Macarthur And The American Century A Reader:

MacArthur and the American Century William Matthew Leary, 2003 **Captivity in War during the Twentieth Century** Marcel Berni, Tamara Cubito, 2021-08-27 This book offers new international perspectives on captivity in wartime during the twentieth century It explores how global institutions and practices with regard to captives mattered how they evolved and most importantly how they influenced the treatment of captives From the beginning of the twentieth century international organisations neutral nations and other actors with no direct involvement in the respective wars often had to fill in to support civilian as well as military captives and to supervise their treatment This edited volume puts these actors rather than the captives themselves at the centre in order to assess comparatively their contributions to wartime captivity Taking a global approach it shows that transnational bodies whether non governmental organisations neutral states or individuals played an essential role in dealing with captives in wartime Chapters cover both the largest wars such as the two World Wars but also lesser known conflicts to highlight how captives were placed at the centre of transnational negotiations **The A to Z of the Eisenhower Era** Burton I. Kaufman, Diane Kaufman, 2009-10-26 U S Army General Dwight D Eisenhower first entered into the public eye during World War II as the Supreme Commander of the Allied Forces in Europe In 1952 he was elected as the 34th President of the United States and served two terms During those terms he oversaw the cease fire of the Korean War kept up the pressure on the Soviet Union during the Cold War made nuclear weapons a higher defense priority launched the Space Race enlarged the Social Security program and began the Interstate Highway System The A to Z of the Eisenhower Era examines significant individuals organizations and events in American political economic social and cultural history during this era in American history In addition to the hundreds of cross referenced dictionary entries on politics economics diplomacy literature science sports and popular culture a chronology introductory essay and several appendixes are also included in this valuable reference **The Partition of Korea After World War II** Jongsoo James Lee, 2006-05-13 Drawing on multi archival research in Korean Russian and English this book looks at the complexity and changes in Stalin s policy toward Korea for answers about the division of Korea in 1945 and the failure of reunification between 1945 and 1948 Lee argues that the trusteeship decision is key to the division s origins and permanency **Encyclopedia of War and American Society** Peter Karsten, 2006 Publisher description **Spirit Power** Heonik Kwon, Jun Hwan Park, 2022-08-02 Spirit Power explores the manifestation of the American Century in Korean history with a focus on religious culture It looks back on the encounter with American missionary power from the late nineteenth century and the long political struggles against the country s indigenous popular religious heritage during the colonial and postcolonial eras The book brings an anthropology of religion into the field of Cold War history In particular it investigates how Korea s shamanism has assimilated symbolic properties of American power into its realm of ritual efficacy in the form of the spirit of General Douglas MacArthur The book considers this process in dialog with the work of Yim Suk jay a prominent Korean anthropologist who

saw that a radically cosmopolitan and democratic world vision is embedded in Korea's enduring shamanism tradition

Eisenhower in War and Peace Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America's thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower's superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike's finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight *Eisenhower in War and Peace* at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for *Eisenhower in War and Peace* A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's *Eisenhower in War and Peace* by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will **Air & Space Power Journal win 01** , **Philippine-American Military History, 1902-1942** Richard B. Meixsel, 2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy's insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated

bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942

A History of Socio-cultural Intelligence and Research Under the Occupation of Japan Michael B. Meyer, 2009 American forces entered a seemingly dangerous and very foreign world following the surrender of Japan A nation building mission unlike any other previously in U S history ensued Insight into Japanese sentiment and ways of conducting business would be paramount to the success of General Douglas MacArthur in demilitarizing and democratizing Japan Two complementary but rival organizations within MacArthur s Supreme Commander for the Allied Powers SCAP staff were created and charged with understanding Japanese thought patterns and culture to assist with successful reform The Research and Analysis Branch R A subordinate to the Civil Intelligence Section CIS was responsible for turning out quality anecdotal intelligence analysis It produced weekly Occupational Trends reports critical to monitoring Japanese sentiment on issues of seminal importance to demilitarization such as Japanese popular opinion concerning the maintenance of the Emperor The other organization the Public Opinion and Sociological Research Division PO SR under the Civil Information and Education Section CI E employed social scientists who worked closely with Japanese nationals on democratization For perhaps the first time in history sociological research supplemented traditional intelligence analysis in informing occupational leaders PO SR prepared scientific socio cultural reports that served various sections across MacArthur s government While rivalries existed between the R A and PO SR over methods and utility of services the framework established under the occupation serves as a model of how to process and produce foreign socio cultural intelligence and research during nation building Analytic lessons learned include encouraging close cooperation between intelligence professionals and more specialized sociologists incorporating diverse collection sources working closely with host nationals and formally documenting social science project findings P v

Macarthur And The American Century A Reader Introduction

In today's digital age, the availability of Macarthur And The American Century A Reader books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Macarthur And The American Century A Reader books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Macarthur And The American Century A Reader books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Macarthur And The American Century A Reader versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Macarthur And The American Century A Reader books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Macarthur And The American Century A Reader books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for

Macarthur And The American Century A Reader books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Macarthur And The American Century A Reader books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Macarthur And The American Century A Reader books and manuals for download and embark on your journey of knowledge?
