Ma Guerre Contre Le Flq

Chris Oliveros

Ma Guerre Contre Le Flq:

The Making of the October Crisis D'Arcy Jenish, 2020-10-06 A definitive mind changing history of the October Crisis and the events leading up to it The first bombs exploded in Montreal in the spring of 1963 and over the next seven years there were hundreds more bombings many bank robberies six murders and in October 1970 the kidnappings of a British diplomat and a Quebec cabinet minister The perpetrators were members of the Front de lib ration du Qu bec dedicated to establishing a sovereign and socialist Quebec Half a century on we should have reached some clear understanding of what led to the October Crisis Instead too much attention has been paid to the Crisis and not enough to the years preceding it Most of those who have written about the FLQ have been ardent nationalists committed sovereigntists or former terrorists They tell us that the authorities should have negotiated with the kidnappers and contend that Jean Drapeau s administration and the governments of Robert Bourassa and Pierre Trudeau created the October Crisis by invoking the War Measures Act Using new research and interviews D Arcy Jenish tells for the first time the complete story starting from the spring of 1963 This gripping narrative by a veteran journalist and master storyteller will change forever the way we view this dark chapter in Canadian history

Are You Willing to Die for the Cause? Chris Oliveros, 2023-10-10 It started in 1963 when a dozen mailboxes in a wealthy Montreal neighborhood were blown to bits by handmade bombs By the following year a guerilla army training camp was set up deep in the woods with would be soldiers training for armed revolt Then in 1966 two high school students dropped off bombs at factories causing fatalities What was behind these concerted often bungled acts of terrorism and how did they last for nearly eight years In *Are You Willing To Die For The Cause* Quebec born cartoonist Chris Oliveros sets out to dispel common misconceptions about the birth and early years of a movement that while now defunct still holds a tight grip on the hearts and minds of Quebec citizenry and Canadian politics There are no initials more volatile in Quebec history than F L Q Standing for the Front de lib ration du Qu bec or in English the Quebec Liberation Front The original goal of this socialist movement was to fight for workers rights of the French majority who found their rights trampled on by English bosses The goal became ridding the province of its English oppression by means of violent revolution Using dozens of obscure and long forgotten sources Oliveros skillfully weaves a comics oral history where the activists employers politicians and secretaries piece together the sequence of events At times humorous other times dramatic and always informative *Are You Willing To Die For The Cause* shines a light on just how little it takes to organize dissent and who people trust to overthrow the government

Community & the human spirit PREVIEW EDITION Dave Flavell, 2016-12-04 Preview Edition A solid contribution to social and urban studies this fascinating collection of oral histories details the life and times in Canada s cradle of industrialization Contributors to this book were all born between the 1920s and 1950s and remember growing up around the east end of the Lachine Canal near the Montreal harbour It was a time when ships from far away places still navigated the canal and this historic working class area hummed with the sounds of factories Families were often large and

the streets teemed with children These oral histories follow contributors lives to the present day The book also discusses the redevelopment and evolution of the area Well researched and well illustrated with archival and family photos with bibliography and an introduction by the author 372 pages softcover *Creating Postwar Canada* Magda Fahrni, Robert Rutherford, 2008-07-01 Creating Postwar Canada showcases new research on this complex period exploring postwar Canada's diverse symbols and battlegrounds Contributors to the first half of the collection consider evolving definitions of the nation examining the ways in which Canada was reimagined to include both the Canadian North and landscapes structured by trade and commerce The essays in the latter half analyze debates on shopping hours professional striptease the provider role of fathers interracial adoption sexuality on campus and illegal drug use issues that shaped how the country defined itself in sociocultural and political terms This collection contributes to the historiography of nationalism gender and the family consumer cultures and countercultures

Police Abuse in Contemporary Democracies Michelle D. Bonner, Guillermina Seri, Mary Rose Kubal, Michael Kempa, 2018-03-28 This volume offers a much needed analysis of police abuse and its implications for our understanding of democracy Sometimes referred to as police violence or police repression police abuse occurs in all democracies It is not an exception or a stage of democratization It is this volume argues a structural and conceptual dimension of extant democracies The book draws our attention to how including the study of policing into our analyses strengthens our understanding of democracy including the persistence of hybrid democracy and the decline of democracy To this end the book examines three key dimensions of democracy citizenship accountability and socioeconomic inequality Drawing from political theory comparative politics and political economy the book explores cases from France the US India Argentina Chile South Africa Brazil and Canada and reveals how integrating police abuse can contribute to a more robust study of democracy and government in general
