Kelleher,2003-05 In the late sixties a serial killer calling himself the Zodiac terrorized the San Francisco Bay Area committing brutal random attacks and bragging about them in letters to the San Francisco Chronicle In Santa Rosa fifty miles to the north investigators Manny Bruin and Mick Millian were asked to tail potential suspect Byron Avion an odd portly man admittedly obsessed with the Zodiac He had other eccentricities as well not the least of which was his large collection of cardboard boxes carefully stacked and tied shut with white nylon rope But peculiar habits do not a criminal make that is not until the bodies of young female hitchhikers began appearing in ditches

tied up with white nylon rope That and a dozen other connections convinced Bruin and Millian that Avion was the Highway 101 Murderer a Zodiac style killer who prowled the Santa Rosa area Despite the connections a decade long investigation was unable to connect Avion to the crimes or connect Zodiac to the northern murders Bruin and Millian eventually became so frustrated that they dubbed Avion Suspect Zero and hoped for something to break the case open When that break finally came it re wrote the book on homicide investigations and forever changed the direction of each man s life Minutes and Votes and Proceedings of the Parliament, with Papers Presented to Both Houses Western Australia. Parliament,1928 31 *Murders* Alvin A.J. Esau,2024-02-20 Many decades before Ted Bundy roamed the country there was serial killer Earle Nelson During the 1920s this geographically mobile killer went from city to city His modus operandi involved getting into a house by pretending to be a person looking for a room to rent or inspecting a house that was for sale and then strangling the landlady often followed by having sex with the dead body Robbery was frequently a secondary motive After Nelson was captured in Canada in 1927 it was commonly reported that he had killed 21 women and a baby during the 1926 27 period But were these the only cases linked to him The author examines an additional nine unsolved murders of landladies two of which have never been dealt with in previous literature Based on decades of archival research the author examines all 31 murders relying on primary sources when available and a wide variety of secondary sources For each murder the book provides biographical sketches of the victim outlines the police investigation and the various suspects and covers any subsequent attempts to link Nelson to the crime by identification evidence of witnesses or by fingerprints The Murder of Colonel Hoang Thuy Nam, Chief of the Vietnamese Mission in Charge of Relations with the International Commission for Control Vietnam,1962
