Mexican Society During The Revolution:

Mexican Society During the Revolution John Rutherford, 1971 **The Purposes and Ideals of the Mexican Revolution** American Academy of Political and Social Science, Juan B. Rojo, 1917 Anti-Catholicism in the Mexican Revolution, 1913-1940 Jürgen Buchenau, David S. Dalton, 2024-12-01 Anti Catholicism in the Mexican Revolution 1913 1940 examines anti Catholic leaders and movements during the Mexican Revolution an era that resulted in a constitution denying the Church political rights Anti Catholic Mexicans recognized a common enemy in a politically active Church in a predominantly Catholic nation Many books have elucidated the popular roots and diversity of Roman Catholicism in Mexico but the perspective of the Church's adversaries has remained much less understood This volume provides a fresh perspective on the violent conflict between Catholics and the revolutionary state which was led by anti Catholics such as Plutarco Elías Calles who were bent on eradicating the influence of the Catholic Church in politics in the nation's educational system and in the national consciousness The zeal with which anti Catholics pursued their goals and the equal vigor with which Catholics defended their Church and their faith explains why the conflict between Catholics and anti Catholics turned violent culminating in the devastating Cristero Rebellion 1926 1929 Collecting essays by a team of senior scholars in history and cultural studies the book includes chapters on anti Catholic leaders and intellectuals movements promoting scientific education and anti alcohol campaigns muralism feminist activists and Mormons and Mennonites A concluding afterword by Matthew Butler a global authority on twentieth century Mexican religion provides a larger perspective on the themes of the book *The Mexican Revolution, Updated Edition* Louise Slavicek, 2021-09-01 The Mexican Revolution the deadliest social upheaval in Latin American history erupted in 1910 when political reformers peasants and exploited workers overthrew Mexico's longtime dictator Porfirio Díaz Although it took just six months for the rebels to defeat Díaz the revolution would grind on for almost another decade as a succession of political and military leaders many of them more interested in securing power for themselves than in helping Mexico's downtrodden masses vied for control By the time the revolution petered out in 1920 it had claimed more than a million Mexican lives and left the country's economy in shambles Yet it had also laid the groundwork for a series of far reaching social and economic reforms including the biggest redistribution of land in the history of the Americas Illustrated with full color and black and white photographs and accompanied by a chronology bibliography and further resources The Mexican Revolution Updated Edition provides a clear and comprehensive account of the social and political upheaval surrounding the revolution its major players and its lasting effects Historical spotlights and excerpts from primary source documents are also included *Faith and Impiety in Revolutionary Mexico* M. Butler, 2015-12-11 While Mexico's spiritual history after the 1910 Revolution is often essentialized as a church state power struggle this book reveals the complexity of interactions between revolution and religion Looking at anticlericalism indigenous cults and Catholic pilgrimage these authors reveal that the Revolution was a period of genuine religious change

as well as social upheaval *My Experiences as an American Diplomat during the Mexican Revolutions* Pasquale De Marco, 2025-05-07 *My Experiences as an American Diplomat during the Mexican Revolutions* offers a unique perspective on one of the most transformative events in Mexican history Drawing on firsthand accounts and historical analysis the book explores the political social and economic forces that shaped the Mexican Revolutions and examines the impact of the conflict on both the Mexican people and the international community In vivid detail the author recounts the rise and fall of revolutionary leaders the devastation of the Mexican countryside and the plight of the Mexican people The book also discusses the role of the United States in the conflict and the challenges of maintaining diplomatic relations in such a volatile environment Through a personal lens the author shares their own experiences and observations as a diplomat in Mexico during this tumultuous period They offer insights into the challenges and rewards of working to resolve conflict and promote peace in a time of great upheaval *My Experiences as an American Diplomat during the Mexican Revolutions* is not only a historical account but also a meditation on the human cost of war and the importance of diplomacy in resolving conflict It is a valuable resource for anyone interested in Mexican history international relations or the challenges of peacemaking in a complex and divided world This book is essential reading for Historians and scholars of Mexican history Students of international relations and diplomacy Anyone interested in the human cost of war and the importance of peacemaking General readers who want to learn more about one of the most important events in Mexican history If you like this book write a review on google books

The Mexican Revolution in Chicago John H Flores, 2018-03-21 Few realize that long before the political activism of the 1960s there existed a broad social movement in the United States spearheaded by a generation of Mexican immigrants inspired by the revolution in their homeland Many revolutionaries eschewed U S citizenship and have thus far been lost to history though they have much to teach us about the increasingly international world of today John H Flores follows this revolutionary generation of Mexican immigrants and the transnational movements they created in the United States Through a careful detailed study of Chicagoland the area in and around Chicago Flores examines how competing immigrant organizations raised funds joined labor unions and churches engaged the Spanish language media and appealed in their own ways to the dignity and unity of other Mexicans Painting portraits of liberals and radicals who drew support from the Mexican government and conservatives who found a homegrown American ally in the Roman Catholic Church Flores recovers a complex and little known political world shaped by events south of the U S border

Revolutionaries, Rebels and Robbers Pascale Baker, 2015-10-02 This volume delivers a comprehensive study of banditry in Latin America and of its cultural representation In its scope across the continent looking closely at nations where bandit culture has manifested itself forcefully Mexico the subject of the case study the Hispanic south west of the United States Argentina Brazil Venezuela and Cuba it imagines a Golden Age of banditry in Latin America from the mid nineteenth century to the 1940s when so called social bandits an idea first proposed by Eric Hobsbawm and further developed here

flourished In its content this work offers the most detailed and wide ranging study of its kind currently available [Access to History for the IB Diploma: The Mexican Revolution 1884-1940](#) Philip Benson,Yvonne Berliner,2014-03-07 Ensure your students have access to the authoritative in depth and accessible content of this series for the IB History Diploma This series for the IB History Diploma has taken the clarity accessibility reliability and in depth analysis of our best selling Access to History series and tailor made it to better fit the IB learner s needs Each title in the series provides depth of content focussed on specific topics in the IB History guide and examination guidance on different exam style questions helping students develop a good knowledge and understanding of the topic alongside the skills they need to do well Ensures students gain a good understanding of the IB History topic through an engaging in depth reliable and up to date narrative presented in an accessible way Helps students to understand historical issues and examine the evidence through providing a wealth of relevant sources and analysis of the historiography surrounding key debates Gives students guidance on answering exam style questions with model answers and practice questions *Mexico* Robert Ryal Miller,2015-01-26 This book is a skillful synthesis of Mexico s complex and colorful history from pre Columbian times to the present Utilizing his many years of research and teaching as well as his personal experience in Mexico the author incorporates recent archaeological evidence posits fresh interpretations and analyzes such current problems as foreign debt dependency on petroleum exports and providing education and employment for an expanding population Combining political events and social history in a smooth narrative the book describes events places and individuals the daily life of peasants and urban workers and touches on cultural topics including architecture art literature and music As a special feature each chapter contains excerpts from contemporary letters books decrees or poems firsthand accounts that lend historical flavor to the discussion of each era Mexico has an exciting history several Indian civilizations the Spanish conquest three colonial centuries during which there was a blending of Old World and New World cultures a decade of wars for independence the struggle of the young republic wars with the United States and France confrontation between the Indian president Ju rez and the Austrian born emperor Maximilian a long dictatorship under Diaz the Great Revolution that destroyed debt peonage confiscated Church property and reduced foreign economic power and the recent drive to modernize through industrialization Mexico A History will be an excellent college level textbook and good reading for the thousands of Americans who have visited Mexico and those who hope to visit *Fragments of a Golden Age* Gilbert M. Joseph,Anne Rubenstein,Eric Zolov,2001-06-29 The first cultural history of post 1940s Mexico to relate issues of representation and meaning to questions of power it includes essays on popular music unions TV tourism cinema wrestling and illustrated magazines *The Mexican Revolution* Douglas W. Richmond,Sam W. Haynes,2013-06-07 In 1910 insurgent leaders crushed the Porfirian dictatorship but in the years that followed fought among themselves until a nationalist consensus produced the 1917 Constitution This in turn provided the basis for a reform agenda that transformed Mexico in the modern era The civil war and the reforms that followed receive

new and insightful attention in this book These essays the result of the 45th annual Walter Prescott Webb Memorial Lectures presented by the University of Texas at Arlington in March 2010 commemorate the centennial of the outbreak of the revolution A potent mix of factors including the concentration of wealth in the hands of a few thousand hacienda owners rancheros and foreign capitalists the ideological conflict between the Diaz government and the dissident regional reformers and the grinding poverty afflicting the majority of the nation s eleven million industrial and rural laborers provided the volatile fuel that produced the first major political and social revolution of the twentieth century The conflagration soon swept across the Rio Grande indeed The Mexican Revolution shows clearly that the struggle in Mexico had tremendous implications for the American Southwest During the years of revolution hundreds of thousands of Mexican citizens crossed the border into the United States As a result the region experienced waves of ethnically motivated violence economic tensions and the mass expulsions of Mexicans and US citizens of Mexican descent

Breaking the Cycle of Structural Violence in Northern Mexico Juan Jaime Loera Gonzalez, Horacio Almanza Alcalde, 2024-12-16 Breaking the Cycle of Structural Violence in Northern Mexico Toward Integral Peace explores how large scale economic interests and local power dynamics all play a role in creating a climate of violence against women migrants and other stigmatized groups in Northern Mexico By using case studies and interviews Juan Jaime Loera Gonzalez and Horacio Almanza Alcalde analyze the asbestos industry s role in causing cancer structural gender violence the high levels of risk faced by migrants and how the government fails to address malnutrition among indigenous people This book investigates conditions and the manifestations of structural violence and illuminates how these issues interconnect and perpetuate systemic injustices This volume also offers a comprehensive framework for action by proposing strategies to dismantle oppressive structures and foster genuine peace

Mexicans in the Midwest, 1900-1932 Juan R. García, 1996-12-01 Early in this century a few Mexican migrants began streaming northward into the Midwest but by 1914 in response to the war in Europe and a booming U S economy the stream had become a flood Barely a generation later this so called Immigrant Generation of Mexicans was displaced and returned to the U S Southwest or to Mexico Drawing on both published works and archival materials this new study considers the many factors that affected the process of immigration as well as the development of communities in the region These include the internal forces of religion ethnic identity and a sense of nationalism as well as external influences such as economic factors discrimination and the vagaries of U S Mexico relations Here is a book that persuasively challenges many prevailing assumptions about Mexican people and the communities they established in the Midwest The author notes the commonalities and differences between Mexicans in that region and their compadres who settled elsewhere He further demonstrates that although Mexicans in the Midwest maintained a strong sense of cultural identity they were quick to adopt the consumer culture and other elements of U S life that met their needs Focusing on a people place and time rarely covered before now this wide ranging work will be welcomed by scholars and students of history sociology and Chicano studies General readers

interested in ethnic issues and the multicultural fabric of American society will find here a window to the past as well as new perspectives for understanding the present and the future

El Niño Fidencio and the Fidencistas Antonio Noé Zavaleta Ph.D.,2016-08-17 *El Nio Fidencio and the Fidencistas* Folk Religion on the U S Mexican Borderland is an biographical ethnography examining the life of Mexico's most famous folk healer as well as the folk religious healing cult that has followed him since his death in 1938 Dr Zavaleta examines curanderismo the transmigrational patterns of Mexicans in the United States as well as Latino social psychology and importance of folk beliefs and practices in their daily lives In 2009 Zavaleta's lifetime of research supporting Mexican nationals living abroad *Mexicanos en el Extranjero* earned him the prestigious Ohtli a Nahuatl Aztec word meaning pathfinder The Ohtli is regarded as the highest community minded awards which the Republic of Mexico bestows to non Mexican citizens for their service to Mexico In 2010 Zavaleta was appointed by President Obama to the Good Neighbor Environmental Commission of the EPA which reports directly to the President and dedicated to observing and analyzing ongoing events within the cross border eco systems of the United States Mexico borderlands Zavaleta studied anthropology at The University of Texas at Austin completing a doctoral degree in 1976 For the past 40 years he has been a faculty member and administrator at The University of Texas at Brownsville and Texas Southmost College and The University of Texas Rio Grande Valley Dr Zavaleta retired in 2016 and lives in Brownsville Texas

The Mexicans Floyd Merrell,2018-02-15 This book captures and reveals the intriguing complexities of daily life in Mexico from its artistic pursuits to its political and economic patterns It is of interest to students who during their professional career expect to come into contact with citizens of Mexican origin in the United States

Post-Revolutionary Chicana Literature Sam Lopez,2006-11-29 This book examines how Chicana literature in three genres memoir folklore and fiction arose at the turn of the twentieth century in the borderlands of the United States and Mexico Lopez examines three women writers and highlights their contributions to Chicana writing in its earliest years as well as their contributions to the genres in which they wrote The women Leonor Villegas de Magnán Jovita Idar and Josefina Niggli represent three powerful voices from which to gain a clearer understanding of women's lives and struggles during and after the Mexican Revolution and also offer surprising insights into women's active roles in border life and the revolution itself Readers are encouraged to rethink Chicana lives and expand their ideas of Chicana from a subset of the Chicano Movement of the 1960s to a vibrant and vigorous reality stretching back into the past

Angeles Mastretta Jane Elizabeth Lavery,2005 The first major study on the works of the Mexican novelist Angeles Mastretta demonstrating the rich complexity and range of the author's fiction and essays The Mexican novelist Angeles Mastretta b 1949 has only recently received serious critical attention largely because her work has been seen as popular and therefore inappropriate for academic study This first major work to be published on Mastretta seeks to demonstrate the rich complexity and range of the author's fiction and essays In the tradition of Post Boom Latin American women's writing Mastretta's texts are motivated by a desire to speak primarily of the silenced experiences and voices of

women Two of her novels referential and testimonial in style can be placed within the Mexican Revolutionary Novel tradition and explore the Revolutionary period and its consequences in the light of female experiences and perspectives The hitherto unexplored themes of female sexuality and bodily erotics in Mastretta s texts are also considered in this volume Her feminist works avoid facile simplifications heterogeneous and dialogical they interweave the historical and the fictional the everyday and the fantastic The originality of Mastretta s writing lies in its elusive postmodern ambiguities shimmering surfaces are often interrupted by unexpected depths and proliferating meanings cannot be fully circumscribed by critical analysis Jane Elizabeth Lavery lectures in Latin American Studies at the University of Kent Bulletin of the American Geographical Society American Geographical Society of New York, 1914 **The Women's Revolution in Mexico, 1910-1953** Stephanie Evaline Mitchell, Patience Alexandra Schell, 2007 This book reinvigorates the debate on the Mexican Revolution exploring what this pivotal event meant to women The contributors offer a fresh look at women s participation in their homes and workplaces and through politics and community activism Drawing on a variety of perspectives the volume illuminates the ways women variously accepted contested used and manipulated the revolutionary project Recovering narratives that have been virtually written out of the historical record this book brings us a rich and complex array of women s experiences in the revolutionary and post revolutionary era in Mexico
