Michel Foucault And The Politics Of Freedom Modernity And Political Thought:

Michel Foucault and the Politics of Freedom Thomas L. Dumm, 2002 This edition of a 1995 book Sage Publications contains a new introduction by the series editor and a new preface Readers familiar with Foucault's work will appreciate the difficulty in critically studying its arresting paradoxical nature Dumm political science Amherst College negotiates the problem by creating a thematic framework the idea of being free in a modern Western capitalist democracy and examining it through a Foucaultian lens He focuses on the politics of freedom negative freedom the disciplinary society ethics seduction governments and provides an enlightening companion to Foucault's postmodern philosophy Annotation copyrighted by Book News Inc Portland OR

Michel Foucault and the Politics of Freedom Thomas L. Dumm, 2002-04-03 What is freedom In this study Thomas Dumm challenges the conventions that have governed discussions and debates concerning modern freedom by bringing the work of Michel Foucault into dialogue with contemporary liberal thought While Foucault has been widely understood to have characterized the modern era as being opposed to the realization of freedom Dumm shows how this characterization conflates Foucault's genealogy of discipline with his overall view of the practices of being free Dumm demonstrates how Foucault's critical genealogy does not shrink from understanding the ways in which modern subjects are constrained and shaped by forces greater than themselves but how it instead works through these constraints to provide not simply a vision of liberation but a joyous wisdom concerned with showing us in his words that we are much freer than we feel Both as an introduction to Foucault and as an intervention in liberal theory Michel Foucault and the Politics of Freedom is bound to change how we think about the limits and possibilities of freedom in late modernity

Michel Foucault and the Politics of Freedom Thomas L. Morality and Modernity Ross Poole, 2012-11-12 Ross Poole displays the social content of the various conceptions of morality at work in contemporary society and casts a strikingly fresh light on such fundamental problems as the place of reason in ethics moral objectivity and the distinction between duty and virtue The book provides a critical account of the moral theories of a number of major philosophers including Kant Marx Nietzsche Habermas Rawls Gewirth and MacIntyre It also presents a systematic critique of three of the most significant responses to modernity liberalism nationalism and nihilism It takes seriously the suggestion that men and women are subject to different conceptions of morality and places the issue of gender at the centre of moral philosophy Poole has written a valuable addition to the Ideas series

Thoreau's Nature

Jane Bennett, 2002-04-03 *Thoreau's Nature Ethics Politics and the Wild* explores how Thoreau crafted a life open to the Wild a term that marks the startling element of foreignness in every object of experience however familiar Thoreau's encounters with nature Bennett argues allowed him to resist his all too human tendency toward intellectual laziness social conformity and political complacency Bennett pursues this theme by constructing a series of dialogues between Thoreau and our contemporaries Foucault on identity and power Haraway on the nature culture of division Hollywood celebrities on the Walden Woods Project the National Endowment for the Humanities on politics and art and Kafka on the question of political idealism The pertinence to the late 20th century of Thoreau's pursuit of independent judgment ecological foresight and moral nobility becomes apparent through these engagements **The Oxford Handbook of Political Theory** John S

Dryzek, Bonnie Honig, Anne Phillips, 2008-06-12 *Oxford Handbooks of Political Science* are the essential guide to the state of political science today With engaging contributions from 51 major international scholars the *Oxford Handbook of Political Theory* provides the key point of reference for anyone working in political theory and beyond John Rawls J. Donald Moon, 2014-08-26 Donald Moon's *John Rawls Liberalism and the Challenges of Late Modernity* is distinguished not only by the originality of its contribution to the literature on one of the most important political philosophers of the 20th century but for an argument that will be accessible to students as well as scholars of justice and its complex array of controversial issues at the heart of our hyper modern globalized world Rawls's work is often viewed primarily through the lens of liberal theories of social justice focusing on issues of income distribution and economic inequality Moon allows for a more complete understanding of Rawls' legacy by setting his account of social justice in the context of modern and increasingly pluralistic democracies Moon's reading of Rawls shows how his work breaks with political theory's traditional aspiration to provide a general theory of politics including a theory of justice which can be rationally vindicated Instead Rawls views theorizing as itself a practical political form of engagement which offers a specifically political conception of justice and political principles more generally that speak to the conditions of modern democratic citizens **On the Use and Abuse of Foucault for**

Politics Brent Pickett, 2005-01-01 Sensitive to the discontinuities in Foucault's thought neither critical nor slavishly devotional *On the Use and Abuse of Foucault for Politics* demonstrates how Foucault is relevant for contemporary democratic theory Beginning with a discussion of the interrelated ideas of power and resistance Brent Pickett provides an interpretation of Foucault's political philosophy including a comprehensive overview of the reasons for various conflicting interpretations and then explores how well the different Foucaults can be used in progressive politics Accessible and insightful *On the Use and Abuse of Foucault for Politics* is valuable for specialists in Foucault and for students of postmodern and democratic theory alike **Edmund Burke** Stephen K. White, 2002 *Edmund Burke Modernity Politics and Aesthetics* examines the philosophy of Burke in view of its contribution to our understanding of modernity Stephen K White argues that Burke shows us how modernity engenders an implicit forgetfulness of human finitude White illustrates this theme by showing how Burke's

political thought his judgment of the modern system of morality and policy and its taste for a false sublime are structured by his aesthetics *Western Political Thought* Robert Eccleshall, Michael Kenny, 1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability

Lincoln Steven Johnston, 2018-08-16 The judgment that Abraham Lincoln is the finest president in the history of the United States borders on self evident This status tends to disable the very possibility of a more critical understanding or appreciation one that does not work explicitly or implicitly within the taken for granted frame of his greatness Still America is not blind to or ignorant of Lincoln s shortcomings Rather it is in part because of these shortcomings that Lincoln is revered Thus if the country needs to legitimize a problematic course of action it is Lincoln to whom it turns Lincoln America reminds itself suspended habeas corpus jailed political opponents suppressed speech held racist views and pursued racist policies The Lincoln that America idealizes is a thoroughly ambiguous figure Simultaneously the country tends to downplay or conveniently overlook the underside of Lincoln part of a larger political pattern in which it proclaims its exceptionalism while indulging the very worst as it conducts its political affairs It is time to take Lincoln s ambiguity seriously which might put America in position to recognize that one reason it routinely falls short of its democratic principles and commitments is that it may not just like Lincoln fully believe in them In *Lincoln The Ambiguous Icon* Steven Johnston explores Lincoln s complicated political thought and practice reinterpreting the Gettysburg Address the Second Inaugural and some of the many manifestations of Lincoln in film monuments and memorials that conceal but also reveal the terrible ambiguity of this marginally understood American figure **The Reluctant Modernism of Hannah Arendt** Seyla Benhabib, 2003

Interpreting the work of one of the most influential thinkers of the 20th century *The Reluctant Modernism of Hannah Arendt* rereads Arendt s political philosophy in light of newly gained insights into the historico cultural background of her work Arguing against the standard interpretation of Hannah Arendt as an anti modernist lover of the Greek polis author Seyla Benhabib contends that Arendt s thought emerges out of a double legacy German Existenz philosophy particularly the thought of Martin Heidegger and her experiences as a German Jewess in the age of totalitarianism This important volume reconsiders Arendt s theory of modernity her concept of the public sphere her distinction between the social and the political her theory of totalitarianism and her critique of the modern nation state including her life long involvement with Jewish and Israeli politics Vocations of Political Theory Jason A. Frank, John Tambornino, Content Description pt 1 Invoking political theory Political theory from vocation to invocation Sheldon S Wolin pt 2 Theorizing loss Specters and angels at the end of history Wendy Brown The politics of nostalgia and theories of loss J Peter Euben pt 3 Thinking in time Can theorists make time for belief Russell Arben Fox The history of political thought as a vocation a pragmatist defense David Paul Mandell pt 4 The politics of ordinary life Political theory for losers Thomas L Dumm Feminism s flight from the ordinary Linda M B Zerilli

pt 5 Political knowledge Conceptions of science in political theory a tale of cloaks and daggers Mark B Brown Political theory as a provocation an ethos of political theory Lon Troyer Gramsci organic intellectuals and cultural studies lessons for political theorists Shane Gunster pt 6 Practicing political theory Reading the body hobbes body politics and the task of political theory Samantha Frost Work shame and the chain gang the new civic education Jill Locke The nobility of democracy William E Connolly

Emerson and Self-reliance George Kateb, 2002 This reprint is distinguished by a new preface reconsidering Emerson's *Nature* a work that goes undiscussed in the text proper Kateb moves toward the notion that Emerson's divinization of humanity renders the balance with nature lost its mute appeal denied Nonetheless Kateb politics Princeton U views Emerson as a radical for his commitment to individualism as an ideal suitable for democracy Emerson calls it self reliance and Kateb distinguishes between the mental and active kinds suggesting Emerson elevates intellectual independence above independence of character and practical achievement Nietzsche is held up as Emerson's best reader Kateb aspiring to a reading of Emerson friendly to Nietzsche's interests Annotation copyrighted by Book News Inc Portland OR

Rorty, Public Reason, and Modernity's Crisis of Critique Ivan Marquez, 2024-11-12 Starting with Richard Rorty's critique of reason this book discusses modernity's legitimation crisis in political discourse Rorty *Public Reason and Modernity's Crisis of Critique* explores the contemporary crisis of rational justification and collective will formation in our current political institutions and the public sphere arguing that there is an array of untapped rational resources that should be deployed to justify social political and economic views agendas and programs It also identifies limits to the powers of public reason to generate rational agreement and collective will formation Using a critical analysis of Rorty's non foundationalist perspective as a vehicle to study modernity's project of rational critique Ivan Marquez highlights both the strengths and promise and the weaknesses and limitations of liberal and democratic societies especially within pluralistic socio cultural contexts and some possible ways to work within this space of possibilities and constraints Ultimately this book can be seen as elaborating a political epistemology view that argues for a redefinition of philosophy and defends a type of post metaphysical culture

Aquinas and Modernity Shadia B. Drury, 2008-05-16 In this startling book Drury overturns the long standing reputation of Thomas Aquinas as the most rational exponent of the Christian faith She reveals that Aquinas as one of the most zealous Dominicans Domini Canes or Hounds of the Lord The book contains incisive criticisms of Aquinas's reconciliation of faith and reason his defense of papal supremacy his justification of the Inquisition his insistence on the persecution of Jews and his veneration of celibacy Far from being an antiquarian exercise Drury shows why the study of Aquinas is relevant to the politics of the twenty first century where the primacy of faith over reason has experienced a revival The current pope Benedict XVI relies heavily on Aquinas when prescribing cures for the ills of modernity For Drury religion is as incompatible with political moderation and sobriety in our time as it was in the thirteenth century This is why she defends a secular version of Aquinas's theory of natural law_a theory that he betrayed in favor of what she calls the politics of

salvation **Merleau-Ponty and Modern Politics After Anti-Humanism** Diana Coole, 2007-08-28 In this book Diana Coole shows how existential phenomenology illuminates and enlivens our understanding of politics With breadth of vision and penetrating insight Coole demonstrates that political questions were always central to Merleau Ponty s philosophical project She also shows how Merleau Ponty s concern with contingency anticipated arguments by thinkers such as Derrida Foucault and Deleuze while sustaining a robust sense of politics as the domain of collective life Jacket *Foucault, Freedom and Sovereignty* Sergei Prozorov, 2016-04-15 Against the prevailing interpretations which disqualify a Foucauldian approach from the discourse of freedom this study offers a novel concept of political freedom and posits freedom as the primary axiological motif of Foucault s writing Based on a new interpretation of the relation of Foucault s approach to the problematic of sovereignty Sergei Prozorov both reconstructs ontology of freedom in Foucault s textual corpus and outlines the modalities of its practice in the contemporary terrain of global governance The book critically engages with the acclaimed post Foucauldian theories of Giorgio Agamben and Antonio Negri thereby restoring the controversial notion of the sovereign subject to the critical discourse on global politics As a study in political thought this book will be suitable for students and scholars interested in the problematic of political freedom philosophy and global governance Carl Schmitt and the Intensification of Politics Kam Shapiro, 2008 *The International Political Thought of Carl Schmitt* Louiza Odysseos, Fabio Petito, 2007-03-06 Presenting the first critical analysis of Carl Schmitt s *The Nomos of the Earth* and how it relates to the epochal changes in the international system that have risen from the collapse of the Westphalian international order There is an emerging recognition in political theory circles that core issues such as order social justice rights need to be studied in their global context Schmitt s international political thought provides a stepping stone in these related paths offering an alternative history of international relations of the genesis achievements and demise of the Westphalian system Writing at a time when he believed that the spatial political and legal order the nomos of the earth had collapsed he highlighted the advent of the modern state as the vehicle of secularization tracing how this interstate order was able to limit and rationalize and humanize war Providing a large number of case studies including global terrorism humanitarian intervention and US hegemony this book will give further impetus to and expand the nascent debate on the significance of Schmitt s legal and political thought for international politics *The International Political Thought of Carl Schmitt* will be of interest to students and scholars of international relations law and history

Michel Foucault And The Politics Of Freedom Modernity And Political Thought Introduction

In the digital age, access to information has become easier than ever before. The ability to download Michel Foucault And The Politics Of Freedom Modernity And Political Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Michel Foucault And The Politics Of Freedom Modernity And Political Thought has opened up a world of possibilities. Downloading Michel Foucault And The Politics Of Freedom Modernity And Political Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Michel Foucault And The Politics Of Freedom Modernity And Political Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Michel Foucault And The Politics Of Freedom Modernity And Political Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Michel Foucault And The Politics Of Freedom Modernity And Political Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of

authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Michel Foucault And The Politics Of Freedom Modernity And Political Thought, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Michel Foucault And The Politics Of Freedom Modernity And Political Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Michel Foucault And The Politics Of Freedom Modernity And Political Thought Books

1. Where can I buy Michel Foucault And The Politics Of Freedom Modernity And Political Thought books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
