Metropolitan Life ; Social Studies: Social studies Fran Lebowitz,2003 Metropolitan Life and Social Studies Fran Lebowitz,2003 From the pen of Fran Lebowitz Special interest publications should realize that if they are attracting enough advertising and readers to make a profit the interest is not so special The opposite of talking isn't listening The opposite of talking is waiting Humility is no substitute for a good personality When you leave New York you are astonished at how clean the rest of the world is Clean is not enough If you are of the opinion that the contemplation of suicide is sufficient evidence of a poetic nature do not forget that actions speak louder than words I do not believe in God I believe in cashmere From a woman who considers herself a lazy writer and who once said Your life story would not make a good book Don't even try comes this new volume which brings back into print two of her most celebrated collections of essays Written in the tradition of Dorothy Parker Fran Lebowitz's hilariously acerbic Metropolitan Life and Social Studies are classics of their genre In them Lebowitz does what she does best caustically portraying the vicissitudes of contemporary urban life its fads trends crazes morals and fashions By turns ironic facetious deadpan sarcastic wry wisecracking and waggish she is always wickedly entertaining **Street Art, Street Life** Katherine A. Bussard,Frazer Ward,2008 Street Art Street Life examines the street as subject matter venue and source of inspiration for contemporary artists and photographers from the late 1950s to the present This unique volume includes street photography documentation of performance events and artworks presented in the street works using material from the street and examples of street culture Through works by almost thirty world renowned artists Street Art Street Life explores a range of themes related to the street as arena for political and cultural expression violence and crime gender roles in an urban context advertising and commerce and as counterpoint to museums and other traditional art venues Street Art Street Life is published on the occasion of an exhibition of the same name organized by international curator Lydia Yee New York ,2003 Strangers: The First ICP Triennial of Photography and Video, September 13 to November 30, 2003 International Center of Photography.
