Tenorio-Trillo, 2015-02-24 In this dazzling multidisciplinary tour of Mexico City Mauricio Tenorio Trillo focuses on the period 1880 to 1940 the decisive decades that shaped the city into what it is today Through a kaleidoscope of expository forms I Speak of the City connects the realms of literature architecture music popular language art and public health to investigate the city in a variety of contexts as a living history textbook as an expression of the state as a modernist capital as a laboratory and as language Tenorio's formal imagination allows the reader to revel in the free flowing richness of his narratives opening startling new vistas onto the urban experience From art to city planning from epidemiology to poetry this book challenges the conventional wisdom about both Mexico City and the turn of the century world to which it belonged And by engaging directly with the rise of modernism and the cultural experiences of such personalities as Hart Crane Mina Loy and Diego Rivera I Speak of the City will find an enthusiastic audience across the disciplines      **Old House Interiors**, 1998 National architectural magazine now in its fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays archival material events and exhibitions and book reviews round out the editorial Many readers claim the beautiful advertising all of it design related no lifestyle ads is as important to them as the articles

**Mexican Country Style, Pb** Karen Witynski, 2009-09 19 95 gatefold paper 1 58685 255 8 April 8 1 2 x 10 in 160 pp 140 Color Photographs 30 Black White Photographs Rights W DesignNow in paperback Mexican Country Style is the classic that helped launch the popular Mexican design revival Authors Karen Witynski and Joe P Carr navigated coastal villages and old colonial mining towns by bus and burro bumping down narrow cobblestone streets in search of simple and utilitarian elements like country tables workbenches storage trunks corral gates and heavy old doors Intrigued by the diversity they encountered the authors documented the wide variety in style design and shape of each object they encountered Weathered coffee mortars milking stools shaped like animals and sculptured sugar molds reflect a rich local history as well as the ingenuity of the hands that crafted them Mexican Country Style is the result of those fascinating journeys and boundless discoveries a celebration of a rugged romantic beauty and magical antiquity that continues to make its way into the

contemporary interiors gardens and commercial settings across the country Award winning authors Karen Witynski and Joe P Carr have been at the forefront of the Mexican design movement for over twenty five years as interior designers and antiques dealers Their Mexican design book series includes six titles Mexican Country Style The New Hacienda Casa Adobe Adobe Details Casa Yucatán and Mexican Details Based in Austin Texas Carr and Witynski are the owners of Texture Antiques an interior design firm and gallery specializing in hacienda style Mexican colonial furniture and architectural elements Their design work has been featured in Architectural Digest House Beautiful and dozens of other magazines and newspapers Individually Witynski photographs homes and gardens for national publications and Carr is a hacienda consultant and furniture designer

*Baths and Kitchens* Fernando de Haro Lebrija, 2005 The aim of this book is offering to its audience a selected variety of architectonic and design solutions for dressing two essential spaces within a home the bathroom and the kitchen These everyday corners are usually the scenario of some of the best moments in life From the kitchen where culinary secrets of a family are devised In the bathrooms behind their doors some of the most intimate moments are lived Thus their design deserves the complete attention from the homeowners The care devoted to every area will always translate into warmth comfort beauty and functionality It is within architects and designers reach true magicians of spaces that possibilities of a bathroom or a kitchen are unexpectedly magnified Such as the selection shown in this book Just take a look at the photographs included in every chapter based on design light and functionality and decide to enjoy a real tour through attractive visual experiences and solutions conceived by Mexican architects and designers

**The Mexican Border Cities** Daniel D. Arreola, 1994-02-01 From Matamoros to Tijuana Mexican border cities have long evoked for their neighbors to the north images of cheap tourist playgrounds and more recently industrial satellites of American industry These sensationalized and simplified perceptions fail to convey the complexity and diversity of urban form and function and of cultural personality that characterize these places The Mexican Border Cities draws on extensive field research to examine eighteen settlements along the 2 000 mile border ranging from towns of less than 10 000 people to dynamic metropolises of nearly a million The authors chronicle the cities growth and compare their urban structure analyzing them in terms of tourist districts commercial landscapes residential areas and industrial and transportation quarters Arreola and Curtis contend that despite their proximity to the United States the border cities are fundamentally Mexican places as distinguished by their cultural landscapes including town plan land use pattern and building fabric Their study richly illustrated with over 75 maps and photographs offers a provocative and insightful interpretation of the geographic anatomy and personality of these fascinating and rapidly changing communities

*Successful Restaurant Design* Regina S. Baraban, Joseph F. Durocher, 2010-02-02 An integrated approach to restaurant design incorporating front and back of the house operations Restaurant design plays a critical role in attracting and retaining customers At the same time design must facilitate food preparation and service Successful Restaurant Design shows how to incorporate your understanding of the restaurant's front and back of the house

operations into a design that meets the needs of the restaurant's owners, staff, and clientele. Moreover, it shows how an understanding of the restaurant's concept, market, and menu enables you to create a design that not only facilitates a seamless operation but also enhances the dining experience. This Third Edition has been thoroughly revised and updated with coverage of all the latest technological advances in restaurant operations. Specifically, the Third Edition offers all new case solutions of restaurant design were completed within five years prior to this edition's publication. The examples illustrate a variety of architectural, decorative, and operational solutions for many restaurant types and styles of service. All in-depth interviews with restaurant design experts are new to this edition. To gain insights into how various members of the design team think, the authors interviewed a mix of designers, architects, restaurateurs, and kitchen designers. New information on sustainable restaurant design throughout the book for both front and back of the house. New insights throughout the book about how new technologies and new generations of diners are impacting both front and back of the house design. The book closes with the authors' forecast of how restaurants will change and evolve over the next decade, with tips on how designers and architects can best accommodate those changes in their designs.

*Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1970     Interior Design, 1963     New York Magazine, 1974-07-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

The Los Angeles House, 1995 An authoritative and stylish survey of residential architecture and decoration in Los Angeles by the premier chronicler of the subject. Street Porter's beautifully composed photographs bring us into the most beautiful spaces in L.A., and his refreshingly lucid text provides an intelligent explanation of the houses presented. Full color photographs.
