she was 14 years old she was invited down to London to sing and the rest is history She stepped into a part she played for the next 60 years A part she played so well that she gradually lost who she was becoming the version of herself she thought others wanted to see The book charts the highs and the lows of one of the longest running shows in British rock and roll history It is the story of one woman s determination to stay real relevant and happy and one which ultimately reveals a woman who is far stronger and far braver than anyone knew This is a pop memoir like no other **Paul McCartney** Barry Miles,1998-10-15 A definitive authorized portrait of Paul McCartney draws on hundreds of hours of exclusive interviews and access to personal archives to chronicle the private life and successful career of one of the world s most famous musicians the world of the Beatles his partnership with John Lennon and more Lulu Hurst, (The Georgia Wonder.)
