

A close-up photograph of two hands clasped together in a supportive grip. The hand in the foreground is darker-skinned and has bright blue nail polish on its fingers. The hand behind it is lighter-skinned. The background is a soft, out-of-focus landscape with warm, golden light, suggesting a sunset or sunrise. The overall mood is peaceful and hopeful.

Terrence Richburg,2013-06-18 So what do you do when this thing called life breaks down and falls apart at the seams What happens when all your efforts to cope only bring temporary peace and contentment in the face of certain failure How do you attempt to solve the puzzle and put all the pieces back together again Explore the true power of intimacy as experienced in contemporary life situations Examine its depth and dynamic application within human relationships and investigate why Gods view of intimacy is so essential both for today and for all eternity Enter the world of intimacy at your own risk you may just find exactly what youre looking for or you might just find precisely what you werent expecting Regrettably this weekend represented what had become somewhat of a perpetual routine for Chris and Amanda It began sometime agoan appointment of intrinsic fate habitual yet not apparent to them Even so with an air of understatement emerging on this particular weekend things would prove to be just a little different somehow for they were destined to live in the impossible Amanda and Christopher were about to encounter a miracle of incomparable proportions both independently and together This day of all days would prove to be the turning pointthe one day that would change their lives forever Like a rope tightly woven of thin silk strands of time and suspended reaction it all appears fragile at a glance and a stare But its strength may only be recognized through a blind touch in the dark **The Missing Peace** Laura Rhodes-Levin,2024-05-07 Readers want to understand that there is life beyond anxiety Happiness needs to be within their grasp *The Missing Peace* will show them how to touch it feel it and nurture their natural desires not those with which society burdens us Often said but true people need to learn to love themselves but the real question is how to love themselves How can they understand not to take the world and the other anxious people in it personally They must understand how fear is underneath their anger They long for acceptance but don t know how to accept themselves *The Missing Peace* will give them a roadmap to these vital concepts Scientifically anxiety is not a set of pre wired and uncontrollable buttons This book communicates how to understand these buttons who

installed them and how to unwire them It makes people feel better all around It goes beyond just not feeling anxious
 Practically The Missing Peace will show readers how to cultivate and nurture the core traits mattering most to them They will
 re parent themselves to well being vibrant energy and emotional stability and be shown there is just as much to nurture as
