason for the visit No sooner does the Op arrive than the body count begins to climb starting with his client With this last honest citizen of Poisonville murdered the Op decides to stay on and force a reckoning even if that means taking on an entire town *Red Harvest* is more than a superb crime novel it is a classic exploration of corruption and violence in the American grain *Red Harvest* Dashiell Hammett, 2025-01-01T09:01:00Z The Continental Op the nameless hard drinking and quick shooting detective arrives at Personville called Poisonville by its inhabitants in response to a call from the local newspaper publisher Donald Willsson But just as the Op arrives Willsson is murdered in cold blood The Op begins investigating the murder only to be ensnared in the deep web of power corruption and lies that undergirds the rough and tumble town *Red Harvest* was first published as a series of short stories in *Black Mask* magazine before Hammett rewrote them and linked them together to form this novelization It is therefore the first novel to feature the Continental Op the larger than life character who would go on to become the prototype for every hard boiled emotionally stunted fedora wearing detective cliché to grace media ever since The novel's influence has been widely recognized with *Time* magazine placing it in its list of 100 best novels from 1923 to 2005 and authors for a century to come riffing on the stereotype created by the Continental Op This book is part of the Standard Ebooks project which produces free public domain ebooks ***Red Harvest*** Dashiell Hammett, 1994-09 The murder of the last honest citizen in Poisonville prompts the Continental Op to seek out the guilty in a facsimile edition of the classic exploration of corruption and violence first published in 1929 *Red Harvest* Dashiell Hammett, 1929 When a hard fighting detective arrives in Personville and finds that his client has been murdered he decides to investigate local gangland activities

Red Harvest Hammett Dashiell, 2018-04-27 *Red Harvest* is a classic crime novel that helped establish the hard boiled genre This is most definitely not a polite parlor mystery where most of the blood is spilled off of the page As the title suggests this book is filled with mayhem and the bodies are falling left and right The Continental Op travels to Personville USA following an invite from the editor of the local newspaper but upon the Op's arrival he finds out that his host had been gunned down in cold blood Just another day in Poisonville When Personville's most powerful man enlists the help of the Op by floating a cool ten grand his way the Op puts forth a plan to clean up the town once and for all *The Red Corner* Verlaaine Stoner McDonald, 2010 *The Red Corner* chronicles the Communist movement in a rural Montana community from the late teens through the early 1930s Examining newspaper accounts and interviews the book explains how Sheridan County became one of the most class conscious areas in the nation according to historian Lowell Dyson and why its

reputation as red persisted for decades thereafter Critical Perspectives on the Western Lee Broughton,2016-09-19 For decades the Western film has been considered a dying breed of cinema yet filmmakers from Quentin Tarantino to Ethan and Joel Coen find new ways to reinvigorate the genre As Westerns continue to be produced for contemporary audiences scholars have taken a renewed interest in the relevance of this enduring genre In Critical Perspectives on the Western From A Fistful of Dollars to Django Unchained Lee Broughton has compiled a wide ranging collection of essays that look at various forms of the genre on both the large and small screen Contributors to this volume consider themes and subgenres celebrities and authors recent idiosyncratic engagements with the genre and the international Western These essays also explore issues of race and gender in the various films discussed as well as within the film genre as a whole Among the films and television programs discussed in this volume are *The Assassination of Jesse James by the Coward Robert Ford* *Django Kill Justified* *Meek s Cutoff* *Tears of the Black Tiger* *Appaloosa* *The Frozen Limits* and *Red Harvest* Featuring a diverse selection of chapters that represent current thinking on the Western Critical Perspectives on the Western will appeal to fans of the genre film students and scholars alike **Red Harvest** Dashiell DASHIELL HAMMETT,2021-07-19 *Red Harvest* Hammett s first novel is now generally regarded as one of his best The case begins when the Continental Op is sent to the small Montana mining town of Personville called Poisonville by those who know it at the request of Donald Willsson the publisher of the town s newspapers Willsson who had been using the newspapers as a platform from which to fight civic corruption is murdered before the Op can meet him and find out what he was hired to do The Op manages to persuade Elihu Willsson Donald s father and the owner of most of the property in the town including the newspapers and the mines to hire him to investigate crime and political corruption in Personville As it turns out Donald Willsson s murder was at the hands of a jealous bank teller who mistakenly believed that Willsson was having an affair with the teller s former girlfriend Dinah Brand When Elihu Willsson learns that his son s death was entirely unrelated to the organized crime in the town he tries to call the Op off the case in fact Willsson himself is deeply involved in the corruption and could be caught up in the investigation By this time however there is no turning back the Op has become too deeply enmeshed in the web of power and corruption that includes not only his own client but also the local bootleggers gamblers hired gunmen and even the chief of police **Probable Cause** LeRoy Panek,1990 American crime fiction has developed into writing that has a commitment to democracy and the democratic way of life a compassion and empathy and a style which has created a significant branch of American literature *Anatomy of Murder* Carl Darryl Malmgren,2001 Mystery fiction takes place in a centered world one whose most distinctive characteristic is motivation of behavior and signs Built on a faith in foundations it insists upon the solidity of social life the validity of social conventions and the sanctity of signs Mystery assures us that motives exist for both words and deeds Reading Early Hammett LeRoy Lad Panek,2004-09-22 Dashiell Hammett like most successful writers honed his skills in the trenches Long before *The Maltese Falcon* and *The Thin Man* made him a household name Hammett developed his technique writing

Dashiell Hammett and the Movies William H. Mooney,2014-11-03 As the father of the hardboiled detective genre

Dashiell Hammett had a huge influence on Hollywood Yet it is easy to forget how adaptable Hammett's work was fitting into a variety of genres and inspiring generations of filmmakers Dashiell Hammett and the Movies offers the first comprehensive look at Hammett's broad oeuvre and how it was adapted into films from the 1930s all the way into the 1990s Film scholar William H Mooney reveals the wide range of films crafted from the same Hammett novels as when The Maltese Falcon was filmed first as a pre Code sexploitation movie then as a Bette Davis screwball comedy and finally as the Humphrey Bogart classic He also considers how Hammett rose to Hollywood fame not through the genre most associated with him but through a much fizzier concoction the witty murder mystery The Thin Man To demonstrate the hold Hammett still has over contemporary filmmakers the book culminates in an examination of the Coen brothers' pastiche Miller's Crossing Mooney not only provides us with an in depth analysis of Hammett adaptations he also chronicles how Hollywood enabled the author's own rise to stardom complete with a celebrity romance and a carefully crafted public persona Giving us a behind the scenes look at the complex power relationships cultural contexts and production concerns involved in bringing Hammett's work from the page to the screen Dashiell Hammett and the Movies offers a fresh take on a literary titan
