task with Fidel Castro Fidel Castro My Life Cuba Alan West-Durán,2017-11-15 As American Cuban relations begin to warm tourists are rushing to discover the throwback tropical paradise just eighty miles off of the American coast But even as diplomatic relations are changing and the country opens up to the Western world Cuba remains a rare and fascinating place Cuba A Cultural History tells the story of Cuba s history through an exploration of its rich and vibrant culture Rather than offer a timeline of Cuban history or a traditional genre by genre history of Cuban culture Alan West Dur n invites readers to enter Cuban history from the perspective of the island s uniquely creative cultural forms He traces the restless island as it ebbs and flows with the power beauty and longings of its culture and history In a world where revolutionary socialism is an almost quaint reminder of the decades old Cold War the island nation remains one of the few on the planet guided by a Communist party still committed to fighting imperialism opposed to the injustices of globalization and wedded to the dream of one day building a classless society albeit in a distant future But as this book shows Cuba is more than a struggling socialist country it is a nation with a complex and turbulent history and a rich and varied culture The Saint of Santa Fe Sirias, Silvio,2015-03-12 In 1968 a young recently ordained Colombian priest leaves behind everything to start a new parish in the jungles of Panama Father Hector Gallego soon discovers that his parishioners live as indentured servants Inspired by liberation theology he sets into motion a plan to liberate them Father Gallegos is successful but his work places him on a collision course with General Omar Torrijos the nation s absolute ruler On January 9 1971 military operatives abduct the priest He is never seen or heard from again but he remains very much alive in the minds of Panamanians who still today clamor for his case to be brought to justice Although The Saint of Santa Fe is a work of fiction the novel is based on the real life experiences of Hector Gallego and the campesinos who worked alongside him to create a just society This sweeping novel tells many stories including that of Edilma the priest s sister who since age eleven has been searching for the meaning of his death The Saint of Santa Fe is a story of faith heroism and sacrifice that s reminiscent of Graham Greene s The Power and the Glory and Miguel de Unamuno s San Manuel Bueno m rtir *Women, guerrillas, and love [electronic resource]* Ileana Rodríguez,1996 The 14 chapters posit a regendering of revolutionary poetics which is accomplished by reworking concepts such as new man woman and subaltern The predictability of Rodríguez s arguments and dated historical referents do not detract from solid analyses like those in chapter eight regarding Mario Roberto Morales El esplendor de la pir amide and those in the next chapter on Oreamuno s La ruta de su evasi on The author focuses on her strength narratives from Cuba and her native Nicaragua Handbook of Latin American Studies v 58 **Hunter's Moon** Michael Diaz,2003-09-21 John McCade ex Special Forces turned spook is back in the jungles of Colombia South America in a race against time as he search for a DEA agent marked for death by the ruthless drug cartel run by Pablo Escobar It s a desperate race as John McCade and a crack team of Green Berets are pitted against a cunning and dangerous foe bent in murder and revenge Caught between a power hungry traitor and two revolutionaries lusting after her one woman struggled for survival in a world gone mad with

murder and passion Her only hope of coming out alive is John McCade hot on the trail of the men holding her fighting for the woman he loves as the Hunter s Moon shines over the land Panama Kevin Buckley,1992-08-15 Written by a seasoned journalist and updated to include Noriega s trial this account of U S involvement in Panama reads like a spy thriller Publishers Weekly Kevin Buckley shows that U S policymakers were fully aware of Noriega s drug trafficking activities and his association with the Medellin cocaine cartel when they worked with him *Hugo Chávez. Mi primera vida* Ignacio Ramonet,2014-04-02 Una apasionante reconstrucción de la vida de Hugo Chávez y de su desempeño como presidente de Venezuela a los diez años de su ascenso al poder elaborada a partir de cuatro largas entrevistas con el líder político en años

Graham Greene: Political Writer Michael G. Brennan,2016-03-23 Graham Greene remarked that politics are in the air we breathe like the presence or absence of a God The Other Man This study is the first to provide a detailed consideration of the impact of his political thought and involvements on his writings both fictional and factual It also offers the first detailed consideration of Greene s involvements in espionage and British intelligence from the 1920s until the late 1980s It incorporates material not only from his major fictions but also from his prolific journalism letters to the press private correspondence diaries and working manuscripts and typescripts as well as consideration of the diverse political involvements and writings of his extended family network It shows how the full range of Greene s writings was inspired and underpinned by his fascination with the essential human duality of political action and religious belief coupled with an insistent need as a writer to keep the political personal **La ruta del esqueleto** Ricardo E. Rodríguez,Ricardo E. Rodríguez Sifrés,2006 Cuba's Revolutionary World Jonathan C. Brown,2017-04-24 As Castro s democratic reform movement veered off course a revolution that seemed to signal the death knell of dictatorship in Latin America brought about its tragic opposite Jonathan C Brown examines in forensic detail how the turmoil that rocked a small Caribbean nation in the 1950s became one of the century s most transformative events Masters of War Clara Nieto,2011-01-04 In Masters of War Clara Nieto adeptly presents the parallel histories of the countries of Latin America histories that are intertwined each reflecting the United States coherent policy of intervention set into motion by the Monroe Doctrine As the value of this continued policy comes increasingly into question Nieto argues for the need to evaluate the alarming precedent set in Latin America the institution of client dictatorships the roles played by the interests of U S corporations the enormous tolls taken on civilian populations and the irreversible disruption of regional stability Drawing from an impressive array of documents and sources as well as from her unique first hand insights as a participant in crucial meetings and negotiations in the region from the mid 1960s through the mid 1980s Nieto chronicles the Cuban Revolution the CIA sponsored coup against popularly elected President Allende in Chile the U S invasions of Panama and Grenada U S support for the cultivation and training of paramilitary death squads in Nicaragua El Salvador and Colombia as well as similarly severe but less well known situations in other countries such as Uruguay Venezuela Argentina Peru Bolivia Honduras and Guatemala Masters of War offers from

an informed perspective perhaps for the first time a distanced objective analysis of recent Latin American history Clara Nieto's depth of knowledge and understanding is an invaluable resource at a time when the media is seen as unapologetically aligned with the interests of major corporations and policymakers and the American public has reached a new height of apprehension regarding the intentions behind and consequences of its government's policies **Gabriel García Márquez**

Gerald Martin, 2009-05-05 In this exhaustive and enlightening biography nearly two decades in the making Gerald Martin dexterously traces the life and times of one of the twentieth century's greatest literary titans Nobel Prize winner Gabriel García Márquez Martin chronicles the particulars of an extraordinary life from his upbringing in backwater Colombia and early journalism career to the publication of *One Hundred Years of Solitude* at age forty and the wealth and fame that followed Based on interviews with more than three hundred of García Márquez's closest friends family members fellow authors and detractors as well as the many hours Martin spent with Gabo himself the result is a revelation of both the writer and the man It is as gripping as any of Gabriel García Márquez's powerful journalism as enthralling as any of his acclaimed and beloved fiction **José Francisco Peña Gómez--internacional, socialdemócrata e inmortal** José Francisco Peña Gómez, 2001

Panamá Carlos Wynter Melo, 2017 El hilo conductor es la historia panameña Como marco para su pensamiento el autor delimita dos naciones panameñas El dique y El agua las cuales se entrelazan o se enfrentan En su recorrido muchas veces sinuoso pasa revista de lo que piensan los extranjeros del panameño como los xitos setenteros de Rubén Blades el lúxico de los istmeños Omar Torrijos Manuel Antonio Noriega y otras muchas particularidades de sus paisanos Finalmente examina a la luz de esta información lo que fueron los llamados Papeles de Panamá **TIEMPOS DE OSCURIDAD** Marcos Roitman

Rosenmann, 2017-10-04 Cuarenta años después del derrocamiento del gobierno de Salvador Allende en Chile la versión tradicional de golpe de Estado en América Latina ha pasado a mejor vida En el futuro será difícil ver carros de combate en las calles y aviones lanzando sus misiles a palacios presidenciales Hoy la técnica del golpe de Estado es practicada desde los despachos del poder industrial y financiero con la connivencia del parlamento o del poder judicial Son los llamados golpes constitucionales o golpes de mercado Sin embargo no fue así durante la Guerra Fría Desde mediados del siglo XX los gobiernos democráticos populares y antiimperialistas de América Latina sufrieron un ataque tras otro a sus derechos y libertades Avalados y promocionados desde los EEUU los golpes de Estado se sucedieron Las fuerzas armadas amparadas por la doctrina de la seguridad nacional asesinaron y torturaron impunemente buscando eliminar al subversivo comunista al enemigo interior que socavaba el orden y los intereses establecidos Este ensayo es un descarnado relato del anticomunismo en América Latina Es un texto que obliga a revisar el pasado de un continente sangrado por militares políticos e intereses comerciales un continente que ha batallado y batalla entre la libertad y la opresión **La vida alegre** Daniel

Centeno, 2020-11-27 Dalí soltó una risotada que bien pudo escucharse sin el micrófono Blandió las maracas y creyó ver pasar al fondo de la sala a una virgen María seguida de un tigre Una vieja gloria del bolero y un rockero frustrado se encuentran Dos

formas de ver el mundo convergen en un proyecto tan inverosímil como su sociedad que esperan los llevar a las mieles de esa gloria tan escurridiza. A ratos precario y cómico Dalio encontrar en el joven Poli al cómplice de su regreso a los escenarios sin importar los medios para lograrlo. La vida alegre es la radiografía de una amistad a la vez que un manual de supervivencia en clave narrativa es una historia que asienta la importancia de la música para paliar todos los naufragios de la vida misma. La enloquecida trama concebida por Daniel Centeno Maldonado y sus personajes esperpénticos provocan una saludable mezcla de risa y horror. Sandalio y Policarpo Quijote y Sancho picarescos de la maraca lenta, la canción romántica y la gloria pasada nos pasearán por nuestro continente y los seguiremos hechizados por esta escritura vertiginosa que recorre con cido desenfadado los patetismos de pocas pasadas y a la manera del gran Bulgakov retrata sin piedad ciertas realidades latinoamericanas.
