Machiavellian Legacy Essays In Italian Political Thought:

The Machiavellian Legacy J. Femia, 1998-10-19 What do classical elitists like Pareto and Mosca have in common with Marxists like Labriola and Gramsci In this collection of essays Joseph Femia argues that all four thinkers are united by the worldly humanism they inherited from Machiavelli Their distinctively Italian hostility to the metaphysical abstractions of natural law and Christian theology accounted for similarities in their thought that are obscured by the familiar terminology of left and right The collection includes critical essays on each of the four thinkers as well as an introductory chapter on their links with Machiavelli **The Machiavellian Legacy** Joseph V. Femia, 1998 Political Thought From Machiavelli to

Stalin E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition *A HISTORY OF POLITICAL THOUGHT* SUBRATA MUKHERJEE, SUSHILA RAMASWAMY, 2011-08-09 This lucidly written text in its second edition continues to provide a comprehensive study of the classical political tradition from Plato to Marx The book elucidates the fascinating evolution of the history of political ideas through the works of thirteen key political thinkers which includes Plato Aristotle Machiavelli Hegel and Marx The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs localism in the classical tradition It focuses on the recent interpretations of the classical texts for instance feasibility of the ideal State in Plato civic humanism and republicanism in Machiavelli the radicalism of Locke and the contributions to the woman's cause by John Stuart Mill The text is intended for the undergraduate and postgraduate students of Political Science of various universities and for all those who are appearing for the civil services examinations NEW TO THIS EDITION Inclusion of two important liberal thinkers Mary Wollstonecraft the founder of liberal feminism and Immanuel Kant a deontological liberal Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times having played a crucial role in the revival of normative political theory **Against the**

Masses Joseph V. Femia, 2001-08-02 Given the almost universal assumption that democracy is a good thing the goal of mankind it is easy to forget that rule by the people has been vehemently opposed by some of the most distinguished thinkers in the Western tradition The author attempts to combat collective amnesia by systematically exploring and evaluating anti democratic thought since the French Revolution Using categories first introduced by A O Hirschman in *The Rhetoric of Reaction* Femia examines the various arguments under the headings of perversity futility and jeopardy This classification scheme enables him to highlight the fatalism and pessimism of anti democratic thinkers their conviction that democratic reform would be either pointless or destructive Femia shows how they failed to understand the adaptability of democracy its

ability to co exist with the traditional and elitist values But controversially he also argues that some of their predictions and observations have been confirmed by history **Piero Gobetti and the Politics of Liberal Revolution J.**

Martin,2008-11-24 Piero Gobetti was a radical liberal and critic of Italian politics in the years after World War I he proposed revolutionary liberalism which guided his opposition to Fascism and inspired key figures in the Italian Resistance Accessible but critical this volume is offers a balanced assessment of his enduring significance **Gramsci, Political Economy, and International Relations Theory**

A. Ayers,2008-11-10 This book seeks to provide the most comprehensive and sustained engagement and critique of neo Gramscian analyses available in the literature In examining neo Gramscian analyses in IR IPE the book engages with two fundamental concerns in international relations i The question of historicity and ii The analysis of radical transformation The Struggle for Development and Democracy Alessandro Olsaretti,2021-12-13 In The

Struggle for Development and Democracy Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9 11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory **Machiavelli, Marketing and Management** Phil Harris,Andrew Lock,Patricia

Rees,2025-06-30 This second fascinating and cutting edge text provides insight into the meaning and interpretation of Machiavelli and his works for management marketing and political thought and highlights their particular relevance to the manager and policymaker today By bringing together contributions from authors both academic and practitioner this book addresses a number of common themes relating to the influences and arguments of perhaps the first political scientist and advocate of sound management and marketing principles The volume covers a wide range of topics including modern management and leadership public affairs technology marketing populist and fascist governments and strategic corporate philanthropy Machiavelli Marketing and Management Revisited will be of great interest to all practitioners students and scholars of management marketing political science and public affairs *Elites and Democracy* Hugo Drochon,2026-01-06

Why elites always rule democracies and why recognizing that reality can help us respond to the crisis of democracy today A central paradox of democracies is that they are always ruled by elites What can democracy mean in this context Today it is often said that a populist revolt against elites is driving democratic politics throughout the West But in *Elites and Democracy* Hugo Drochon argues that democracy is more accurately and usefully understood as a perpetual struggle among competing elites between rising elites and ruling elites Real political change comes from the interaction between social movements and

elite political institutions such as parties But although true democracy the rule of the people may never be achieved striving towards it can bring about worthwhile democratic results At the turn of the twentieth century Gaetano Mosca Vilfredo Pareto and Robert Michels put forward elite theories of democracy and gave us terms such as the ruling class and elites itself Drawing on their work and tracing the history of democratic thought through figures such as Joseph Schumpeter Robert Dahl C Wright Mills and Raymond Aron *Elites and Democracy* reveals that this fundamentally elitist basis of democracy democracy understood as competition between elites was there all along The challenge is to think it anew Moving away from procedural or principled conceptions of democracy *Elites and Democracy* develops a dynamic theory of democracy one grounded in movement With current politics defined by a populist backlash against elites dynamic democracy offers the tools we urgently need to understand our contemporary predicament and to act upon it

Gramsci's Marxism Nigel M. Greaves, 2009 This book re dresses the ambiguity that has arisen around Gramsci's writings in recent times It sets out to reclaim the philosophical linkages to historical materialism and to draw out a more integrated and less fragmented schema that seeks to place Gramsci on equal footing with other philosophers in the Marxist tradition

Science Meets Politics: Machiavelli's Influence and the Birth of Political Science Gábor Almási, 2025-05-26 Machiavelli's early influence was more penetrating than has ever been believed and this book explains why The surprising answer leads the reader into the depths of the history of science connecting Machiavelli's thought to new ways of thinking about experience history nature and politics Machiavelli's works resonated with readers not merely because of the political and moral questions they raised and answered and this book argues that the ways in which Machiavelli engaged with these questions were of equal importance His method reinforced the reader's own belief in the importance of an inductive and comparative approach which relied on facts and numbers drawn from history and experience An impressive book that for a change measures Machiavelli's writings not against 21st century binary schemes but rather against the knowledge categories and strategies of his 16th century contemporaries and successors Navigating skillfully among texts and authors both well known and recondite the author shows how the Florentine's ideas prompted and shaped a revolution in Western thought William J Connell Professor of History Seton Hall University If you have ever wondered why Francis Bacon frequently quoted and lavished praise on Niccolò Machiavelli this is the book for you In it Gábor Almási situates the latter with regard to the science of his time and shows that he was read initially in Italy then in France and finally in England as the exponent of an empiricism divorced from theology metaphysics and morals as pertinent to the study of the natural world as it is to the study of politics Paul A Rahe Charles O Lee and Louise K Lee Chair in the Western Heritage Hillsdale College

Encyclopedia of Modern Political Thought (set) Gregory Claeys, 2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism *Encyclopedia of Modern Political Thought* is two volume A to Z

reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft

Machiavelli Miles Unger, 2012-06-12 This is an authoritative biography of Niccolo Machiavelli who changed the way we think about politics and even about human nature He is one of the few figures in history whose name has become an adjective

International Bibliography of Political Science Compiled by the British Library of Political and Economic Science, 2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences

Unravelling Gramsci Adam David Morton, 2007-02-20 Powerful and clarifying The book s combination of careful argument and cogent illustration will make this a landmark volume in Gramscian studies John Agnew University of California Los Angeles and author of Hegemony The New Shape of Global Power Morton draws upon an impressive knowledge of Gramsci s writings to provide new insights into key processes in today s world order Anne Showstack Sassoon Emeritus Professor Kingston University and Visiting Professor Birkbeck College University of London Unravelling Gramsci makes extensive use of Antonio Gramsci s writings including his much overlooked pre prison journalism prison letters as well as his prison notebooks to provide a fresh approach to understanding his contemporary relevance in the current neoliberal world order Adam Morton examines in detail the themes of hegemony passive revolution and uneven development to provide a useful way of analysing the contemporary global political economy the project of neoliberalism processes of state formation and practices of resistance The book explores the theoretical and practical limitations of how Gramsci s ideas can be used today offering a broad insight into state formation and the international

factors shaping hegemony within a capitalist framework *Political Ideas in Modern India* Project of History of Indian Science, Philosophy, and Culture, 2006-03-31 The volumes of the Project on the History of Science Philosophy and Culture in Indian Civilization aim at discovering the main aspects of India's heritage and present them in an interrelated way In *Political Ideas in Modern India* an outstanding group of social and political theorists offers a creative reinterpretation of the ideas and principles that have shaped modern Indian society and state The ideas interpreted or analysed include rights freedoms equality social justice constitutional rule swaraj swadeshi satyagraha class war socialism Hindutva Hind Swaraj syncretic culture composite nationalism and international peace and justice *Scientific Statesmanship, Governance and the History of Political Philosophy* Kyriakos N. Demetriou, Antis Loizides, 2015-02-11 Over the centuries the question of good or effective governance has undergone several transformations and ramifications to fit within certain social cultural and historical contexts What defines political knowledge What is the measure of expert political leadership Various interpretations perspectives and reconceptualizations emerge as one moves from Plato to the present This edited book explores the relationship between political expertise which is defined as scientific statesmanship or governance and political leadership throughout the history of ideas An outstanding group of experts study and analyze the ideas of significant philosophers such as Plato Aristotle Augustine Machiavelli Hobbes Locke Montesquieu Kant Burke Comte and Weber among others The contributors aim to interpret these thinkers approaches to scientific statesmanship deepening our understanding of the idea itself and decoding its theoretical complexities In the face of the ongoing crisis of the traditional party system and the eroding structures within the new cultural financial and political environment in the era of globalization tracing the connection between Plato's idealist statesmanship to twentieth century modernist politics is an important and ever challenging enterprise one that promises to interest scholars of the history of western political thought philosophy classics and the classical tradition political science and sociology *Machiavelli Revisited* Joseph V. Femia, 2004 This work attempts to guide the reader through a maze of interpretations of Machiavelli's political opinions The author demonstrates that Machiavelli was an anti metaphysical empiricist who sought to free political thought from all theological preconceptions or residues by challenging the assumption that there exists some unifying pattern that prescribes their proper behaviour to all animate creatures *Hegemony* James Martin, 2022-04-27 Power rarely works by force alone it also rules by winning hearts and minds States classes and social groups all seek political dominance by exerting political ideological or cultural leadership over others This idea hegemony is a subtle complex one which is too often applied crudely In this succinct introduction political theorist James Martin skilfully examines these nuances and shines a new light on hegemony He introduces its component ideas and critically surveys the most influential thinking about hegemony from Gramsci's theory of hegemony as a revolutionary strategy and Marxist theories of the state politics and culture to the Post Marxist project of radical democracy He then considers the concept's critical role in analysing international politics and global political economy and evaluates the

criticism that hegemony is too state centric to truly capture the dynamics of contemporary struggles for emancipation This lucid and accessible guide to hegemony will be essential reading for all students of radical politics and social and political theory

Machiavellian Legacy Essays In Italian Political Thought Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Machiavellian Legacy Essays In Italian Political Thought PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Machiavellian Legacy Essays In Italian Political Thought PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Machiavellian Legacy Essays In Italian Political Thought free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Machiavellian Legacy Essays In Italian Political Thought Books

1. Where can I buy Machiavellian Legacy Essays In Italian Political Thought books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
