## **Michal Kalecki 1899-1970 Pioneers In Economics:**

*Pioneers in economics*. 39 :. Sect. 4, *Twentieth century economics*. Michal Kalecki (1899 - 1970) Mark Blaug, 1992 The fourth volume in the final section of the Pioneers in Economics series This section of the series offers an assessment of significant economists of the 20th century and this volume deals with Michal Kalecki

**Handbook of Alternative Theories of Economic Development** Erik S. Reinert, Jayati Ghosh, Rainer Kattel, 2016-09-28 The Handbook of Alternative Theories of Economic Development explores the theories and approaches which over a prolonged period of time have existed as viable alternatives to today's mainstream and neo-classical tenets With a total of 40 specially commissioned chapters written by the foremost authorities in their respective fields this volume represents a landmark in the field of economic development It elucidates the richness of the alternative and sometimes misunderstood ideas which in different historical contexts have proved to be vital to the improvement of the human condition The subject matter is approached from several complementary perspectives From a historical angle the Handbook charts the mercantilist and cameralist theories that emerged from the Renaissance and developed further during the Enlightenment From a geographical angle it includes chapters on African Chinese Indian and Muslim approaches to economic development Different schools are also explored and discussed including nineteenth century US development theory Marxist Schumpeterian Latin American structuralism regulation theory and world systems theories of development In addition the Handbook has chapters on important events and institutions including The League of Nations The Havana Charter and UNCTAD as well as on particularly influential development economists Contemporary topics such as the role of finance feminism the agrarian issue and ecology and the environment are also covered in depth This comprehensive Handbook offers an unrivalled review and analysis of alternative and heterodox theories of economic development It should be read by all serious scholars teachers and students of development studies and indeed anyone interested in alternatives to development orthodoxy

*Pioneers in economics* Mark Blaug, 1992 The eighth volume in the final section of the Pioneers in Economics series This section of the series offers an assessment of significant economists of the 20th century and this volume deals with Bertil Ohlin

*Irving Fisher* Robert W. Dimand, 2019-03-29 Acclaimed by Joseph Schumpeter as The greatest economist the United States has ever produced this book examines the life and work of American economist and statistician Irving Fisher 1867-1947 Fisher's reputation suffered for decades after his incorrect predictions for the stock market in October 1929 and the impact of Keynesian macroeconomics but the importance of his work came to be recognized through the advocacy of many prestigious scholars including Milton Friedman Hyman Minsky and James Tobin With pivotal contributions including his Debt Deflation Theory Fisher Diagram and Ideal Index Number his research in neoclassical economics influenced policymaking in his own day as well as during the recent financial crisis This volume will be of interest to all those interested in the twentieth century transformation of economics

Pluralistic Economics and Its History Ajit Sinha, Alex M. Thomas, 2019-05-24 This volume is a

history of economics as it was interpreted discussed and established as a discipline in the 20th century It highlights the pluralism of the discipline and brings together leading voices in the field who reflect on their lifelong work The chapters draw on a host of traditions of economic thought including pre classical classical Marxian neoclassical Sraffian post Keynesian Cantabrigian and institutionalist traditions in economics Further the volume also looks at the history of economics in India and its evolution as a discipline since the country s independence This book will appeal to students researchers and teachers of economics and intellectual history as well as to the interested general reader *Poland, 1918-1945* Peter D. Stachura,2004 Poland 1918 1945 is a challenging revisionist analysis and interpretation supported by documentary evidence of a crucial and controversial period in Poland s recent history **Poland, 1918-1945** Peter Stachura,2004-06-17 Based on extensive range of Polish British German Jewish and Ukranian primary and secondary sources this work provides an objective appraisal of the inter war period Peter Stachura demonstrates how the Republic overcame giant obstacles at home and abroad to achieve consolidation as an independent state in the early 1920s made relative economic progress created a coherent social order produced an outstanding cultural scene advanced educational opportunity and adopted constructive and even handed policies towards its ethnic minorities Without denying the defeats suffered by the Republic Peter Stachura demonstrates that the fate of Poland after 1945 with the imposition of an unwanted Soviet dominated Communist system was thoroughly undeserved *Post-Keynesian Theories of the Firm* Nobantu L. Mbeki,2023-04-07 Within Post Keynesian economics there is a spectrum of approaches to theories of the firm but what they have in common to their great benefit is a proper integration of the concept of radical uncertainty data that cannot be known This book revisits Kalecki s theory of the firm is located to show that it constitutes fertile theoretical ground on which to systematically understand the resultant indeterminacy when firms operate under conditions of radical uncertainty The author proposes a way of generalising radical uncertainty by integrating some of the separate approaches within Post Keynesian economics centred around Kalecki s work Through this it is shown that radical uncertainty does more than just change the ultimate motivation of firms dropping short run profit maximisation more complex motivation interconnectivity with the environment it is central to the emergence existence and motivation of firms and critically also firm strategy It is argued that firms do not simply respond to uncertainty it is the systematic cause of their intentional behaviour Through developing these arguments the book also contributes to the methodology of Kalecki and Shackle as well as Kaleckian price theory This book will be important reading for anyone interested in theories of the firm Post Keynesian economics and heterodox approaches to economics more broadly

Business Cycle Theory, Part II Volume 8 Mauro Boianovsky,2024-10-28 In the mid nineteenth century the business cycle was increasingly recognised as a recurrent phenomenon This edition contains key texts from the range of literature in the field *Polish Marxism after Luxemburg* Jan Toporowski,2022-12-09 In Polish Marxism after Luxemburg Jan Toporowski and leading experts offer a unique and insightful overview of Polish political economic ideas since the early 20th century

building an introduction to some key themes and figurehead political economists      **Book Review: The General Theory of Employment, Interest and Money by John M. Keynes** 50Minutes,2018-01-04 It can be hard for busy professionals to find the time to read the latest books Stay up to date in a fraction of the time with this concise guide The General Theory of Employment Interest and Money by John Maynard Keynes was first published in 1936 and had a lasting impact on both economic theory and state economic policies Keynes s primary aim was to challenge certain aspects of classical economics which were accepted as fact at the time namely Say s law which states that supply will create its own demand and the assumption that free markets automatically tend towards full employment Keynes introduced several revolutionary concepts in this book including effective demand the propensity to consume the investment multiplier and the liquidity preference to support his arguments in favour of greater state interventionism as a response to financial crises This book review and analysis is perfect for Anyone interested in the history of economic theory particularly macroeconomics Anyone who wants to understand the aims of state intervention in the financial market Students of or anyone interested in modern politics and economics About 50MINUTES COM BOOK REVIEW The Book Review series from the 50Minutes collection is aimed at anyone who is looking to learn from experts in their field without spending hours reading endless pages of information Our reviews present a concise summary of the main points of each book as well as providing context different perspectives and concrete examples to illustrate the key concepts      **Index of Economic Articles in Journals and Collective Volumes** American Economic Association,1996      **Index of Economic Articles in Journals and Collective Volumes** ,1992

**Rosa Luxemburg** T. Kowalik,2014-12-17 The purpose of this translated volume Tadeusz Kowalik s book is to examine Rosa Luxemburg s contribution to economic theory The essential subject matter is the dependence of capital accumulation on effective demand the dependence of economic growth on specific capitalist barriers to growth      **Subject Guide to Books in Print** ,2001      **Journal of Economic Literature** ,1993      The Political Junkie Handbook Michael Crane,2004 This easy to use book is designed to inform the American public about the political system that influences much of their lives      **Heart of Europe** Norman Davies,2001-05-31 The image of Poland has once again been impressed on European consciousness Norman Davies provides a key to understanding the modern Polish crisis in this lucid and authoritative description of the nation s history Beginning with the period since 1945 he travels back in time to highlight the long term themes and traditions which have influenced present attitudes His evocative account reveals Poland as the heart of Europe in more than the geographical sense It is a country where Europe s ideological conflicts are played out in their most acute form as recent events have emphasized Poland s fate is of vital concern to European civilization as a whole This revised and updated edition tackles and analyses the issues arising from the fall of the Eastern Block and looks at Poland s future within a political climate of democracy and free market      The British National Bibliography Arthur James Wells,1993      **Books in Print** ,1991
