Models of Moral Education Richard H. Hersh, John P. Miller, Glen D. Fielding, 1980 Resources in Education ,2000-04

The Major Models of Moral Education Edward Wynne, 1985 **Philosophical Foundations for Moral Education and Character Development** George F. McLean, Frederick Edward Ellrod, 1992 **Contemporary Approaches to Moral Education** James S. Leming, 1983 Reconstructing Religious, Spiritual and Moral Education Clive Erricker, Jane Erricker, 2012-11-12

Religious Education is now identified as a shortage subject as a growing number of pupils in schools opt for it The growing emphasis on children s moral and spiritual education the DfEE s hunt for new teachers OFSTED s calls for improvement and reinforced links with philosophy have pushed the subject into the spotlight Based on research and partnership with schools this book examines and explains the role of Religious Education in the curriculum the role of spirituality in children s lives better teaching practice giving practical examples Routledge International Companion to Education Miriam Ben-Peretz, Sally Brown, Bob Moon, 2004-04-28 The Routledge International Companion to Education aims to address the key issues underpinning the rethinking and restructuring of education at the beginning of the new millennium

Handbook of Prosocial Education Philip M. Brown, Michael W. Corrigan, Ann Higgins-D'Alessandro, 2012-10-12 Handbook of Prosocial Education is the definitive theoretical practical and policy guide to the prosocial side of education the necessary second side of the educational coin Academic teaching and learning are the first side of education however academic success depends upon the structures and support of prosocial educational efforts from promoting positive school climate to fostering student and teacher development to civic literacy and responsible and critical citizenship participation The Handbook of Prosocial Education chapters written by highly respected researchers and outstanding educators represent the wide range of research based prosocial interventions from pre school through high school The chapters explore and explain how prosocial education helps teachers create effective classroom learning environments to support the development of the whole student principals encourage positive school climate and superintendents work to improve the health and well being of their systems As readers will learn when done well prosocial education develops the capacities and competencies of students teachers and school administrators that lead to a more autonomous positive self concept greater sense of purpose more socially responsible behaviors and increased connections between families schools and communities This book pulls together in one place for the first time the various threads that create the prosocial education tapestry making a compelling case for the necessity of changing national educational policy that continues to be ever more oriented to only the academic side of the educational coin thus jeopardizing the foundational and historic purpose of educating our children for their full human development and participation in our democracy **Application of Big Data, Blockchain, and Internet of Things for Education Informatization** Mian Ahmad Jan, Fazlullah Khan, 2023-01-11 The three volume set LNICST 465 466 and 467 constitutes the proceedings of the Second EAI International Conference on Application of Big Data Blockchain and

Internet of Things for Education Informatization BigIoT EDU 2022 held as virtual event in July 29 31 2022 The 204 papers presented in the proceedings were carefully reviewed and selected from 550 submissions BigIoT EDU aims to provide international cooperation and exchange platform for big data and information education experts scholars and enterprise developers to share research results discuss existing problems and challenges and explore cutting edge science and technology The conference focuses on research fields such as Big Data and Information Education The use of Artificial Intelligence AI Blockchain and network security lies at the heart of this conference as we focused on these emerging technologies to excel the progress of Big Data and information education

Moral Education E. O. Iheoma, 1995 This work examines moral education generally and in the Nigerian context It seeks unity in theory and action and points up false dichotomies in the philosophical tradition which exists in much contemporary discussion of moral education that the development of reason in moral affairs is incompatible with the teaching of moral values Against this dichotomy the author argues that both elements are integral The chapters cover the nature of morality and moral education issues in moral education models of moral education sources of moral learning teaching as a moral enterprise and the prospects for moral education in Nigeria

Assessment in Higher Education John Heywood, 2000 This book examines not only the assessment of student learning but the assessment of institutions the programmes they offer and the teaching they provide It describes in detail the significant developments that have taken place over the last decade in the field and clarifies the different meanings of the term assessment that are now in use
