Metropolis Its People Politics And Economic Life:

The Metropolis, Its People, Politics, and Economic Life John Constantinus Bollens, Henry J. Schmandt, 1982

Public Health Service Publication, 1969 Civic Virtues Richard Dagger, 1997-06-19 Although few want to deny their importance many political theorists have recently complained that too much weight is now attached to individual rights The result as they see it is an excessive individualism that blinds people to the needs of the community or state to which they belong We should be less concerned with our rights in their view and more concerned with our responsibilities Those who advance this view typically argue against liberalism In Civic Virtues the newest addition to the distinguished Oxford Political Theory series Richard Dagger takes a different approach Finding the proper relationship between rights and responsibilities requires us not to choose between liberalism and republicanism he argues but to unite them in a republican form of liberalism Is such a marriage of republicanism and liberalism possible Is it desirable Dagger demonstrates how republican liberalism proceeds from a fundamental right of autonomy to the recognition of interdependence and reciprocity and on to the cultivation of the civic virtues of the public spirited citizen Indeed republican liberalism promises not only to reconcile individual rights and civic duties but to enhance political deliberation and the sense of community as well **Governing**

Metropolitan Areas David K. Hamilton, 2014-04-24 Interest and research on regionalism has soared in the last decade Local governments in metropolitan areas and civic organizations are increasingly engaged in cooperative and collaborative public policy efforts to solve problems that stretch across urban centers and their surrounding suburbs Yet there remains scant attention in textbooks to the issues that arise in trying to address metropolitan governance Governing Metropolitan Areas describes and analyzes structure to understand the how and why of regionalism in our global age The book covers governmental institutions and their evolution to governance but with a continual focus on institutions David Hamilton provides the necessary comprehensive in depth description and analysis of how metropolitan areas and governments within metropolitan areas developed efforts to restructure and combine local governments and governance within the polycentric urban region This second edition is a major revision to update the scholarship and current thinking on regional governance While the text still provides background on the historical development and growth of urban areas and governments efforts to accommodate the growth of metropolitan areas this edition also focuses on current efforts to provide governance through cooperative and collaborative solutions There is also now extended treatment of how regional governance outside the United States has evolved and how other countries are approaching regional governance *Polycentricity and Local Public Economies* Michael Dean McGinnis, 1999 Theory and empirical work on the organization of metropolitan government

GOVERNING METROPOLITAN INDIANAPOLIS C. JAMES. WILLBERN OWEN (YORK.), 2021 *Governing Metropolitan Indianapolis* C. James Owen, York Willbern, 2023-04-28 *Catalog of Copyright Entries. Advisory Commission on Intergovernmental Relations,1973 Substate Regionalism and the Federal System United States. Advisory Commission on Intergovernmental Relations,1973 **American Political Science Research Guide** George W. Johnson,2012-12-06 The American Political Science Research Guide to their efforts Individuals in administration is a new series dealing generally with American positions will also find that the APSRG offers a means for keeping current on public can government and specifically with public administration state and local government policy questions despite the normal restrict the legislative and executive branches and tions of time and circumstance the judiciary The key to the entire program is the use of the data base of the Political Science Series of As an innovative idea the APSRG is an approach to political research which focuses upon a the Universal Reference System Combining ele single area within the discipline of political ments of the definitive URS Supplement and a science The first in a proposed series of refined indexing procedure the APSRG is pro softcover research guides the APSRG is reproduced under the supervision of the same schol sentative of the guiding principle of providing who develop that annual supplement *An Annotated Bibliography on Children* United States. Department of Health, Education, and Welfare. Library,1970 About 500 references published in the United States from about 1965 1970 Entries derived from books periodicals technical reports government documents legislative materials professional association publications and empirical studies Arranged alphabetically by authors No index *Intl Biblio Pol SC* 1965 International Committee for Social Science Information and Documentation,1966 First published in 1966 Routledge is an imprint of Taylor Francis an information company *City Politics, Canada* James Lightbody,2006-01-01 City Politics Canada will both irritate and please but it should be read it raises all the important questions about urban governance in Canada Caroline Andrew Centre on Governance University of Ottawa *Bibliography - U.S. Department of the Interior, Department Library* United States. Department of the Interior. Library,1967 **Readings on Natural Beauty** ,1967 Growth and Its Implications for the Future United States. Congress. House. Committee on Merchant Marine and Fisheries. Subcommittee on Fisheries and Wildlife Conservation and the Environment,1973 How States Shaped Postwar America Nicholas Dagen Bloom,2019-04-15 The history of public policy in postwar America tends to fixate on developments at the national level overlooking the crucial work done by individual states in the 1960s and 70s In this book Nicholas Dagen Bloom demonstrates the significant and enduring impact of activist states in five areas urban planning and redevelopment mass transit and highways higher education subsidized housing and the environment Bloom centers his story on the example set by New York governor Nelson Rockefeller whose aggressive initiatives on the pressing issues in that period inspired others and led to the establishment of long lived state policies in an age of decreasing federal power Metropolitan areas for both better and worse changed and operated differently because of sustained state action How States Shaped Postwar America uncovers the scope of this largely untold story **Governing Metropolitan Regions in the 21st Century** Donald Phares,2015-01-28 While government provides the structure of public leadership governance is the art of public leadership This timely book examines

current trends in metropolitan governance issues It analyzes specific cases from thirteen major metropolitan regions in the United States Canada and Mexico all woven together by an overall framework established in the first three chapters The distinguished contributors address such governance issues as city county consolidation local federal coordination annexation and special districting and private contracting with special attention to lessons learned from both successes and failures As urban governance innovations have clearly outpaced urban government structures in recent years the topics covered here are especially relevant **Intl Biblio Pol SC 1966** Blpes,1968-02 First published in 1968 Routledge is an imprint of Taylor Francis an informa company
