An Opera Bibliography, 1995

Operas of Michael Tippett Michael Tippett, 2018-01-01 Although it is impossible to trace any one particular theme running through the operas of Michael Tippett the libretti of his four operas are fascinating to compare The dense allusions of *The Midsummer Marriage* 1955 here annotated gave way to the classical formality of *King Priam* 1962 the psychoanalytical preoccupations of *The Knot Garden*

1970 hardly foreshadow the contemporary political commentary of *The Ice Break* 1977 Each work breaks new ground and provokes unexpected responses The libretti offer unique introductions to the music and throw a searching light on the direction of British theatre since 1945 Contents Operas contained in this volume *The Midsummer Marriage* King Priam *The Knot Garden* *The Ice Break* Introduction Meirion Bowen *A Ritual of Renewal* Paul Driver *A Visionary Night* John Lloyd Davies Music for an Epic Andrew Clements *A Tempest of Our Time* Meirion Bowen *Stereotypes and Rebirth* Leslie East

Historical Dictionary of Choral Music Melvin P. Unger, 2023-08-14 A Library Journal Starred Review March 2024 praises the book as a remarkable resource that will please both musical professionals and amateurs along with teachers and their students and conductors and singers Throughout the ages people have wanted to sing in a communal context This desire apparently stems from a deeply rooted human instinct Consequently choral performance historically has often been related to human rituals and ceremonies especially rites of a religious nature *Historical Dictionary of Choral Music* Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 300 cross referenced entries on composers conductors choral ensembles choral genres and choral repertoire This book is an excellent resource for students researchers and anyone wanting to know more about choral music *Careers in Music Librarianship II* Paula Elliot, Linda Blair, 2004-02-09 Following in the footsteps of *Careers in Music Librarianship* MLA 1990 this resource examines the profession as it responds to these changes without losing sight of the human element within it *Spirituals* Kathleen A. Abromeit, 2015-01-01 *Spirituals* originated among enslaved Africans in America during the colonial era They resonate throughout African American history from that time to the civil rights movement from the cotton fields to the concert stage and influenced everything from gospel music to blues and rap They have offered solace in times of suffering served as clandestine signals on the Underground Railroad and been a source of celebration and religious inspiration *Spirituals* are born from the womb of African American experience yet they transcend national disciplinary and linguistic boundaries as they connect music theology literature and poetry history society and education In doing so they reach every aspect of human experience To make sense of the immense impact spirituals have made on music culture and society this bibliography cites writings from a multidisciplinary perspective This annotated bibliography documents articles books and dissertations published since 1902 Of those 150 are books 80 are chapters within books 615 are journal articles and 150 are dissertations along with a selection of highly significant items published before 1920 The most recent publications included date from early 2014 Disciplines researched include music literature and poetry American history religion and African American Studies Items included in the annotated bibliography are limited to English language sources that were published in the United States and focus on African American spirituals in the United States but there are a few select citations that focus on spirituals outside of the United States Of the one thousand annotations they are divided roughly evenly between general studies and geographical studies information about early spirituals use of spirituals in art music church music and

popular music composers who based music on spirituals performers of spirituals ensembles and individuals Bible theology and religious education literature and poetry pedagogical considerations including the teaching of spirituals as well as prominent educators reference works and a list of resources that were unavailable for review but are potentially useful This book also offers considerable depth on particular topics such as the Fisk Jubilee Singers and William Grant Still with over thirty citations devoted to each At the same time materials included are quite diverse with topics such as spirituals in Zora Neale Hurston s novels bible studies based on spirituals enriching the teaching of geography through spirituals Marian Anderson s historic concert at the Lincoln Memorial spiritual roots of rap teaching dialect to singers expressing African American religion in spirituals Samuel Coleridge Taylor s music slave tradition of singing among the Gullah The book contains indices by author subject and spiritual title Additionally an appendix of spirituals by biblical reference listing both spiritual title to scriptural reference as well as scripture to spiritual title is included T L Collins Christian educator compiled the appendix
