How to Be an Adult in Love David Richo, 2014-01-07

We were made to love and be loved Loving ourselves and others is in our genetic code It's nothing other than the purpose of our lives but knowing that doesn't make it easy to do We may find it a challenge to love ourselves We may have a hard time letting love in from others We're often afraid of getting hurt It is also sometimes scary for us to share love with those around us and love that isn't shared leaves us feeling flat and unfulfilled David Richo provides the tools here for learning how to love in evolved adult ways beginning with getting past the barriers that keep us from loving ourselves then showing how we can learn to open to love others He provides wisdom from Buddhism psychology and a range of spiritual traditions along with a wealth of practices both for avoiding the pitfalls that can occur in love relationships and for enhancing the way love shows up in our lives He then leads us on to love's inevitable outcome developing a heart that loves universally and indiscriminately This transcendent and unconditional love isn't just for a heroic few Dave shows it's everyone's magnificent calling

Handbook of Mindfulness Ronald E. Purser, David Forbes, Adam Burke, 2016-10-25

This handbook explores mindfulness philosophy and practice as it functions in today's socioeconomic cultural and political landscape Chapters discuss the many ways in which classic concepts and practices of mindfulness clash converge and influence modern theories and methods and vice versa Experts across many disciplines address the secularization and commercialization of Buddhist concepts the medicalizing of mindfulness in therapies and progressive uses of mindfulness in education The book addresses the rise of the mindfulness movement and the core concerns behind the critiques of the growing popularity of mindfulness It covers a range of dichotomies such as traditional versus modern religious versus secular and commodification versus critical thought and probes beyond the East West binary to larger questions of economics philosophy ethics and ultimately meaning Featured topics include

Dalai Lama Following this recent trend in the West author James Coleman argues that a new and radically different form of this ancient faith is emerging The New Buddhism sheds new light on this recent evolution of Buddhist practice in the West After briefly recounting the beginnings and spread of Buddhism in the East Coleman chronicles its reinterpretation by key Western teachers in the nineteenth and twentieth centuries ranging from the British poet Sir Edwin Arnold to the Beat writer Alan Watts Turning to the contemporary scene he finds that Western teachers have borrowed liberally from different Buddhist traditions that never intersect in their original contexts Men and women practice together as equals ceremonies and rituals are simpler more direct and not believed to have magical effects Moreover the new Buddhism has made the path of meditation and spiritual awakening available to everyone not just an elite cadre of monks Drawing on interviews with noted teachers and lay practitioners as well as a survey completed by members of seven North American Buddhist centers Coleman depicts the colorful variety of new Buddhists today from dilettantes to devoted students and the dedicated teachers who guide their spiritual progress He also details the problems that have arisen because of some Western influences especially with regard to gender roles sex and power Exploring the appeal of this exotic faith in postmodern society and questioning its future in a global consumer culture The New Buddhism provides a thorough and fascinating guide to Western Buddhism today
