Mezhdunarodnye Otnosheniia Na Balkanakh 18301856 Gg

DJ Losen

Mezhdunarodnye Otnosheniia Na Balkanakh 1830-1856 Gg:

Russia's Balkan Entanglements, 1806-1914 Barbara Jelavich, 2004-03-11 This book examines the reason for the Russian involvement in the Balkan peninsula *New Perspectives on the Greek War of Independence* Yianni Cartledge, Andrekos Varnava, 2022-11-23 This book marks the 200 year anniversary of uprisings in the Ottoman Balkans between February and March 1821 which became known in the West as the beginnings of the Greek War of Independence 1821-1832 and led to the formation of the modern Greek state It explores the war and its impact on societies involved by delving into the myths that surround it the realities that have often been ignored or suppressed and its lasting legacies on national identities and histories It also explores memory and commemoration in Greece in other countries impacted and the Greek diaspora This book offers a fresh perspective on this pivotal event in Greek Ottoman Balkan Mediterranean European and world histories It presents new research and reflections to connect the war to wider history and to understand its importance across the last 200 years *The Origins of the Crimean War* David M. Goldfrank, 2014-06-11 The Crimean War 1853-56 between Russia Turkey Britain France and the Kingdom of Sardinia was a diplomatically preventable conflict for influence over an unstable Near and Middle East It could have broken out in any decade between Napoleon and Wilhelm II equally it need never have occurred In this masterly study based on massive archival research David Goldfrank argues that the European diplomatic roots of the war stretch far beyond the Eastern Question itself and shows how the domestic concerns of the participants contributed to the outbreak of hostilities *Balkanistica* , 2004 **The Revolutions in Europe, 1848-1849** Hartmut Pogge von Strandmann, Robert John Weston Evans, 2000 These essays arose out of lectures given in Oxford to commemorate the 150th anniversary of the 1848 revolutions in Europe Authoritative yet readable and colourful they comprise judicious summaries of the existing state of knowledge as well as new insights and unfamiliar information The book also seeks to place the revolutionary events in their wider context apart from chapters covering the main centres of disturbance in France Germany Italy and the Habsburg lands there are discussions of the situation in Britain and Russia which were affected but not convulsed by the disorders elsewhere of reactions in the United States of America of the symbolism of 1848 for the later democratic radical and socialist movements 1848 marked the first breakdown of traditional authority across much of the continent and as such is of profound significance in the development of modern European politics as a whole *Modern Greek Studies Yearbook* , 2001 The Supplement to The Modern Encyclopedia of Russian, Soviet and Eurasian History: Chicago world's fair, Russian presence at - Constitution of Armenia, 1945 George N. Rhyne, Bruce Friend Adams, 2005

Russian-Ottoman Relations in the Levant Theophilus Christopher Prousis, 2002 Russian Ottoman relations in the Levant the Dashkov archive draws on the virtually unknown Dashkov collection in the Russian State Historical Archive St Petersburg to examine key aspects of Imperial Russia's complex relationship with the Ottoman Empire in the first half of the nineteenth century Back cover *Bibliographic Guide to Soviet and East European Studies* , 1978 Russian and

Independent Greece Lucien J. Frary, 2003
