*Modern Cookery, for Private Families* Eliza Acton, 1868      **Modern Cookery for Private Families** Eliza Acton, 1993 An unabridged reprint of Miss Acton's great book first published in 1845 and added to by the author ten years later This reprint is of the expanded edition and includes all the splendid engravings of the original For those who do not know this work there is a treat in store not only because of the variety and elegance of the hundreds of recipes but also because of their simplicity This was the first recipe book to give a list of ingredients and a time for cooking each recipe an entirely original idea of Eliza Acton's For those lucky enough to possess a precious original edition here is a copy that can be used in the kitchen Eliza Acton's receipts show English cookery at its very best before the over elaboration of late Victorianism overtook it She was writing for small families so quantities in the recipes hardly need to be altered and her insistence throughout on the very best and most wholesome ingredients is in accord with our thinking today She tested all the dishes herself on the rare occasions where they were not she says so and gives her sources Her personality shows strongly all through the book she was precise orderly very observant and mistress of an inestimable prose style so she can be read for pleasure as well as use Very little is known about her life Elizabeth Ray has done some original research fleshed out the somewhat shadowy profile we have had of her up to now and corrected some earlier misconceptions about her      **Best of Eliza Acton** Elizabeth Ray, 1974-01-01

**One Continuous Picnic** Symons, Michael, 2016-10-17 2007 marks the twenty fifth anniversary of the first publication of One Continuous Picnic a frequently acclaimed Australian classic on the history of eating in Australia The text remains gratifyingly accurate and prescient and has helped to shape subsequent developments in food in Australia Until recently historians have tended to overlook eating and yet through meat pies and lamingtons Symons tells the history of Australia gastronomically He challenges myths such as that Australia is too young for a national cuisine and that immigration caused the restaurant boom Symons shows us that Australia is unique because its citizens have not developed a true contact with the land have not had a peasant society Australians have enjoyed plenty to eat but food had to be portable witness the weekly rations of mutton flour tea and sugar that made early settlers a mobile army clearing a whole continent and the tins of jam condensed milk camp pie and bottles of tomato sauce and beer that turned its citizens into early suburbanites By the time of screw top riesling takeaway chicken and frozen puff pastry Australians were hypnotised consumers on one continuous picnic But good food has never come from factory farms process lines supermarkets and fast food chains Only when we enjoy a diet of fresh local produce treated with proper respect when we learn from peasants might we at last have found a national cuisine and cultivated a continent

illustrate the extent of the pressure felt by members of this society to try to live up to the expectations of their culture Defining family to include the extended family the foster or adoptive family and the stepfamily Nelson considers different roles within the Victorian household in order to gauge the ambivalence and the social anxieties surrounding them many of which continue to influence our notions of family today *The Oxford Handbook of Victorian Poetry* Matthew Bevis,2013-10-31 I am inclined to think that we want new forms as well as thoughts confessed Elizabeth Barrett to Robert Browning in 1845 The Oxford Handbook of Victorian Poetry provides a closely read appreciation of the vibrancy and variety of Victorian poetic forms and attends to poems as both shaped and shaping forces The volume is divided into four main sections The first section on Form looks at a few central innovations and engagements Rhythm Beat Address Rhyme Diction Syntax and Story The second section Literary Landscapes examines the traditions and writers from classical times to the present day that influence and take their bearings from Victorian poets The third section provides Readings of twenty three poets by concentrating on particular poems or collections of poems offering focused nuanced engagements with the pleasures and challenges offered by particular styles of thinking and writing The final section The Place of Poetry conceives and explores place in a range of ways in order to situate Victorian poetry within broader contexts and discussions the places in which poems were encountered the poetic representation and embodiment of various sites and spaces the location of the Victorian alongside other territories and nationalities and debates about the place and displacement of poetry in Victorian society This Handbook is designed to be not only an essential resource for those interested in Victorian poetry and poetics but also a landmark publication provocative seminal volume that will offer a lasting contribution to future studies in the area
