Lydia Cabrera And The Construction Of An Afro Cuban Cultural Identity

David E. Newton

Lydia Cabrera And The Construction Of An Afro Cuban Cultural Identity:

Lydia Cabrera and the Construction of an Afro-Cuban Cultural Identity Edna M. Rodríguez-Plata, 2005-11-16 Lydia Cabrera 1900-1991 an upper class white Cuban intellectual spent many years traveling through Cuba collecting oral histories stories and music from Cubans of African descent Her work is commonly viewed as an extension of the work of her famous brother in law Cuban anthropologist Fernando Ortiz who initiated the study of Afro Cubans and the concept of transculturation Here Edna Rodríguez Manguel challenges this perspective proposing that Cabrera's work offers an alternative to the hegemonizing national myth of Cuba articulated by Ortiz and others Rodríguez Manguel examines Cabrera's ethnographic essays and short stories in context By blurring fact and fiction anthropology and literature Cabrera defied the scientific discourse used by other anthropologists She wrote of Afro Cubans not as objects but as subjects and in her writings whiteness instead of blackness is gazed upon as the other As Rodríguez Manguel demonstrates Cabrera rewrote the history of Cuba and its culture through imaginative means calling into question the empirical basis of anthropology and placing Afro Cuban contributions at the center of the literature that describes the Cuban nation and its national identity An Ethnological Interpretation of the Afro-Cuban World of Lydia Cabrera (1900-1991) Mariela Gutiérrez, 2008 **Latinos in Science, Math, and Professions** David E. Newton, 2014-05-14 Provides short biographies of more than 175 notable Hispanic American professionals in science mathematics medicine and related fields *Cuban Music Counterpoints* Marysol Quevedo, 2023 Cuban Music Counterpoints traces the continuities and ruptures in the Cuban classical music scene between 1940 and 1991 The book focuses on specific events objects and compositions that reveal how composers forged connections with local and foreign composers visual artists writers dancers and film makers by placing them within emergent global social political and cultural contexts **Afro-Latin American Studies** Alejandro de la Fuente, 2018-04-26 Examines the full range of humanities and social science scholarship on people of African descent in Latin America **Yemoja** Solimar Otero, Toyin Falola, 2013-11-01 Finalist for the 2014 Albert J Raboteau Prize for the Best Book in Africana Religions presented by the Journal of Africana Religions This is the first collection of essays to analyze intersectional religious and cultural practices surrounding the deity Yemoja In Afro Atlantic traditions Yemoja is associated with motherhood women the arts and the family This book reveals how Yemoja traditions are negotiating gender sexuality and cultural identities in bold ways that emphasize the shifting beliefs and cultural practices of contemporary times Contributors come from a wide range of fields religious studies art history literature and anthropology and focus on the central concern of how different religious communities explore issues of race gender and sexuality through religious practice and discourse The volume adds the voices of religious practitioners and artists to those of scholars to engage in conversations about how Latino a and African diaspora religions respond creatively to a history of colonization *From Sugar to Revolution* Myriam J.A. Chancy, 2013-02-05 Sovereignty Sugar Revolution These are the three axes this book uses to link the works of contemporary women artists from

Haiti a country excluded in contemporary Latin American and Caribbean literary studies the Dominican Republic and Cuba In From Sugar to Revolution Women s Visions of Haiti Cuba and the Dominican Republic Myriam Chancy aims to show that Haiti s exclusion is grounded in its historical role as a site of ontological defiance Her premise is that writers Edwidge Danticat Julia Alvarez Zo Vald s Loida Maritza P rez Marilyn Bobes Achy Obejas Nancy Morej n and visual artist Maria Magdalena Campos Pons attempt to defy fears of otherness by assuming the role of archaeologists of amnesia They seek to elucidate women s variegated lives within the confining walls of their national identifications identifications wholly defined as male They reach beyond the confining limits of national borders to discuss gender race sexuality and class in ways that render possible the linking of all three nations Nations such as Haiti the Dominican Republic and Cuba are still locked in battles over self determination but as Chancy demonstrates women s gendered revisionings may open doors to less exclusionary imaginings of social and political realities for Caribbean people in general **Curriculum and Teaching**

Dialogue Barbara Slater Stern,2008-10-01 Curriculum and Teaching Dialogue is the journal of the American Association of Teaching and Curriculum AATC An important historical event in the development of organizations dealing with the scholarly field of teaching and curriculum was the founding of the AATC on October 1 1993 The members of the AATC believed that the time was long overdue to recognize teaching and curriculum as a basic field of scholarly study to constitute a national learned society for the scholarly field of teaching and curriculum teaching is the more inclusive concept curriculum is an integral part of teaching the what to teach aspect Since that AATC has produced scholarship in teaching and curriculum and serve the general public through its conferences journals and the interaction of its members The purpose of the organization as originally defined in Article 1 Section 2 of the AATC Constitution To promote the scholarly study of teaching and curriculum all analytical and interpretive approaches that are appropriate for the scholarly study of teaching and curriculum shall be encouraged Curriculum and Teaching Dialogue seeks to fulfill that mission **Chinese Cubans** Kathleen M.

López,2013-06-10 In the mid nineteenth century Cuba s infamous coolie trade brought well over 100 000 Chinese indentured laborers to its shores Though subjected to abominable conditions they were followed during subsequent decades by smaller numbers of merchants craftsmen and free migrants searching for better lives far from home In a comprehensive vibrant history that draws deeply on Chinese and Spanish language sources in both China and Cuba Kathleen L pez explores the transition of the Chinese from indentured to free migrants the formation of transnational communities and the eventual incorporation of the Chinese into the Cuban citizenry during the first half of the twentieth century Chinese Cubans shows how Chinese migration intermarriage and assimilation are central to Cuban history and national identity during a key period of transition from slave to wage labor and from colony to nation On a broader level L pez draws out implications for issues of race national identity and transnational migration especially along the Pacific rim **Prostitution, Modernity, and the**

Making of the Cuban Republic, 1840-1920 Tiffany A. Sippial,2013-11-11 Between 1840 and 1920 Cuba abolished slavery

fought two wars of independence and was occupied by the United States before finally becoming an independent republic Tiffany A Sippial argues that during this tumultuous era Cuba's struggle to define itself as a modern nation found focus in the social and sexual anxieties surrounding prostitution and its regulation Sippial shows how prostitution became a prism through which Cuba's hopes and fears were refracted Widespread debate about prostitution created a forum in which issues of public morality urbanity modernity and national identity were discussed with consequences not only for the capital city of Havana but also for the entire Cuban nation Republican social reformers ultimately recast Cuban prostitutes and the island as a whole as victims of colonial exploitation who could be saved only by a government committed to progressive reforms in line with other modernizing nations of the world By 1913 Cuba had abolished the official regulation of prostitution embracing a public health program that targeted the entire population not just prostitutes Sippial thus demonstrates the central role the debate about prostitution played in defining republican ideals in independent Cuba

As recognized, adventure as without difficulty as experience roughly lesson, amusement, as without difficulty as accord can be gotten by just checking out a books **Lydia Cabrera And The Construction Of An Afro Cuban Cultural Identity** plus it is not directly done, you could give a positive response even more approaching this life, as regards the world.

We provide you this proper as without difficulty as easy mannerism to acquire those all. We come up with the money for Lydia Cabrera And The Construction Of An Afro Cuban Cultural Identity and numerous books collections from fictions to scientific research in any way. in the course of them is this Lydia Cabrera And The Construction Of An Afro Cuban Cultural Identity that can be your partner.
