Methods that Teach Blanche McDonald, Leslie Weldemar Nelson, 1958      Methods for Teaching David Jacobsen, 1981

**Effective Teaching Methods** Gary D. Borich, 2007 The goal of this text is to prepare prospective teachers to meet the challenges of today's changing classrooms by providing effective practical research based practices in an accessible conversational style. Material is based on a quarter century of actual in classroom research that makes it possible to replace anecdotal suggestions for good teaching with solidly research grounded strategies empirically related to positive outcomes.

**The Psychology of Number and Its Applications to Methods of Teaching Arithmetic** James Alexander McLellan, John Dewey, 1895      Creative Teaching Methods Marlene D. LeFever, 1997-03 This book provides a step by step plan for effectively using drama role play music art and much more in the classroom to reach every one you teach. An outstanding resource for anyone involved with guiding and educating students of all ages.

**Modern Methods of Teaching English in Germany** James Nelson Fraser, 1906      **Teach Like a Champion** Doug Lemov, 2010-03-04 PLEASE NOTE THIS EDITION IS CURRENTLY OUT OF PRINT THERE IS A NEW EDITION AVAILABLE TEACH LIKE A CHAMPION 2.0 PLEASE SEE THE LINK FOR THAT PRODUCT ON THIS PAGE. Teach Like a Champion offers effective teaching techniques to help teachers especially those in their first few years become champions in the classroom. These powerful techniques are concrete specific and are easy to put into action the very next day. Training activities at the end of each chapter help the reader further their understanding through reflection and application of the ideas to their own practice. Among the techniques: Technique 1 No Opt Out How to move students from the blank stare or stubborn shrug to giving the right answer every time. Technique 35 Do It Again When students fail to successfully complete a basic task from entering the classroom quietly to passing papers around doing it again doing it right and doing it perfectly results in the best consequences. Technique 38 No Warnings If you're angry with your students it usually means you should be angry with yourself. This technique shows how to effectively address misbehaviors in your classroom. The print version includes a DVD of 25 video clips of teachers demonstrating the techniques in the classroom. E book customers please note that details on how to access the content from the DVD may be found in the e book Table of Contents. Please see the section How to Access DVD Contents.

Learning and Teaching Donald P. Kauchak, Paul D. Eggen, 1989 This substantially revised Fourth Edition represents one of the most up to date research based methods texts available today. This text has two specific goals to change how teachers think about teaching and to change how they actually teach. Solidly grounded in research the text describes practical methods in a clear readable manner with numerous case examples and offers suggestions for applying those methods in today's diverse school environments. Kauchak and Eggen organize their discussion around three important themes in education: diversity, motivation and technology.
