Like A Pelting Rain Roland Cap Ehlke,2018-04-10 When it comes to analyzing today s culture people talk about politics economics and even morals Like a Pelting Rain The Making of the Modern Mind goes deeper and looks at the spiritual condition of Western civilization How we arrived at where we are is the long and complex interplay of theology and culture Understanding the trends of the times does not necessitate accepting them God calls upon Christians to contend for the faith The Holy Spirit is still at work and the Gospel remains the power of God for the salvation of all who believe

Sublime Dreams of Living Machines Minsoo Kang,2011-02-14 From the dawn of European civilization to the twentieth century the automaton better known today as the robot has captured the Western imagination and provided a vital lens into the nature of humanity Historian Minsoo Kang argues that to properly understand the human as machine and the human as fundamentally different from machine we must trace the origins of these ideas and examine how they were transformed by intellectual cultural and artistic appearances of the automaton throughout the history of the West Kang tracks the first appearance of the automaton in ancient myths through the medieval and Renaissance periods marks the proliferation of the automaton as a central intellectual concept in the Scientific Revolution and the subsequent backlash during the Enlightenment and details appearances in Romantic literature and the introduction of the

living machine in the Industrial Age He concludes with a reflection on the destructive confrontation between humanity and machinery in the modern era and the reverberations of the humanity machinery theme today *Sublime Dreams of Living Machines* is an ambitious historical exploration and at heart an attempt to fully elucidate the rich and varied ways we have utilized our most uncanny creations to explore essential questions about ourselves *World Access* Kathryn Petras, Ross Petras, 1996-06-11 Presents information on the culture history and politics of the world outside the United States with lists charts chronologies and biographies discussing people and events from ancient times to the twentieth century **Tech-Noir** Paul Meehan, 2015-08-13 This critical study traces the common origins of film noir and science fiction films identifying the many instances in which the two have merged to form a distinctive subgenre known as Tech Noir From the German Expressionist cinema of the late 1920s to the present day cyberpunk movement the book examines more than 100 films in which the common noir elements of crime mystery surrealism and human perversity intersect with the high technology of science fiction The author also details the hybrid subgenre s considerable influences on contemporary music fashion and culture **German Film** Deutsche Kinemathek - Museum für Film und Fernsehen, 2024-10-23 Comprehensive German film history German Film From the Archives of the Deutsche Kinemathek offers a captivating journey through the history of German cinema from the earliest moving images of 1895 to the present day This richly illustrated volume opens the Deutsche Kinemathek s archives illuminating the artistic technical political and social developments that have shaped German film In twelve chapters over 420 essays tell the stories of both celebrated and lesser known films paying tribute to the creativity of the many personalities who continue to shape German cinema Featuring more than 2 700 items from unpublished photographs to historic film posters the book provides a unique look into a vital cultural heritage The Deutsche Kinemathek one of the world s leading institutions for preserving audiovisual history safeguards this piece of German film legacy for future generations A must have for film enthusiasts history buffs and fans of German cinema From the archives of the Deutsche Kinemathek A thoughtfully edited and beautifully produced heavyweight The standard reference on German film history The DEUTSCHE KINEMATHEK is one of the world s leading institutions for the collection preservation and presentation of audio visual heritage Hundreds of thousands of objects are permanently preserved in its archives and are available for research into film and television history In addition to scripts photos posters costumes and designs the collection also includes film equipment The Kinemathek curates film series and exhibitions and restores and digitizes films Its diverse activities including installations publications educational formats and conferences encourage visitors to discover the world of moving images Stefan Lorant Michael Hallett, 2005-12-05 Hungarian born Stefan Lorant s work as a visual and literary editor allowed him to pioneer and develop the genre of picture based journalism at a period that saw the emergence of modern mass communications Lorant became a guiding force on an international scale disseminating his ideas and political knowledge throughout Europe in the late twenties and thirties by working in Hungary Germany and England His innovative

layouts his exclusive interviews and his thirst for knowledge became a familiar part of millions of everyday lives largely through the pages of his own creations and in particular the legendary Picture Post Eventually his sphere of influence spread to America where he introduced the concept of the pictorial biography His vision of photography as a documentary medium inspired Life and Look magazines and paved the way for the eventual emergence of the television documentary For this he has become recognized as the godfather of photojournalism Lorant's work enlightened the world yet his own world was shrouded with darkness His secret past hidden throughout his lifetime reveals the changing attitude of sexual politics as it evolved throughout the century His serial womanizing and scandalous love affairs provide insight into the unhappy alliance between his sexual fulfillment and intellectual frustration his searching in others for what he could not find within himself Michael Hallett first interviewed Stefan Lorant in late 1990 and spent the following years researching and interviewing his subject Hallett examines Lorant's public image his huge ego his manipulative nature and his devious love of subterfuge and confusion Hallett also reveals Lorant's warmth his generosity his callousness his passions and his extraordinary humanity This biography encompasses the 20th century while focusing on the emergence of modern mass communications throughout Europe and the United States Additionally there is a small but key section that highlights Lorant's place in the world of photography
