Sarah Kartchner Clark

Model T How Henry Ford Built A Legend:

Model T David Weitzman, 2002 Somehow Henry Ford knew what Americans were hankering for Everybody wants to be someplace he ain't As soon as he gets there he wants to go right back And so he pioneered the Model T the first affordable car for the masses David Weitzman has meticulously documented the development of the assembly line and the many innovations and adaptations Ford put to use in making his famous Tin Lizzy When the Ford plant first opened the crew could make 18 000 cars a year at a cost of 950 each In just ten years they had refined the process enough so that they could build one million cars in a year and the price had come down to about 350 Filled with detailed black and white drawings helpful text and captions and fascinating quotes from Ford employees this elegant book gives young readers a look at a mechanical genius in action *The Cars That Henry Ford Built* Beverly Rae Kimes, 2005-08-21 At the time in 1978 when *The Cars That Henry Ford Built* was first published sending a copy for Henry Ford II to review seemed a vain request Automobile Quarterly founding editor and publisher L Scott Bailey was told that Mr Ford never comments on a book written about Ford Two weeks later came an unexpected exhortation from Henry Ford II My grandfather would have loved this book Ford then specially ordered 20 copies bound in white leather needed in two weeks The rush order was necessitated by an upcoming trip to Japan As is culturally customary to offer a gift that honors one's ancestors Henry Ford II specifically chose *The Cars That Henry Ford Built* to give to his Japanese hosts Such high level praise is derived from the book's fresh approach to the subject of Henry Ford both in its study of the man and his cars as well as the exceptional pictorial presentation Presented for the first time in full color there is every model Henry Ford produced from the Quadricycle he put together as a young man in 1896 to the famous V8 Ford on the production lines four and a half decades later during his failing years Probably no other individual in automobile history more accurately mirrored in his cars his view of himself and of America as he saw it Join award winning historian and author Beverly Rae Kimes as she presents lively historical text that captures Henry growing and aging as his cars grew and aged each lock stepped together through history Over 100 full color photographs further bring the man and his creations to life **The Story of the Ford Mustang** Jim Mezzanotte, 2004-12-15 Surveys the history of the Ford Mustang and its designs engines and performance
