

METROPOLIS OF THE AMERICAN NILE

MEMPHIS & SHELBY COUNTY

An Illustrated History by John E. Hinkins

Metropolis Of The American Nile A History Of Memphis And Shelby County Tennessee

Bill Patton

Metropolis Of The American Nile A History Of Memphis And Shelby County Tennessee:

Metropolis of the American Nile John E. Harkins,1991 Historian John E Harkins skillfully presents the whole flow of Memphis Tennessee s epic past providing sound perspectives and contexts for understanding the social and economic factors of its development Numerous sidebars reflect intriguing personalities and events in the locale s history **Historic Shelby County** John E. Harkins,2008 **History Lover's Guide to Memphis & Shelby County, A** Bill Patton,2020 This tour of Memphis goes well beyond the traditional guidebook to offer a historical journey through the Home of the Blues Explore the city s African American heritage from Church Park to beautiful Mason Temple where Dr Martin Luther King Jr delivered his final prophetic speech Visit Court Square where a young Thomas Edison delighted children and adults with his popular invention the cockroach shocker Discover hidden gems like the nineteenth century dueling grounds on the banks of the Mississippi and a charming Depression era country store From Beale Street to the bluffs author Bill Patton traces the incomparable history of Memphis **Metropolis of the American Nile, Memphis & Shelby County** John E. Harkins,Charles Wann Crawford,1982 *Germantown during the Civil War Era* George C. Browder,2024-07-19 Germantown during the Civil War Era recounts the rise and fall of a nineteenth century Tennessee town a community that was not a typical antebellum town in the cotton belt It s a case study in how social economic and political changes affected them Black and White Before the Civil War Germantown had become a thriving cultural commercial and political center Its elite and middle class White families had full access to the cultural and social life of Memphis as well as local private academies and collegiate institutions that hosted enriching events Its appealing inns taverns and mineral springs allowed for festive social mixing of all classes As an emerging industrial and commercial center of a rich cotton growing district in the 1850s Germantown s decline after the war would have been unimaginable before the war Thus this monograph paints a picture of a vibrant community whose brilliancy was extinguished and almost entirely forgotten Yet Germantown s economic and political decline caused by a number of factors is not the most interesting part of its story Meticulously documented and richly illustrated with maps and data this book reveals the impacts of surviving a theater of guerrilla war of emancipation of social and political Reconstruction and a disastrous Yellow Fever epidemic on all of Germantown s people psychologically socially and culturally The damage struck far deeper than economic destruction and loss of life A peaceful and harmonious society crumbled Germantown during the Civil War Era is sure to be of interest not just to Shelby County residents or students of the Civil War but also to anyone interested in the racial and social history of the Volunteer state **The State of State History in Tennessee in 2012** Walter T. Durham,2012 *The Memphis Diary of Ida B. Wells* Ida B. Wells-Barnett,1995-10-31 Published for the first time in its century this meticulously edited contribution to the study of American women s diaries and late 19th century women s and black history Kirkus Reviews offers an intimate look at the hopes thoughts and day to day life of the young woman who would later become the celebrated civil rights activist and

antilynching crusader **Memphis Chronicles** John E. Harkins,2009-08-01 Take a break from the bustle of Poplar and Beale and enjoy this easy ride down memory lane recalling days when downtown gridlock was caused by streetcars and wagons and the Mid South was ruled by the likes of the Chickasaws Confederates King Cotton and Crump Few know Shelby County and its history like lifelong Memphian John E Harkins who expertly chronicles the city's unparalleled heritage and the individuals and groups who have kept its past alive through the decades Discover the origins of the yellow fever epidemic Memphis in May Elmwood Cemetery the heroes of Shelby County history and so much more in Memphis Chronicles

Notable Black Memphians Miriam DeCosta-Willis,2008 **American Civil War** Spencer C. Tucker,Paul G. Pierpaoli Jr.,2015-03-24 This two volume encyclopedia offers a unique insight into the Civil War from a state and local perspective showing how the American experience of the conflict varied significantly based on location Intended for general interest readers and high school and college students American Civil War A State by State Encyclopedia serves as a unique ready reference that documents the important contributions of each individual state to the American Civil War and underscores the similarities and differences between the states both in the North and the South Each state chapter leads off with an overview essay about that state's involvement in the war and then presents entries on prominent population centers manufacturing facilities and military posts within each state important battles or other notable events that occurred within that state during the war and key individuals from each state both civilian and military The A Z entries within each state chapter enable readers to understand how the specific contributions and political climate of states resulted in the very different situations each state found itself in throughout the war The set also provides a detailed chronology that will help students place important events in proper order **Alexis in America** Lee A. Farrow,2014-12-15 In the autumn of 1871 Alexis Romanov the fourth son of Tsar Alexander II of Russia set sail from his homeland for an extended journey through the United States and Canada A major milestone in U S Russia relations the tour also served Duke Alexis's family by helping to extricate him from an unsuitable romantic entanglement with the daughter of a poet Alexis in America recounts the duke's progress through the major American cities detailing his meetings with celebrated figures such as Samuel Morse and Henry Wadsworth Longfellow and describing the national self reflection that his presence spurred in the American people The first Russian royal ever to visit the United States Alexis received a tour through post Civil War America that emphasized the nation's cultural unity While the enthusiastic American media breathlessly reported every detail of his itinerary and entourage Alexis visited Niagara Falls participated in a bison hunt with Buffalo Bill Cody and attended the Krewe of Rex's first Mardi Gras parade in New Orleans As word of the royal visitor spread the public flocked to train depots and events across the nation to catch a glimpse of the grand duke Some speculated that Russia and America were considering a formal alliance while others surmised that he had come to the United States to find a bride The tour was not without incident many city officials balked at spending public funds on Alexis's reception and there were rumors of an assassination plot by Polish

nationals in New York City More broadly the visit highlighted problems on the national level such as political corruption and persistent racism as well as the emerging cultural and political power of ethnic minorities and the continuing sectionalism between the North and the South Lee Farrow joins her examination of these cultural underpinnings to a lively narrative of the grand duke's tour creating an engaging record of a unique moment in international relations **The West Tennessee Historical Society Papers** West Tennessee Historical Society, 2008 **Memphis** Beverly G. Bond, Janann Sherman, 2003-01-01 With a reputation as wide open as the waters of the Mississippi flowing past its bustling downtown district Memphis is a city of contrasts and contradictions From the darkness of epidemics and racial tension to its beacons of music and entrepreneurial success Memphis is a reflection of the true American experience For many years it was a community functioning almost as two separate societies yet the ties between the two create one resolute and dynamic city as it begins this new century **Memphis** John Dougan, 2003-09-01 Memphis has been described as both the Metropolis of the American Nile and a small town with a whole lot of people in it This volume of vintage photographs captures the unique mix of urban culture and rural roots in a community where great bridges and modern buildings tower within sight of cotton plantations In some 200 historic photographs accompanied by insightful captions Memphis traces the development of this truly American city From the age of steamboats that carried cotton lumber and industrial products throughout the Mississippi River Valley to modern networks of railroads and highways Memphis location on the Fourth Chickasaw Bluff has made the city a natural transportation and distribution center In spite of the devastating yellow fever epidemics of the 1870s and the disastrous floods of the twentieth century the commercial and cultural life of Memphis has flourished Action scenes of urban life depict the busy streets fine buildings beautiful parks and thriving commerce of pre World War II Memphis Within these pages the city's heritage and diversity are reflected in a variety of photographic essays including the annual Mid South Fair and Historic Beale Street Beale Street Dynasty: Sex, Song, and the Struggle for the Soul of Memphis Preston Lauterbach, 2015-03-30 All aspects of Beale Street's complex fascinating history are told with verve and vivid erudition Wall Street Journal Between Reconstruction and Prohibition Beale Street in Memphis thrived as a strip with a unique soul that reshaped American culture Preston Lauterbach recounts the rise and fall of Beale Street through the life of the South's first black millionaire an ex slave who built an underworld dynasty in the booming river town and created a space for black culture to flourish A thrilling narrative history Beale Street Dynasty tells an intriguing previously unknown story about race in an American city **No Depression in Heaven** Alison Collis Greene, 2016 A study of the inability of the churches to deal with the crisis of the Great Depression and the shift from church based aid to a federal welfare state *Tennessee Historical Quarterly*, 2000 Faulkner's Imperialism Taylor Hagood, 2008-11-15 In Faulkner's Imperialism Taylor Hagood explores two staples of Faulkner's world myth and place Using an interdisciplinary approach to examine the economic sociological and political factors in Faulkner's writing he applies postcolonial theory cultural materialism and the work of the New

Southernists to analyze the ways myth and place come together to encode narratives of imperialism and anti imperialism in the worlds in which Faulkner lived and the one that he created The resulting discussion highlights the deeply embedded imperial impulses underpinning not just Yoknapatawpha and Mississippi but the Midwest the Caribbean France and a host of often overlooked corners of the Faulknerian map Faulkner defines space in his fiction by creating places through culturally compelling narratives Although these narrative spaces often have imperial roots Hagood reveals how the oppressed can subvert these mythic places by turning the myths against their oppressors The Greco Roman myths long recognized as part of Faulkner s fictional world for example define racially hybrid spaces ostensibly designed to articulate white patriarchal narratives of imperial control but which actually carry within their very dreams of Arcady an anti imperial narrative In Faulkner s Mississippi Delta which he modeled after the Nile Delta plantation owners evoke the imperial power of ancient Egypt to confirm their own cultural ascendancy even while African Americans use biblical narratives of the Israelites enslaved in Egypt to speak against the power that controls them Faulkner also used places he personally experienced such as New Orleans a city that he recognized as containing multiple layers of imperial design to dramatize the constant struggle between the oppressor and the oppressed Rather than reading the roles of myth and place according to conventional myth criticism or typical place models used by other Faulkner scholars Hagood examines the intertextuality within Faulkner s writing as well as the relationship of his writing to others work in an attempt to understand how the texts fit together and speak to one another One of the few books that examine Faulkner s work as a whole Faulkner s Imperialism moves beyond South versus North paradigms to encompass all the spaces within Faulkner s created cosmos considering their interrelationships in a precise holistic way "Race, Representation & Photography in 19th-Century Memphis " EarnestineLovellev Jenkins,2017-07-05 Race Representation Photography in 19th Century Memphis from Slavery to Jim Crow presents a rich interpretation of African American visual culture Using Victorian era photographs engravings and pictorial illustrations from local and national archives this unique study examines intersections of race and image within the context of early African American communities It emphasizes black agency looking at how African Americans in Memphis manipulated the power of photography in the creation of free identities Blacks are at the center of a study that brings to light how wide ranging practices of photography were linked to racialized experiences in the American south following the Civil War Jenkins book connects the social history of photography with the fields of visual culture art history southern studies gender and critical race studies Memphis Larry E. McPherson,2002 Sweeping photographs portraying the rebirth and rise of modern Memphis Tennessee
