

The background of the book cover is a composite image. The top half shows a large, detailed Earth from space, with a crescent moon in the upper right. A vibrant rainbow arches across the middle of the cover, spanning from the left side over a dark, forested mountain range to the right side. Below the mountains is a calm body of water. The bottom third of the cover depicts an underwater scene with a colorful coral reef, including red and orange corals, and several tropical fish, including a large striped surgeonfish and two clownfish.
