Trauma and Spirituality in Ethnic American Women's Novels Marinella Rodi-Risberg, 2025-01-15 *Trauma and Spirituality in Ethnic American Women's Novels* examines a genre of ethnic American women's literature which the author calls spiritual trauma narratives that testify to traumas caused by epistemological violence wreaked by ongoing colonialism systematic racism and marginalization grounded in a binary hierarchical and supremacist post Enlightenment epistemology that negates the spiritual knowledge of interconnectivity found in people of color's belief systems Placing trauma theory in productive conversation with women of color feminist studies Marinella Rodi-Risberg explores literary texts by Chicana African American and Native American authors that engage readers in the protagonists transformative encounters with ancestral knowledge through symbols ritual dreaming storytelling and interactions with the natural world In this way the author argues they model a shift in awareness regarding historical and

present traumas including slavery genocide racial and sexual violence highlighting the importance of literature as a site of knowledge production and resistance **The Greenwood Encyclopedia of Latino Literature** Nicolás Kanellos,2008-08-30

From East L A to the barrios of New York City and the Cuban neighborhoods of Miami Latino literature or literature written by Hispanic peoples of the United States is the written word of North America s vibrant Latino communities Emerging from the fusion of Spanish North American and African cultures it has always been part of the American mosaic Written for students and general readers this encyclopedia surveys the vast landscape of Latino literature from the colonial era to the present Aiming to be as broad and inclusive as possible the encyclopedia covers all of native North American Latino literature as well as that created by authors originating in virtually every country of Spanish America and Spain Included are more than 700 alphabetically arranged entries written by roughly 60 expert contributors While most of the entries are on writers such as Julia Alvarez Sandra Cisneros Lorna Dee Cervantes Oscar Hijuelos and Piri Thomas others cover genres ethnic and national literatures movements historical topics and events themes concepts associations and organizations and publishers and magazines Special attention is given to the cultural political social and historical contexts in which Latino literature has developed Entries cite works for further reading and the encyclopedia closes with a selected general bibliography Entries cite works for further reading and the encyclopedia closes with a selected general bibliography The encyclopedia gives special attention to the social cultural historical and political contexts of Latino literature thus making it an ideal tool to help students use literature to learn about history and cultural diversity *Contemporary Chicana*

Literature: (Re)Writing the Maternal Script Cristina Herrera,2014-03-28 Despite the growing literary scholarship on Chicana writers few if any studies have exhaustively explored themes of motherhood maternity and mother daughter relationships in their novels When discussions of motherhood and mother daughter relationships do occur in literary scholarship they tend to mostly be a backdrop to a larger conversation on themes such as identity space and sexuality for example Mother daughter relationships have been ignored in much literary criticism but this book reveals that maternal relationships are crucial to the study of Chicana literature more precisely examining maternal relationships provides insight to Chicana writers rejection of intersecting power structures that otherwise silence Chicanas and women of color This book advances the field of Chicana literary scholarship through a discussion of Chicana writers efforts to re write the script of maternity outside of existing discourses that situate Chicana mothers as silent and passive and the subsequent mother daughter relationship as a source of tension and angst Chicana writers are actively engaged in the process of re writing motherhood that resists the image of the static disempowered Chicana mother on the other hand these same writers engage in broad representations of Chicana mother daughter relationships that are not merely a source of conflict but also a means in which both mothers and daughters may achieve subjectivity While some of the texts studied do present often conflicted relationships between mothers and their daughters the novels do not comfortably accept this script as the rule rather the writers included in this study are highly

invested in re writing Chicana motherhood as a source of empowerment even as their works present strained maternal relationships Chicana writers have challenged the pervasiveness of the problematic virgin whore binary which has been the motif on which Chicana womanhood motherhood has been defined and they resist the construction of maternity on such narrow terms Many of the novels included in this study actively foreground a conscious resistance to the limiting binaries of motherhood symbolized in the virgin whore split The writers critically call for a rethinking of motherhood beyond this scope as a means to explore the empowering possibilities of maternal relationships This book is an important contribution to the fields of Chicana Latina and American literary scholarship *Bibliographic Guide to Chicana and Latina Narrative* Kathy Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works Historical Dictionary of U.S. Latino Literature Francisco A. Lomeli,Donaldo W. Urioste,María Joaquina Villaseñor,2016-12-27 U S Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos For too long U S Latino literature has not been thought of as an integral part of the overall shared American literary landscape but that is slowly changing This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues concerns and perspectives with a flair in linguistic cadences familial themes distinct world views and cross cultural voices The Historical Dictionary of U S Latino Literature contains a chronology an introduction and an extensive bibliography The dictionary section has cross referenced entries on U S Latino authors and terms relevant to the nature of U S Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience This book is an excellent access point for students researchers and anyone wanting to know more about this subject **The California Poppy** Grace Sherburne Conroe,1944 *Latino Literature* Christina Soto van der Plas,Lacie Rae Buckwalter Cunningham,2023-03-31 Winner 2024 RUSA Outstanding Reference Award Offers a comprehensive overview of the most important authors movements genres and historical turning points in Latino literature More than 60 million Latinos currently live in the United States Yet contributions from writers who trace their heritage to the Caribbean Central and South America and Mexico have and continue to be

overlooked by critics and general audiences alike Latino Literature An Encyclopedia for Students gathers the best from these authors and presents them to readers in an informed and accessible way Intended to be a useful resource for students this volume introduces the key figures and genres central to Latino literature Entries are written by prominent and emerging scholars and are comprehensive in their coverage of the 19th 20th and 21st centuries Different critical approaches inform and interpret the myriad complexities of Latino literary production over the last several hundred years Finally detailed historical and cultural accounts of Latino diasporas also enrich readers understandings of the writings that have and continue to be influenced by changes in cultural geography providing readers with the information they need to appreciate a body of work that will continue to flourish in and alongside Latino communities Process Design Manual ,1995
