of the province of Ontario 1893 issued as vol 26 no 7 supplement The Handbook of the International Law of Military
Operations Terry D. Gill,Dieter Fleck,2015-12-10 The second edition of this well received handbook provides a
comprehensive overview and annotated commentary of those areas of international law most relevant to the planning and
conduct of military operations It covers a wide scope of military operations ranging from operations conducted under UN
Security Council mandate to collective self defence and consensual and humanitarian operations and identifies the relevant
legal bases and applicable legal regimes governing the application of force and treatment of persons during such operations
It also devotes attention to the law governing the status of forces military use of the sea and airspace and questions of
international criminal responsibility for breaches of international law New developments such as cyber warfare and
controversial aspects of law in relation to contemporary operations such as targeted killing of specific individuals are
discussed and analysed alongside recent developments in more traditional types of operations such as peacekeeping and
naval operations The book is aimed at policy officials commanders and their military legal advisors who are involved with the
planning and conduct of any type of military operation and is intended to complement national and international policy and
legal guidelines and assist in identifying and applying the law to ensure legitimacy and contribute to mission accomplishment
It likewise fulfils a need in pertinent international organizations such as the UN NATO Regional Organizations and NGOs It
also serves as a comprehensive work of reference to academics and is suitable for courses at military staff colleges
academies and universities which devote attention to one or more aspects of international law treated in the book This mix of
intended users is reflected in the contributors who include senior former policy officials and military legal advisors alongside

academics engaged in teaching and research in these areas of international law **Canadian Books in Print** ,1996
