Mexico Is Missing And Other Stories:

Mexico is Missing and Other Stories J. David Stevens, 2006 What's America to do when one day Mexico suddenly disappears That question asked by the title story in *Mexico Is Missing* sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President's golf game to well the President's penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in *Mexico Is Missing* will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you're laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket *Missing Notes, Hidden Talents, and Other Stories* Donald F. Averill, 2013-03-26 Love and mystery have a way of intertwining in unexpected ways in life In Donald Averill's short story collection he traces a journey through the lives of vibrant characters driven by love who suddenly find themselves in the midst of intriguing situations In *Missing Notes* a music department graduate student finds an intriguing composition in an old notebook and begins a search for the author When she and another student look for a missing notebook they find themselves implicated in a murder investigation The Canoe sees retired mathematician and widower Samuel Kelly recalling past experiences involving his family canoe after seeing a canoe for sale Following the sale of the canoe Sam and a former girlfriend rekindle an old relationship and get involved in a holdup In *Hidden Talents* Clay Coleman a young physician misses a turn and arrives at a secluded farm house where he is attacked Suffering from amnesia he works his way along Interstate 84 helping people with medical problems while his wife searches desperately for him A seven year old boy who thinks he is just living a normal life in 1949 soon realizes that the only way to find out any answers about his grandpa's past is to ask good questions in *The Pumpkin Tree* *Missing Notes* *Hidden Talents* and *Other Stories* shares four charming stories with important messages about perseverance courage and most importantly love **Where's My F*cking Latte (and Other Stories About Being an Assistant in Hollywood)** Mark Yoshimoto Nemcoff, The Kindle Bestselling book featured on TV's ACCESS HOLLYWOOD DIRTY LITTLE SECRETS Every movie and TV star has one So does

every agent and manager Some producers and studio execs have two or even three I m talking about an assistant Someone to answer your phones pick up your dry cleaning Someone to hide your drugs Your assistant knows what you eat who you re sleeping with and what medications you re taking They listen in on your phone calls They are the eyes and ears of Hollywood and occasionally they talk Culled from dozens of interviews with former and current Hollywood assistants Where s My F cking Latte is a no holds barred insider s look at what really goes on behind Tinseltown s closed doors PRAISE FOR WHERE S MY F CKING LATTE I can tell you firsthand that what goes on behind the scenes of Hollywood s glittering facade is usually shocking insane and full of sex offers Where s My F cking Latte perfectly captures the abusive and often hysterically unbelievable world of celebs and Tinseltown power brokers and the culture of excess and entitlement they live in Two thumbs WAY WAY UP Daniella Cracknell Publicist to many of TV s iconic stars from Dick Clark Howie Mandel Geraldo Rivera Mario Lopez to name a few ABOUT THE AUTHOR Mark Yoshimoto Nemcoff is a bestselling and award winning author living in Los Angeles who has been known to occasionally moonlight as a TV host voice over artist and rock journalist A professional composer of music for television for many years opportunity knocked and transformed him into a screen TV writer and author featured on Access Hollywood Then a podcast recorded in his car became a weeknightly drive time radio show on Sirius Sateillite Radio This led to a handsome feature in Playboy Magazine that compared Mark to Howard Stern and Jon Stewart

Lawrence,2002-08-08 These thirteen short stories were written between 1924 and 1928 Eleven were collected in *The Woman Who Rode Away* 1928 though *The Man Who Loved Islands* appeared in the American edition only and the other two in *The Lovely Lady* 1933 An unpublished fragment *A Pure Witch* is also included ***The Brick Moon; and Other Stories*** Edward Everett Hale,2023-08-28 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision [The Skull of Pancho Villa and Other Stories](#) Manuel Ramos,2015-03-31 Legend has it that Pancho Villa s grave was robbed and his head stolen in 1926 A gringo is credited with the theft but Gus Corral s great grandfather was there too As often happens to Chicanos his role was given short shrift But the Corral family has taken care of the skull for as long as Gus can remember It s a jolt when Panchito is stolen from his sister s house It s the only connection to the old timers of the family so Gus knows he will have to get to the bottom of the disappearance even if it means tangling with thieves and thugs A variety of characters writers attorneys Vietnam vets cops soldiers populate these stories in which situations frequently aren t what they seem An old man knows more about the disappearance of a neighbor than he lets on A barber is involved in something that brings a ski mask wearing gun toting hoodlum into his shop And a cop accused of using excessive force hasn t told his family the whole truth Many stories in this gripping collection feature Mexican Americans struggling with their circumstances as an ethnic minority in the United States Others cover historical events from the Mexican Revolution to an encounter with Jack Kerouac All spotlight

Ramos artistry and dexterity as he shifts from noir to historical and even fictional or flash fiction. Spanning his acclaimed writing career, this volume includes Ramos' first story published in 1986, *White Devils and Cockroaches*, which features an attorney who served as the prototype for Luis Montez, the protagonist in five of his award-winning novels. [UFOs Over Galisteo and Other Stories of New Mexico's History](#) Robert J. Tórréz, 2004. New Mexico's state archives offer a rich collection of documents from the Spanish, Mexican, and Territorial periods. Robert J. Tórréz has mined this collection to produce a series of thirty-six articles that give us an idea of the stark reality of everyday life: what ordinary people went through to feed and protect their families, keep warm, worship their God, deal with government bureaucracies, and enjoy a few of life's pleasures. Previously published in periodicals with small local circulation, these essays are now available to the broader audience they deserve. The essays are divided into five groups. Part 1, *Glimpses of Daily Life*, includes such topics as arranged marriages, conflicts over taxes and water, and weaving in New Mexico. Part 2, *Indian Relations*, shows us visits and battles with Navajo, Ute, and Pueblo people. Part 3, *Crime and Punishment*, comprises essays on hangings, poisonings, and outlaws. The Territorial Topics gathered in Part 4 is a mélange of entertainment, travel, and government matters, from the oddity of UFOs over Galisteo, in which a Chinese balloon seems to have made its way to New Mexico in 1880, to the arrival of stagecoaches, telegraphs, and a circus. Part 5 presents biographical sketches of seven famous and not-so-famous New Mexicans. In an extraordinary case from 1744, Juana Martínez, the wife of Joseph de Armijo, accused him of carrying on an affair with Getrudes de Segura. When the investigation was concluded, the offending couple was found guilty, and Getrudes was sentenced to exile at El Paso del Norte for four years. Armijo was allowed to remain in Santa Fe but was assessed the expenses of Getrudes's trip to El Paso. The formal sentence pointed out Armijo's failure to live up to his responsibilities as a husband and ordered him to live amicably with his wife during Getrudes's period of exile.

[UFOs Over Galisteo and Other Stories of New Mexico's History](#) **The Enkantatum: And Other Stories** a. a. clifford, 2024-02-10. What's the most frightening thing you've ever seen? a. a. clifford, the author of the *SexLife* novels, presents four short stories so frightening they will change the way you look at everything. **THE ENKANTATUM** In the mid-1950s, Ernest Hemingway, William Faulkner, Agatha Christie, and J. R. R. Tolkien battle an evil created from the very power of their imaginations. History is filled with the bizarre deaths of legendary writers. In this tale, we discover that these untimely deaths were not accidents but the work of a creature which has stalked the corridors of history since the beginning of time. And to defeat the beast, they must enlist the help of the only writer to be killed by the demon and survive. **PEOPLE V THE PRINCE OF DARKNESS** Prosecutor Henry McGill catches the most prolific serial killer in history. The man confesses to over 800 murders committed over his lifetime. But in the death penalty phase, the man pleads insanity by claiming that he is the Fallen Angel Satan and he can prove it. **THE WISH** A powerful alien lifeform comes to earth to destroy all mankind unless an exceptional boy can make a wish that changes one trait of human beings that will save us from our violent nature. **THE X OMNIA** A brilliant young professor lives on the edge of genius and insanity. His perception of reality is

changed when he discovers different species of animals are communicating via a universal language But when he goes to prove his theory he realizes either he is insane or man s time on earth is coming to an end

The War of the Fatties and Other Stories from Aztec History Salvador Novo,2014-12-15 In *The War of the Fatties* a campy tongue in cheek retelling of an episode from the Mexican Trojan War naked fat women from Tlatelolco discombobulate Tenochtitlan s invading army by squirting them with breast milk Told with satiric allusions to the policies and tactics used by Mexico s current ruling party PRI to consolidate its power the play unfolds a history of vain rivalry and decadence intricate political maneuvers corruption and unchecked ambition that determined the course of Mexican history for two centuries before the Spanish conquest Novo s other works in this collection *A Few Aspects of Sex among the Nahuas* *Ahu tzotl* and the *Magic Water Cuauht moc* Play in One Act *Cuauht moc* and *Eulalia A Dialogue* *Malinche and Carlota A Dialogue* and *In Ticit zcatl or The Enchanted Mirror* Opera in Two Acts represent nearly all of his Aztec related writings Taken together they provide a delightful introduction to Novo s later works and a light hearted historically accurate introduction to Aztec culture The text is supplemented by a glossary of Nahuatl terms notes on the historical characters and an introduction that provides historical background and places Novo s works within their cultural context

Incarcerated Stories Shannon Speed,2019-08-27 Indigenous women migrants from Central America and Mexico face harrowing experiences of violence before during and after their migration to the United States like all asylum seekers But as Shannon Speed argues the circumstances for Indigenous women are especially devastating given their disproportionate vulnerability to neoliberal economic and political policies and practices in Latin America and the United States including policing detention and human trafficking Speed dubs this vulnerability neoliberal multicriminalism and identifies its relation to settler structures of Indigenous dispossession and elimination Using innovative ethnographic practices to record and recount stories from Indigenous women in U S detention Speed demonstrates that these women s vulnerability to individual and state violence is not rooted in a failure to exercise agency Rather it is a structural condition created and reinforced by settler colonialism which consistently deploys racial and gender ideologies to manage the ongoing business of occupation and capitalist exploitation With sensitive narration and sophisticated analysis this book reveals the human consequences of state policy and practices throughout the Americas and adds vital new context for understanding the circumstances of migrants seeking asylum in the United States

A Massacre in Mexico Anabel Hernández,2020-07-14 The definitive account of the disappearance of forty three Mexican students On September 26 2014 a party of students from the Ayotzinapa Rural Teachers College were en route to a protest when intercepted by local police A confrontation ensued Come the morning the students were nowhere to be found The crime that had transpired and the resultant cover up brought the profound depths of corruption in the Mexican government and police force as well as the vulnerability of ordinary Mexicans into stark relief Investigative reporter Anabel Hernández reconstructs the terrible events of that night and its aftermath giving us the most complete picture available Her sources are unparalleled

In researching this book she secured access to internal government documents that have not been made public and to surveillance footage the government has tried to hide and destroy Hernandez demolishes the Mexican state's official version of events which the Peña Nieto government cynically dubbed the historic truth As her research shows state officials at all levels from police and prosecutors to the upper echelons of government conspired to put together a fake case concealing and manipulating evidence and arresting and torturing dozens of suspects procuring forced confessions to back up the official lie By following the role of the various Mexican state agencies through the events in such remarkable detail *A Massacre in Mexico* shows with exacting precision precisely who is responsible for this monumental crime and who needs to be held accountable *The Missing News* Robert A. Hackett, Richard S. Gruneau, Donald Gutstein, Canadian Centre for Policy Alternatives, Timothy A. Gibson, 2000-01-01 *The Missing News* explores the role of newspapers in North America's complex media environment as vehicles for democratic communication **Mexico** Jo Tuckman, 2012-07-03 In 2000 Mexico's long invincible Institutional Revolutionary Party PRI lost the presidential election to Vicente Fox of the National Action Party PAN The ensuing changeover after 71 years of PRI dominance was hailed as the beginning of a new era of hope for Mexico Yet the promises of the PAN victory were not consolidated In this vivid account of Mexico's recent history a journalist with extensive reporting experience investigates the nation's young democracy its shortcomings and achievements and why the PRI is favored to retake the presidency in 2012 Jo Tuckman reports on the murky terrifying world of Mexico's drug wars the counterproductive government strategy and the impact of U.S. policies She describes the reluctance and inability of politicians to seriously tackle rampant corruption environmental degradation pervasive poverty and acute inequality To make matters worse the influence of non-elected interest groups has grown and public trust in almost all institutions including the Catholic church is fading The pressure valve once presented by emigration is also closing Even so there are positive signs the critical media cannot be easily controlled and small but determined citizen groups notch up significant if partial victories for accountability While Mexico faces complex challenges that can often seem insurmountable Tuckman concludes the unflagging vitality and imagination of many in Mexico inspire hope for a better future *The Public Library Quarterly*, 1902

Mexico on Film Armida de la Garza, 2006-12-18 Given its features as a modern mass medium and thus closely related to the nation cinema has rightly been regarded as a privileged site for putting forward and contesting representations of national identity or in short as a main arena in which narratives of national identity are negotiated What do films such as *Amores Perros* or *Traffic* say about Mexican identity In what way could *Bread and Roses* or *The Crime of Padre Amaro* be part of its transformation This book looks at representations of the Mexicanity in Mexican cinema and also in Hollywood throughout the twentieth century and beyond arguing that the international context plays at least as important a role as ethnicity religion and language in the construction of images of the national self although it is seldom taken into account in theories of national identity The Mexican film may reveal much about Mexican society e.g. *Traffic* and the prevalence of drug

trafficking Bread and Roses and the problems of migration Amores Perros in relation to metaphors of the nation as an extended family The Crime of Father Amaro in discussing the changing position of the Catholic Church and Herod's Law a scathing critique to the political system that dominated Mexico for the best part of the 20th century Throughout the book emphasises the contingent nature of hegemonic representations and our ongoing need to tell and to listen to or indeed view stories that weave together a variety of strands to convincingly tell us who we are [The Kansas City Public Library Quarterly](#) Kansas City Public Library (Kansas City, Mo.),1904 *Cultural Representations of Femicidio at the US-Mexico Border* Nuala Finnegan,2018-07-18 Since the early 1990s the repeated murders of women from Ciudad Juarez Mexico have become something of a global cause celebre *Cultural Representations of Femicidio at the US Mexico Border* examines creative responses to these acts of violence It reveals how theatre art film fiction and other popular cultural forms seek to remember and mourn the female victims of violent death in the city at the same time as they interrogate the political legal and societal structures that produce the crimes Different chapters examine the varying art forms to engage with Ciudad Juarez's femicidal wave Finnegan discusses lex Rigola's theatrical adaptation of Roberto Bolaño's novel 2666 by Teatre Lliure in Barcelona as well as painting about the victims of femicidio by Irish painter Brian Maguire There is analysis of documentary film about Ciudad Juarez including Lourdes Portillo's acclaimed *Se orita Extraviada* 2001 The final chapter turns its attention to writing about femicide and examines testimonial and crime fiction narratives like the mystery novel *Desert Blood The Juarez Murders* by Alicia Gaspar de Alba among other examples By drawing on a range of artistic responses to the murders in Ciudad Juarez *Cultural Representations of Femicidio at the US Mexico Border* shows how art film theatre and fiction can unsettle official narratives about the crimes and undo the static paradigms that are frequently used to interpret them *Dancing Alone in Mexico* Ron Butler,2000 Ron Butler never dreamed Mexico would capture his heart and his soul However after crisscrossing the country he was seduced by its charms rhythms and melodies He goes off the beaten path in Acapulco and Cancun and walks in the footsteps of movie stars who have been enamored of this land south of the border Informative and helpful *Dancing Alone in Mexico* will help even seasoned travelers get the most out of their trips to Mexico [What's Missing?](#) Rena Pederson,2004-02-03 In *What's Next Inspiration for Women Seeking Faith and Joy in Their Lives* Rena Pederson helped thousands of women discover their own next step by looking to the lives of successful women famous and not so famous who redefined themselves in midlife Now in *What's Missing* she engages another group of women in a conversation on the nature of faith from various traditions to help you rediscover its importance in your own life From First Lady Laura Bush to singer Patti LaBelle and journalist Diane Sawyer the women interviewed have a spiritual foundation that has given them the strength to overcome obstacles and achieve success in their lives These women along with others from around the nation reveal how faith in its many forms helped them withstand life's pitfalls and emerge happier healthier and stronger *What's Missing* will help you examine what's missing from your life and how faith can give you direction Inside
