A NOVEL OF SUSPENSE

Red Scream 1st Edition

James George Frazer

Red Scream 1st Edition:

A Bright Red Scream Marilee Strong, 1999-10-01 I highly recommend *A Bright Red Scream* because it's beautifully written and so candid. Amy Adams star of HBO's *Sharp Objects* in *Entertainment Weekly*: Self mutilation is a behavior so shocking that it is almost never discussed. Yet estimates are that upwards of eight million Americans are chronic self injurers. They are people who use knives, razor blades or broken glass to cut themselves. Their numbers include the actor Johnny Depp, *Girl Interrupted* author Susanna Kaysen and the late Princess Diana. Mistakenly viewed as suicide attempts or senseless masochism even by many health professionals, cutting is actually a complex means of coping with emotional pain. Marilee Strong explores this hidden epidemic through case studies, startling new research from psychologists, trauma experts and neuroscientists and the heartbreaking insights of cutters themselves who range from troubled teenagers to middle age professionals to grandparents. Strong explains what factors lead to self mutilation, why cutting helps people manage overwhelming fear and anxiety and how cutters can heal both their internal and external wounds and break the self destructive cycle. *A Bright Red Scream* is a groundbreaking essential resource for victims of self mutilation, their families, teachers, doctors and therapists.

Healing the Hurt Within 3rd Edition Jan Sutton, 2007-11-12 Skillfully woven together with empathic insight into the lives and minds of those who self injure, *Healing the Hurt Within* is replete with the latest developments in the field, informative statistical data, instructive diagrams, carefully selected resources, case studies, expert testimonies and practical self help activities. The author's warmth, compassion and regard for those caught in the cycle of self injury shines through the pages of this profoundly enlightening and extensively updated 3rd edition. *Healing the Hurt Within* offers solace, hope and direction to those who self injure, guidance to family and friends supporting a loved one who self injures and guidelines to professionals and voluntary caregivers on how to respond to clients that self injure.
