Lya De Putti Loving Life And Not Fearing Death:

Lya de Putti Peter Herzog, Romano Tozzi, 1993 **A Beautiful Fairy Tale** Richard P. Buller, 2005-07
Limelight Coming of age in Paris in the 1920s film and stage actress Lois Moran was a rumored paramour of writer F Scott Fitzgerald and the inspiration for the character of Rosemary in his *Tender Is the Night* As a young girl Lois moved to Paris with her mother and thrived in the artistic and literary glow of the city She danced with the National Paris Opera at age 14 and also was cast in two French films Samuel Goldwyn on a European tour in search of new talent saw her work and was impressed He cast her in what would become one of the best known films of the era With her performance as Laurel the emotionally conflicted daughter in *Stella Dallas* Lois Moran became an overnight sensation and took Hollywood by storm and on her own terms The author corresponded with Lois Moran during the last five years of her life He had full and exclusive access to her journals scrapbooks and photos In telling the Lois Moran story Buller illuminates the history of film theater and television He also includes a thorough and unique account of the actress's relationship with Fitzgerald **HARDCOVER** *The Speed of Sound* Scott Eyman, 1997-03-13 From acclaimed author Scott Eyman comes the fascinating story of how the transition from silent films to talkies transformed Hollywood It was the end of an era It was a turbulent colorful and altogether remarkable period four short years in which America's most popular industry reinvented itself Here is the epic story of the transition from silent films to talkies that moment when movies were totally transformed and the American public cemented its love affair with Hollywood As Scott Eyman demonstrates in his fascinating account of this exciting era it was a time when fortunes careers and lives were made and lost when the American film industry came fully into its own In this mixture of cultural and social history that is both scholarly and vastly entertaining Eyman dispels the myths and gives us the missing chapter in the history of Hollywood the ribbon of dreams by which America conquered the world Karl Freund Gavin Schmitt, 2022-02-28 Karl Freund is the most important film pioneer you've never heard of From the silent film era to the rise of the American sitcom Freund was there at every turn Countless camera techniques can be traced back to his unchained camera His lighting setup for filming *I Love Lucy* live remains standard to this day He was the man behind the lens for many influential and award winning films from *Metropolis* to *The Good Earth* to *Key Largo* This biography is the first book length look at one of the world's greatest cameramen It details the events of his early life his entrance into the world of film his work in both Germany and America and his legacy while also putting his life and films into the historical context of the 20th century The author gives particular attention to Freund's role in the early horror films *Der Golem* *Dracula* *Murders in the Rue Morgue* *The Mummy* and *Mad Love* *Michael Curtiz* Alan K. Rode, 2017-11-17 Academy Award winning director Michael Curtiz 1886 1962 whose best known films include *Casablanca* 1942 *Yankee Doodle Dandy* 1942 *Mildred Pierce* 1945 and *White Christmas* 1954 was in many ways the anti auteur During his unprecedented twenty seven year tenure at Warner Bros he directed swashbuckling adventures westerns musicals war epics romances historical dramas horror films tearjerkers melodramas

comedies and film noir masterpieces The director's staggering output of 180 films surpasses that of the legendary John Ford and exceeds the combined total of films directed by George Cukor Victor Fleming and Howard Hawks In the first biography of this colorful instinctual artist Alan K Rode illuminates the life and work of one of the film industry's most complex figures He explores the director's little known early life and career in his native Hungary revealing how Curtiz shaped the earliest days of silent cinema in Europe before immigrating to the United States in 1926 In Hollywood Curtiz earned a reputation for explosive tantrums his difficulty with English and disregard for the well being of others However few directors elicited more memorable portrayals from their casts and ten different actors delivered Oscar nominated performances under his direction In addition to his study of the director's remarkable legacy Rode investigates Curtiz's dramatic personal life discussing his enduring creative partnership with his wife screenwriter Bess Meredyth as well as his numerous affairs and children born of his extramarital relationships This meticulously researched biography provides a nuanced understanding of one of the most talented filmmakers of Hollywood's golden age American Film and the Feminine Ideal, 1895-1930 Larry C. Wilson, 1997

Film History, 2005 Silent Film Necrology Eugene Michael Vazzana, 1995 Arranged by professional name the entries include birth and death dates the place of birth and death real name when different from professional married name for women birth certificate date when available age and bibliographic data of an autobiography or biography When available the cause of death is also provided **Griffithiana**, 1993 Journal of film history The Film Renter and Moving Picture News, 1926
