Micah Justice And Loyalty:

Micah Juan I. Alfaro,1989-06-19 As the most forceful biblical proponent of the ideals of justice loyalty and kindness Micah holds special appeal for those who are concerned about the powerlessness of the poor and humble In this commentary Juan Alfaro examines the prophecies of Micah as they address both the internal and the external crises that faced Judah in the eighth century B C Throughout his exposition Alfaro stresses that Micah does not belong to a dead past rather Micah s challenging message of judgment and hope calls for change and conversion in our world today Justice and Loyalty Juan I. Friendship of the Lord Deryck Sheriffs,2004-09-07 Does the religious experience of Israelites mean anything to us today Or does it apply more to the rituals prayers and myths of the ancient Near East than to our world Was Israelite spirituality so rooted in its culture that it will not transplant Or can we graft its shoots of faith and its struggle with life into our contemporary spirituality with integrity What happens when we look at a relationship with God through the lens of the Old Testament Does the Old Testament open a window on what it means to be human now These are the issues addressed in this survey It looks at what it means to see life as a journey walked with God It explores the fear of the Lord biblical meditation and confronting God in anger It focuses on life's mundaneness and its absurdity It analyses guilt true and false and restoration through forgiveness It asks whether Israel's experience of time passing the calendar of seasons and the rhythm of life offer today's urban commuters memos for their diaries Deryck Sheriff's concern to bridge the divide has led him to write a book on the Old Testament which moves from the world of academic biblical studies into the realm of contemporary spirituality **Old Testament Commentary Survey** Tremper Longman,2007 Provides pastors and students with expert

Inhabiting the Church Jon R. Stock, Tim Otto, Jonathan Wilson-Hartgrove, 2006-11-01 If the church is more than just a building what could it mean to live in it to inhabit it as a way of life From their location in new monastic communities Otto Stock and Wilson Hartgrove ask what the church can learn from St Benedict's vows of conversion obedience and stability about how to live as the people of God in the world In story telling and serious engagement with Scripture old wisdom breathes life into a new monasticism But like all monastic wisdom these reflections are not just for monks They speak directly to the challenge of being the church in America today and the good news Christ offers for the whole world
