Laws and Societies in the Canadian Prairie West, 1670-1940 Louis A. Knafla, Jonathan Swainger, 2011-11-01 Laws and Societies in the Canadian Prairie West 1670 1940 examines the legal history of the north west frontier from the earliest years of European Native contact in the seventeenth century to the mid 1900s Challenging myths about a peaceful west and prairie exceptionalism the book explores the substance of prairie legal history and the degree to which the region s mentality is rooted in the historical experience of distinctive prairie peoples The chapters written by a cross section of established and emerging scholars working in the allied fields of law legal history sociology and criminology focus on what is distinctive in prairie legal culture By approaching the issue from a variety of perspectives those of colonial administrators fur company employees Native peoples women men entrepreneurs judges magistrates and the police among others the authors find evidence of a conscious effort to apply broad non regional experiences to seemingly familiar local issues The ways in which prairie peoples perceived themselves and their relationships to a wider world were directly framed by notions of law and legal remedy shaped by the course and themes of prairie history Legal history is not just about black letter law It is also deeply concerned with the ways in which people affect and are affected by the law in their daily lives By examining how central and important the law has been to individuals communities and societies in the Canadian Prairies this book makes an original contribution

*The Mounted Police and Prairie Society, 1873-1919* University of Regina. Canadian Plains Research Center, 1998 This collection of essays presents a variety of scholarly explorations of the nature and role of the Mounties in the Prairie Provinces from the formation of the North West Mounted Police in 1873 74 to its transformation into the Royal Canadian Mounted Police in 1919 20 The essays are grouped into five broad themes relations with First Nations law enforcement social issues including relations with minority groups and labour movements characteristics of the police force and crisis and change police immigrant relations response to labour unrest and the origins of domestic intelligence and counter subversion An epilogue presents the case for the dramatic change of the force after 1919 20 and the new force s use of the positive image created by the old force

Steele's Scouts Wayne F. Brown, 2001 After a fatal encounter between Louis Riel s Metis rebels and the North West Mounted Police at Duck Lake in March 1885 the Canadian government mobilized forces in both Ontario and Alberta to suppress what became known as The Northwest Rebellion The western force was assembled in Calgary by Gunner Jingo Strange a retired major general who readily knew the right man to lead an advance unit Samuel Benfield Steele He called them Steele s Scouts Steele s Scouts patrolled through bush and swamp under the constant threat of ambush They were vital to the furious battles near Frenchman Butte and Loon Lake where the scouts alone fought the Cree warriors Their actions contributed significantly to the defeat of Canada s last rebellion Wayne Brown a long time admirer of Sam Steele knows well the landscape and rebellion battle sites of the Northwest Rebellion and has followed the trails of Steele s Scouts With each stage of Steele s journey Brown gives detailed directions so that history

Author and Title Index** ,1975      Riding to the Rescue Steve Hewitt,2006-01-01 The Mountie may be one of Canada s best known national symbols yet much of the post nineteenth century history of the Royal Canadian Mounted Police remains unexamined particularly the period between 1914 and 1939 when the RCMP underwent enormous transformation The nature of this transformation as it took place in Alberta and Saskatchewan where the Mounties have traditionally dominated policing is the focus of Steve Hewitt s Riding to the Rescue During the 1914 to 1939 period the nineteenth century model of the RCMP was evolving into a twentieth century version and the institution that emerged responded to a nation that was being transformed as well Forces such as industrialization mass immigration urbanization and political radicalism compelled the Mounties to look away from the frontier and toward a new era Incorporating previously classified material which explores the RCMP both in the context of its ordinary policing role and in its work as Canada s domestic spy agency Hewitt demonstrates how much of the impetus behind the RCMP s transformation was ensuring its own survival and continued relevance Riding to the Rescue is a provocative and incisive look behind one of Canada s most enduring icons at the cusp of the modern era      Canadian Book Review Annual ,1993      Arctic Justice Shelagh Grant,2005 Although there was no Canadian law enforcement in the Eastern High Arctic when a crazed white fur trader was killed by an Inuk authorities put Nuqallaq and two other Baffin Island Inuit on trial The Canadian government saw Robert Janes s death as murder the Inuit saw it as removing a threat from their society according to custom Nuqallaq was sentenced to ten years hard labour in Stony Mountain Penitentiary where he contracted tuberculosis He died shortly after being returned to Pond Inlet Shelagh Grant s award winning Arctic Justice is a masterly reconstruction of these tragic events at the intersection of Inuit and Canadian justice Combining original Inuit oral testimony with archival history Grant sheds light on the conflicting values and perceptions of two disparate cultures She shows how the Canadian government s decision was determined by fear and political concerns for establishing sovereignty over the Arctic Arctic Justice is also a social history of North Baffin Island in the twentieth century with vivid portraits of Janes Captain J E Bernier of the CGS Arctic investigating RCMP officer A H Joy and the remarkable Nuqallaq his wife Ataguttiaq and the Inuit of North Baffin Island      **Canadian Books in Print** ,2003      **Red Serge and Stetsons** Don Saul,1993-01-01 Gripping tragic and funny these recollections by members of the RCMP go back to the March West in 1874 Rumrunners hilarious anecdotes of bachelor housekeeping The Mad Trapper of Rat River and more      **In the Line of Duty** Robert Knuckle,2006      Before My Memory Fades Timothy Ian Mitchell,2024-03-07 This fascinating memoir recounts Timothy Ian Mitchell s boyhood dream of becoming a RCMP officer and the first five years of his service as a Mountie on the Canadian Prairies Deeply honest often moving and intermittently funny the anecdotes at the core of this book vividly detail Mitchell s experiences and encounters with other members of the Force perpetrators and victims of crime and a variety of other people and places that impacted his early career and influenced his entire life Whether he was enforcing traffic regulations investigating a robbery or marching
