Ma'am Jones Of The Pecos:

Ma'am Jones of the Pecos Eve Ball, 2021-11-16 highly entertaining and provides a valuable picture of the New Mexico frontier Journal of the West An unusual story of an American pioneer woman who used a needle skillet or gun as needed and who tended the dying during frontier wars or outbreaks of equally deadly diseases The Old Bookaroos For vivid descriptions of pioneer life in southeastern New Mexico no work of history or fiction can match Eve Ball's dramatic story of Barbara Jones and her family Anyone who picks it up will be reluctant to stop reading Few western historians have made such expert use of oral history as Mrs Ball Colloquial language adds color and carefully drawn sketches of the family their acquaintances and the major figures in Lincoln County provide a degree of intimacy seldom found in historical works That the resulting tale is believable and deeply moving demonstrates just how effective these techniques can be Southwestern Historical Quarterly

The West of Billy the Kid Frederick Nolan, 2015-02-16 In *The West of Billy the Kid* renowned authority Frederick Nolan has assembled a comprehensive photo gallery of the life and times of Billy the Kid In text and in more than 250 images many of them published here for the first time Nolan recreates the life Billy lived and the places and people he knew This unique assemblage is complemented by maps and a full biography that incorporates Nolan's original research adding fresh depth and detail to the Kid's story and to the lives and backgrounds of those who witnessed the events of his life and death Here are the faces of Billy's family friends and enemies John Tunstall and John Chisum Sheriff Pat Garrett and Governor Lew Wallace Jimmy Dolan and Bob Olinger Alexander McSween and Paulita Maxwell and many others Here are Santa Fe and Silver City as Billy the Kid saw them Lincoln Las Vegas and Tascosa Recent photographs show the Kid's haunts as they appear today [Ma'am Jones of the Pecos](#) Eve Ball, 1969-04-01 An unusual story of an American pioneer woman who used a needle skillet or gun as needed and who tended the dying during frontier wars or outbreaks of equally deadly diseases The Old Bookaroos

Billy the Kid Richard W. Etulain, 2020-07-16 A central character in legends and histories of the Old West Billy the Kid rivals such western icons as Jesse James and General George Armstrong Custer for the number of books and movies his brief violent life inspired Billy the Kid A Reader's Guide introduces readers to the most significant of these written and filmed works Compiled and written by a respected historian of the Old West and author of a masterful new biography of Billy the Kid this reader's guide includes summaries and evaluations of biographies histories novels and movies as well as archival sources and research collections Surveying newspaper articles books pamphlets essays and book chapters Richard W Etulain traces the shifting views of Billy the Kid from his own era to the present Etulain's discussion of novels and movies reveals a similar shift even as it points out both the historical inaccuracies and the literary and cinematic achievements of these works A brief section on the authentic and supposed photographs of the Kid demonstrates the difficulties specialists and collectors have encountered in locating dependable photographic sources This discerning overview will guide readers through the plethora of words and images generated by Billy the Kid's life and legend over more than a century It will prove invaluable to

those interested in the demigods of the Old West and in the ever changing cultural landscape in which they appear to us

Billy the Kid Michael Wallis, 2008-03-17 This might be the best Billy the Kid book to date Fritz Thompson Albuquerque Journal In this revisionist biography award winning historian Michael Wallis re creates the rich anecdotal saga of Billy the Kid 1859 1881 a young man who became a legend in his time and remains an enigma to this day In an extraordinary evocation of the legendary Old West Wallis demonstrates why the Kid has remained one of our most popular folk heroes Filled with dozens of rare images and period photographs Billy the Kid separates myth from reality and presents an unforgettable portrait of this brief and violent life *Billy the Kid and Jesse James* Bill Markley, 2019-09-27 Who was the

biggest baddest outlaw in the Old West Billy the Kid or Jesse James Which outlaw did the most to wreak havoc across the frontier And which outlaw left behind the biggest legacy Author Bill Markley takes on those questions and more in this thoughtful and entertaining examination of these legendary lives **Billy the Kid** James B. Mills, 2022-07-15 In the annals of American western history few people have left behind such lasting and far reaching fame as Billy the Kid Some have suggested that his legend began with his death at the end of Pat Garrett s revolver on the night of July 14 1881 in Fort Sumner Others believe that the legend began with his unforgettable jailbreak in Lincoln New Mexico several months prior on April 28 1881 Others still insist his legend began with the publication in 1926 of Walter Noble Burns s book *The Saga of Billy the Kid* James B Mills has left no stone unturned in his twenty year quest to tell the complete story of Billy the Kid He explores the Kid s disputable origins his family s migration from New York into the Southwest and how he became an orphan as well as his involvement in the Lincoln County War his outlaw exploits and his dealings with Governor Lew Wallace Mills illuminates the Kid s relationships with his enemies lovers and numerous friends to contextualize the man s character beyond his death and legacy Most importantly Mills is the first historian to fully detail the Kid s relations with New Mexicans of Spanish descent So the question remains who really was the person the world knows as Billy the Kid Was he more than a young reprobate committed to a life of crime who relished becoming a famous outlaw and cold blooded self absorbed sociopath or thug that some still prefer him need him to be Or was he in fact the generally good hearted generous courteous young vigilante that so many remembered with considerable fondness who ultimately preferred the company of the more peaceable Hispanic population than his own Anglo people In this groundbreaking biography Mills takes the reader closer to the flesh and blood human being named Henry McCarty alias William H Bonney than ever before *Deadly Dozen* Robert K. DeArment, 2014-10-30 Wyatt Earp Billy the Kid Doc Holliday such are the legendary names that spring to mind when we think of the western gunfighter But in the American West of the late nineteenth and early twentieth centuries thousands of grassroots gunfighters straddled both sides of the law without hesitation *Deadly Dozen* tells the story of twelve infamous gunfighters feared in their own times but almost forgotten today Now noted historian Robert K DeArment has compiled the stories of these obscure men DeArment a life long student of law and lawlessness in the West has combed court records

frontier newspapers and other references to craft twelve complete biographical portraits The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West More than a collective biography of dangerous gunfighters Deadly Dozen also functions as a social history of the gunfighter culture of the post Civil War frontier West As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N Lake for Wyatt Earp in 1931 DeArment himself a talented writer brings these figures from the Old West to life John Bull Pat Desmond Mart Duggan Milt Yarberry Dan Tucker George Goodell Bill Standifer Charley Perry Barney Riggs Dan Bogan Dave Kemp and Jeff Kidder are the twelve dangerous men that Robert K DeArment studies in Deadly Dozen Twelve Forgotten Gunfighters of the Old West
