## **Mezhdunarodnyi Kommercheskii Arbitrazh:**

The Foundations of Russian Law Marianna Muravyeva, 2023-04-06 This accessible text explains how Russian law works in all its principal areas It elucidates the main concepts and frameworks behind Russian law and uses original legal sources and case law to explain how it operates in practice The contributors all of whom are leading experts on Russian law employ original research to further knowledge of the Russian legal profession legal culture judiciary and court systems providing a scholarly and practical account of Russian law for students and scholars alike It is essential reading for anyone seeking a deeper understanding of the subject     *Carriage of Goods by Sea in the Practice of the USSR Maritime Arbitration*

*Commission* Wim Albert Timmermans, 2023-11-27 This series critically examines issues of legal doctrine and practice in Central and Eastern Europe including studies on the harmonization of legal principles and rules the legal impact of the intertwining of domestic economies on the one hand with regional economies and the processes of international trade and investment on the other The series offers a forum for discussion of topical questions of public and private law from domestic regional and international perspectives Comparative research that provides insights in legal developments that can be communicated to those interested in questions not only of law but also of politics economics and of society of countries in the region also finds a home in the series For information about a related title visit the webpages of the Brill journal *Review of Central and East European Law*

**Russian Commercial Law** Hiroshi Oda, 2007-09-30 This is a new and substantially expanded edition of the author's *Russian Commercial Law 2001* which has become the standard resource in this area

Russia, Europe, and the Rule of Law F. J. Ferdinand Joseph Maria Feldbrugge, 2007 An international team of authors looks at the role law has played in the transformation of Russia and evaluates the legal achievements of the Putin administration against the background of Russia's changing relationship with Europe     International and National Law in

Russia and Eastern Europe Ferdinand J.M. Feldbrugge, Roger Clark, Stanislaw Pomorski, 2021-11-22 The disappearance of the USSR as a superpower to be replaced by the Russian Federation and a host of new states has had wide ranging consequences in the field of law The establishment of market economies and the need to set up institutional frameworks to foster the rule of law have precipitated comprehensive domestic law reforms in the countries concerned The major focus of the present work however is on the metamorphosis of the network of international law relations brought about by the fundamental change in the political and constitutional climate and the emergence of numerous new actors Apart from the relations between states as the classical province of international law the impact of international law on national legal orders has acquired overwhelming importance and the successor states of the Soviet Union have not escaped the effect of this development Some of the most urgent questions thrown up by these developments are analyzed by a team of leading legal specialists from the Russian Federation North America and Western Europe     **Soviet Commercial and Maritime**
