Red Skelton:

Red Skelton Wes Gehring,2013-09-10 For more than twenty years Hoosier comic Red Skelton entertained millions of viewers who gathered around their television sets to delight in the antics of such notable characters as Freddie the Freeloader Clem Kaddiddlehopper Cauliflower McPugg and Sheriff Deadeye Noted film historian Wes D Gehring examines the man behind the characters someone who never let the facts get in the way of a good story Gehring delves into Skelton's hardscrabble life with a shockingly dysfunctional family in the southern Indiana community of Vincennes his days on the road on the vaudeville circuit the comedian's early success on radio his up and down movie career with Metro Goldwyn Mayer and his sometimes tragic personal life *Red Skelton* Red Skelton, **A Critical History of Television's The Red Skelton Show, 1951-1971** Wesley Hyatt,2015-05-07 The Red Skelton Show was on the air for 20 years the longest running primetime network comedy variety series on television It was a top 10 series for nine years an accomplishment surpassed only by Gunsmoke and Home Improvement The series has a few unimpressive achievements too such as becoming the first top 10 series to be cancelled by a network Here is the history of The Red Skelton Show beginning with its debut in 1951 one of the top five that year The show then declined in popularity moved from CBS to NBC in 1953 slowly rose back to the top In its glory days of the 1960s it became an hour long show and finished at number two in two different years The cancellation of the show by CBS in 1970 despite its place in the top 10 was a surprise the last season back with NBC was a failure Appendices list cast and crew credits and special guests by season and offer information on the post Red Skelton lives of many of the principal players Red Skelton ,1996 First tape follows Red's meteoric career from vaudeville hit to movie star and top TV comedian Second tape Red plays bumbling Rusty Morgan a hapless fellow who makes the perfect victim for a couple con men who swindle him out of his money American Legends Charles River Editors,2014-07-07 Includes pictures Includes Skelton's quotes about his life and career Includes a bibliography for further reading I don't want to be called the greatest or one of the greatest let other guys claim to be the best I just want to be known as a clown because to me that's the height of my profession It means you can do everything sing dance and above all make people laugh Red Skelton All I want to do is to make people laugh to take the word heartache out of their vocabulary Red Skelton A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Among radio personalities and television entertainers almost nobody had a career as long or storied as Red Skelton one of America's foremost comedians during the 20th century Over the course of 70 years Skelton made crowds laugh from vaudeville to performing as a clown and while he is best known for The Red Skelton Show and his other variety shows he also managed a 45 year stage career as a pantomime or one of the other characters he created over the years Although Skelton was extremely popular in

America at the peak of his career his entertainment was also a throwback to the early 20th century which compelled television studios to balk at the notion of continuing to air his shows by 1970 even though his shows had spent almost two straight decades with Top 10 ratings on the air Understandably bitter Skelton refused to have his shows in syndication until the 1980s and by then the same concerns about his appeal to younger crowds had only gotten worse as he and his show had aged Skelton is still best remembered for his performances and his television career but he was also a noted artist who fittingly excelled at depicting clowns on canvas Despite the seemingly silly content of his work Skelton's skills as an artist were so impressive that he made millions of dollars a year selling his art and having it displayed By the time he died in 1997 it's estimated that he may have made more money through art than through performing American Legends The Life of Red Skelton chronicles the life and career of one of America's most beloved comedians Along with pictures of important people places and events you will learn about Red Skelton like never before in no time at all Clowning Around Nancy Zimmerman,2018-12-06

Influenced by the life of comedian Red Skelton two young boys and their sister become interested in the life of this hometown boy from Vincennes Indiana Red Skelton's memory is alive and well in the Hoosier community where he grew up and where the Red Skelton Center for the Performing Arts and the Red Skelton Museum of American Comedy is located Located on the campus of Vincennes University one can view his art and memorabilia from a career that spanned seven decades *Red Skelton*,2003 Featuring Red and his cast of characters Freddie the Freeloader Clem Kadiddlehopper Junior The Mean Widdle Kid Cauliflower McPugg Sheriff Deadeye George Appleby and others Container

Holmes,2021-09-28 When Ozzie Nelson died in 1975 he was no longer a household name For a guy who had created the longest running TV sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it's baffling that Nelson has faded so far from American media memory Larger than life offscreen an attorney college football star cartoonist songwriter major band leader Ozzie created a smaller than life TV persona the bumbling average Dad who became known to the rock generation which

included his teen idol son Rick Nelson as the essence of blandness But America also saw Ozzie as their iconic Dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the father who tried his best This book is the only full length biography of Ozzie Nelson since he published his memoirs in 1973 It treats the big band and early TV icon with affection and hints that American pop culture may owe more to Ozzie than is generally acknowledged
