**The Bomb Maker** Thomas Perry, 2018-01-02 A twisty, timely and pulse pounding thriller from the New York Times bestselling author of the *Butcher's Boy* novels. Entertainment Weekly. A threat is called into the LAPD Bomb Squad and when tragedy ensues the fragmented unit turns to Dick Stahl, a former Bomb Squad commander who now operates his own private security company. Just returned from a tough job in Mexico, Stahl is at first reluctant to accept the offer but his sense of duty to the technicians he trained is too strong to turn it down. On his first day back at the head of the squad, Stahl's three person team is dispatched to a suspected car bomb. And it quickly becomes clear to him that they are dealing with an unusual mastermind, one whose intended target seems to be the Bomb Squad itself. As the shadowy organization sponsoring this campaign of violence puts increasing pressure on the bomb maker and Stahl becomes dangerously entangled with a member of his own team, the fuse on this high stakes plot only burns faster. *The Bomb Maker* is Thomas Perry's biggest, most unstoppable thriller yet. Plenty of character, plenty of emotion, plenty of insider expertise but most of all, plenty of irresistible momentum toward a fantastic climax. **Pursuit** Thomas

Perry,2001-12-18 Thirteen bodies are discovered inside a small Louisville restaurant just after closing time The ferocity and apparent randomness of the crime prompt the police to call in criminology professor Daniel Millikan they want a profile of the murderer Millikan determines that the crime was committed not by a psychopath but by a professional killer of consummate skill and total lack of feeling I think that the one who did it is one of the special cases He s somebody we can t afford to have walking down a street where our families walk When Millikan learns that the investigation has come to a complete standstill he commits himself to an unorthodox decision The only hope of stopping this killer and ending the bloodshed is to employ Roy Prescott an expert in the narrow specialty of hunting down murderers through methods the police can t and wouldn t use And so begins a stunning novel by Thomas Perry one of the most thoroughly satisfying writers around Lawrence Block a death match fought from one end of the country to the other by two enemies who both understand that only one of them will be alive at the end **Greene's Infectious Diseases of the Dog and Cat - E-Book** Jane E.
