Padilla, 1997-02-24 Based on a three year ethnographic study of a class on the sociology of Latino a society this book tells the story of how the students navigated academic life in a predominantly white university to construct their own education Padilla weaves together journal entries his own experiences in education cultural analysis and theory to create a ric **Críticas**, 2004 *The Publishers Weekly*, 2005 **Beyond El Barrio** Gina M. Pérez, Frank Guridy, Adrian Burgos, 2010-10-27 Freighted with meaning el barrio is both place and metaphor for Latino populations in the United States Though it has symbolized both marginalization and robust and empowered communities the construct of el barrio has often reproduced static understandings of Latino life they fail to account for recent demographic shifts in urban centers such as New York Chicago Miami and Los Angeles and in areas outside of these historic communities Beyond El Barrio features new scholarship that critically interrogates how Latinos are portrayed in media public policy and popular culture as well as the material conditions in which different Latina o groups build meaningful communities both within and across national affiliations Drawing from history media studies cultural studies and anthropology the contributors illustrate how despite the hypervisibility of Latinos and Latin American immigrants in recent political debates and popular culture the daily lives of America s new majority minority remain largely invisible and mischaracterized Taken together these essays provide analyses that not only defy stubborn stereotypes but also present novel narratives of Latina o communities that do not fit within recognizable categories In this way this book helps us to move beyond el barrio beyond stereotype and stigmatizing tropes as well as nostalgic and uncritical portraits of complex and heterogeneous range of Latina o lives *That's why I Teach* Felix M. Padilla, 1997 **Sudden Fiction Latino** Robert Shapard, James Thomas, Ray Gonzalez, 2010-03-02 Following the success of the Flash Fiction and Sudden Fiction series editors Robert Shapard and James Thomas join with Ray Gonzalez in offering some of the best new and recent short short stories by U S Latino and Latin American writers Featuring an introduction by the much lauded Argentine writer Luisa Valenzuela Sudden Fiction Latino celebrates work from stars like Junot Diaz Sandra Cisneros and Roberto Bolfo masters like Gabriel Garcia Marquez Isabel Allende and Jorge Luis Borges and rising talents like Andrea Saenz Daniel Alarcon and Alicata Rodriguez From as little as half a page long to a few pages these stories are moving challenging humorous artful sometimes political and altogether spectacular and reveal significant distinctions and common ground between U S Latino and Latin American literature Book Jacket Contemporary Authors Tracey Watson, 2004-04 These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries A softcover cumulative index is published twice per year included in subscription Somos Tejanas! Marín, Norma E. Cantú, 2025-02-11 This anthology much like Norma Cantú's previous edited volume with us *Entre Guadalupe y Malinche Tejanas in Literature and Art* brings together an impressive collection of poets, writers, scholars, and artists. But whereas *Entre* was an anthology of primary source material such as art, poetry, and literature collected from the past century, *Somos Tejanas* brings together poets, writers, artists, and academics to share contributions that rethink what Tejana identity and Tejanidad is and could be as a scholarly field of study which they name Tejane studies and as a way of being for readers both in the classroom and the general public. There is a mixture of critical essays on culture including music, dance, and art alongside poetry and short stories offering nuanced texts rooted in Tejana culture. Part I includes poetry and personal narratives that explore the heterogeneity of Tejana identity. Part II focuses on cultural production and investigates the hidden transcripts of activism via cultural expression. Through the lens of these *movidas* or sociopolitical movements, they are able to take a fresh look at how music, dance, material culture, and storytelling identify them as Tejana. Part III considers the theme of resilience as a key aspect of Tejanidad in the past and present. Essays contemplate the history and memory of segregation in Texas and challenges to education in the past and present. Other essays take a historical look back at women's athletic participation in *La Liga Hispano Americana Femenina* and consider the struggles of surviving the historic winter storms and blackouts of 2021 during the COVID pandemic. Migration in and out of Texas is explored both in terms of the possibility of greater opportunities for Tejana women but also in terms of displacement as de-territorialized existences. For instance, in the personal essay *Crossing the Border to Better Times*, María Luisa Ornelas June's reminisces about the fluidity of border crossing that outlined her teenage years in Laredo that is no longer possible due to drug cartel violence in Mexico and the ever-tightening border restrictions in the U.S. The final section on artwork explores visual representations of Tejana embodiment in all of its unique forms.

Challenging Fronteras Mary Romero, Pierrette Hondagneu-Sotelo, Vilma Ortiz, 2014-06-11 *Challenging Fronteras* reflects an important new wave of research that moves beyond sweeping generalizations that treat Latinos as a monolithic cultural group. This anthology focuses on the diversity of Latino experiences by providing historical specificity and cutting-edge research that employs the conceptual and analytical tools of social science. Contributors selected from leading researchers in Latino Studies include Patricia Zavella, Suzanne Oboler, Alejandro Portes, Clara Rodríguez, Marta Tienda, Nestor Rodríguez, and others.

Latino Boom John S. Christie, José B. Gonzalez, 2006 *Latino Boom: An Anthology of U.S. Latino Literature* combines an engaging and diverse selection of Latino authors with tools for students to read, think, and write critically about these works. The first anthology of Latino literature to offer teachers and students a wide array of scholarly and pedagogical resources for class discussion and analysis, this thematically organized collection of fiction, poetry, drama, and essay presents a rich spectrum of literary styles. Providing complete works of Latino literature vs. excerpts written originally in English, the anthology juxtaposes well-known writers with emerging voices from diverse Latino communities, inviting students to examine Latino literature through a variety of lenses.
