the target of a terrifying new weapon and a casualty of a terrible new kind of war Sunk off the southern coast of Ireland by a torpedo fired from the German submarine U 20 she exploded and sank in eighteen minutes taking with her some twelve hundred people more than half of the passengers and crew Cold blooded deliberate and unprecedented in the annals of war the sinking of the Lusitania shocked the world It also jolted the United States out of its neutrality and hastened the nation s entry into World War I In her riveting account of this enormous and controversial tragedy Diana Preston recalls both a pivotal moment in history and a remarkable human drama The story of the Lusitania is a window on the maritime world of the early twentieth century the heyday of the luxury liner the first days of the modern submarine and the climax of the decades long German British rivalry for supremacy of the Atlantic Above all it is the story of the passengers and crew on that fateful voyage a story of terror and cowardice of self sacrifice and heroism of death and miraculous survival [The Lusitania Saga & Myth](#) David Ramsay,2015-08-28 An account of one of the greatest maritime disasters in history the Lusitania s proud service its sinking by a German U Boat and the tragic aftermath When the RMS Lusitania entered service in 1907 she was the pride of the Cunard fleet The first transatlantic express liner powered by marine turbines she had a top speed of twenty five knots and could make the Liverpool New York crossing in five days restoring British supremacy along the key North Atlantic route All this ended during World War I on 7 May 1915 when she was torpedoed by a German submarine and sank eighteen minutes later taking with her the lives of the 1 198 passengers and crew In this well researched book the author concentrates not just on the disaster but its consequences including the political recriminations and the governmental inquiry The loss of American citizens was a major reason why the United States entered the War Fully illustrated with rare historical photographs this is a fascinating study of a major shipping catastrophe with profound repercussions that would have an effect not just on maritime law but on the future of the world **Lusitania** Greg King,Penny Wilson,2015-02-24 On the 100th Anniversary of its sinking King and Wilson tell the story of the Lusitania s glamorous passengers and the torpedo that ended an era and prompted the US entry into World War I Lusitania She was a ship of dreams carrying millionaires and aristocrats actresses and impresarios writers and suffragettes a microcosm of the last years of the waning Edwardian Era and the coming influences of the Twentieth Century When she left New York on her final voyage she sailed from the New World to the Old yet an encounter with the machinery of the New World in the form of a primitive German U Boat sent her and her gilded passengers to their tragic deaths and opened up a new era of indiscriminate warfare A hundred years after her sinking Lusitania remains an evocative ship of mystery Was she carrying munitions that exploded Did Winston Churchill engineer a conspiracy that doomed the liner Lost amid these tangled skeins is the romantic vibrant and finally heartrending tale of the passengers who sailed aboard her Lives relationships and marriages ended in the icy waters off the Irish Sea those who survived were left haunted and plagued with guilt Authors Greg King and Penny Wilson resurrect this lost glittering world to show the golden age of travel and illuminate the most prominent of Lusitania s passengers Rarely was an era so
