MICHAEL SCHUMACHER

By the summer of 1995 Michael Schumacher – once regarded as a correct and polite young German – had become one of the most controversial sportsmen in the world. Almost daily he was embroiled in torments, traumas and triumphs as he defended his Formula 1 World Championship. Here is his full story, from starting racing as a lad in karts, to being described recently by former World Champion Niki Lauda as 'the talent of the century'.

The second edition of Christopher Hilton's best-selling book details the start of the 1995 season, and charts in full Schumacher's highly contentious 1994 Championship, culminating in the crash with his arch rival Damon Hill which brought him the title in the very last race. It dissects the anguish of that year when it seemed that Schumacher and his Benetton would swamp the Championship after the death of Ayrton Senna, and follows him through the nightmare of controversy, rancour and race bans.

Told with an urgency that mirrors the edge-of-the-seat drama of the events themselves, the story includes fascinating insights in Schumacher's own words and those of the people who helped him, and competed against him. Christopher Hilton, a top motorsport author, has written well-received biographies on Ayrton Senna, Nigel Mansell, Gerhard Berger, and James Hunt.

Michael Schumacher at high speed Fabricio Sales Silva,2025-04-01 You know I m often asked what it takes to win Some think it s talent Others luck And there are those who believe that the secret is in the machine in the car in the engine But the truth is that winning goes far beyond that Winning for me has always been a matter of spirit A quiet commitment to excellence An agreement you make with yourself to give everything you have even when no one is looking even when the whole world doubts you I was called cold calculating They said I thought like an engineer and piloted like a predator Perhaps they are right I liked to understand every detail of the car to feel every vibration every strange noise as if the car spoke to me And when you respect what you do so much perfection is not a destiny it is an obligation But don t think it was easy I faced losses accidents judgments mistakes I made mistakes Many But I learned that falling is part of the path and that getting up always is a choice Life is like that A race full of invisible obstacles Sometimes you start last Sometimes the tire goes flat the weather changes the engine fails But if you stay focused if you believe that every difficult corner is part of building something bigger then sooner or later you ll see the chequered flag waving at you
