## **Michael Ein Jugendbuch Fuer Die Infantilgesellschaft:**

Michael. Ein Jugendbuch für die Infantilgesellschaft. (Erstausg.) Elfriede Jelinek, 1972 *The Representation of War in German Literature* Elisabeth Krimmer, 2010-06-10 The history of literature about war is marked by a fundamental paradox although war forms the subject of countless novels dramas poems and films it is often conceived as indescribable Even as many writers strive towards an ideal of authenticity they maintain that no representation can do justice to the terror and violence of war Readings of Schiller Kleist J nger Remarque Grass B ll Handke and Jelinek reveal that stylistic and aesthetic features gender discourses and concepts of agency and victimization can all undermine a text s martial stance or its ostensible pacifist agenda Spanning the period from the Revolutionary and Napoleonic Wars to the recent wars in Yugoslavia and Iraq this book investigates the aesthetic theoretical and historical challenges that confront writers of war **Michael**

Elfriede Jelinek, 1979 The Feminist Encyclopedia of German Literature Friederike Eigler, Susanne Kord, 1997-02-28 Today a multiplicity of feminist approaches has become an integral part of the fields of German literary and cultural studies This comprehensive reference provides a much needed synthesis of the contribution women have made to German literature and culture In entries for more than 500 topics the volume surveys literary periods epochs and genres critical approaches and theories important authors and works female stereotypes laws and historical developments literary concepts and themes and organizations and archives relevant to women and women s studies Each entry offers a concise identification of the term a discussion of its significance and a bibliography of works for further reading Today a multiplicity of feminist approaches has become an integral part of the fields of German literary and cultural studies While biographical works on women writers exist this is the first reference to synthesize the wealth of feminist scholarship in German studies While existing reference works focus exclusively on women authors this volume contains numerous topical entries and covers the role of women in German literature and culture from the Middle Ages to the present day Included are alphabetically arranged entries on more than 500 topics While some entries are provided for important women writers and other individuals the bulk of the volume provides information on literary periods epochs and genres critical approaches and theories female stereotypes laws and historical developments literary concepts and themes and organizations and archives relevant to women and women s studies Each entry includes a brief identification of the subject a discussion of feminist thought on the topic and a brief bibliography Entries are written by numerous contributors and reflect a range of critical theoretical approaches *Sexual Culture in Germany in the 1970s* Janin Afken, Benedikt Wolf, 2019-12-11 This book is the first attempt to present a comprehensive picture of LGBT culture in the two German states in the 1970s Starting from the common view of the decade between the moderation of the German anti sodomy law in 1968 East and 1969 West and the first documented case of AIDS 1982 as a golden age for queer politics and culture this edited collection traces the way this impression has been shaped by cultural production The chapters ask What exactly made the 1970s a legendary decade What was its revolutionary potential and what

were its path breaking political and aesthetic strategies Which elements movements and memories had to be marginalized in order to facilitate the historical construction of the legendary decade Exploring the complex picture of gay lesbian and to a lesser extent trans cultures from this time the volume provides fascinating insights into both canonized and marginalized texts and films from and about the decade

**Contemporary Jewish Writing in Austria** Dagmar C. G. Lorenz, 1999-01-01 Devoted to collecting the finest Jewish writing from around the world the Jewish Writing in the Contemporary World series consists of anthologies by country that are designed to present to the English speaking world authors and works deserving international consideration As a series the books permit a broad examination of the international crosscurrents in Jewish thought and culture Contemporary Jewish Writing in Austria presents a gathering of writers from several generations who have published a remarkable range of works in recent decades The result is a diverse portrait of Jewish experience in Austria since the Second World War Dagmar C G Lorenz has assembled an extraordinary roster of literary talents ranging from authors born in the early decades of this century to writers born after the Shoah The volume maps a complex tradition of Jewish discourse marked by a profound awareness of the literary past by the failure of a long anticipated Austrian Jewish symbiosis and by the unparalleled tragedy of the Shoah It is a modern tradition that has made an essential contribution to Austria s literary history while remaining in Lorenz s words distinct and unassimilated
