with Geary s insertion as a senior officer in the country s military establishment he would be well placed to act as a CIA NOC
a spy with no official cover His mission was to covertly provide intelligence gathered through his unique friendships with the
general officers of the country s Navy Army and Air Force In possession of confidential compromising and possibly damaging
personal details the CIA believed that the military forces of the country could be neutralized if they were opposed to the
regime change that would be brought about through an orchestrated coup d etat planned and paid for by the Agency In
reward for his spying efforts the CIA offers substantial payments from a slush fund that will be paid through a numbered
bank account in an off shore jurisdiction Following his refusal to become a spy for the Agency they embark on a program to
discredit him and repeatedly attempted to kill him A Deep Throat emerges from the shadows of Washington who provides
information that leads to exposure of the CIA s nefarious activities through a CNN Cable News Network report Prevailing in
his lawsuit against the Government allowed him to tell the story of the CIA s Venezuelan Conspiracy brought about because

Mexico Nicholas Dagen Bloom,2006-05-09 Moving beyond the tequila soaked clich s of Mexican tourism this multifaceted
book explores the influence and experiences of Americans in Mexico since World War II The authors trace Mexico s growing
role as an important refuge for Americans seeking not only sun and fun but also an alternative cultural and social model And
on the other side of the border Mexican citizens and politicians have responded in creative and unexpected ways to growing
numbers of migrants from their northern neighbor Delving into the rich and varied worlds of political exiles students art
dealers retiree artist colonies and tourist zones this work illustrates why large numbers of Americans have been irresistibly
drawn to Mexico for the past sixty years Specialists in literature anthropology history and geography bring their unique
perspectives to the stories of both short and long term migrants Together their essays illuminate the complex goals and
impact of American tourism offering a fascinating interpretation to all those interested in modern Mexican history border
