Bismarck Edgar Feuchtwanger, 2014-04-03 Bismarck was arguably the most important figure in nineteenth century European history after 1815 In this biography Edgar Feuchtwanger reassesses Bismarck's significance as a historical figure He traces his development from a typical Junker a reactionary and conservative into the so called white revolutionary who recast European affairs more drastically than anyone since Napoleon This second edition includes a new introduction taking into account the most recent scholarship on Bismarck which reflects on Bismarck's legacy in modern Germany which is once again the European economic powerhouse for which Bismarck laid the foundations Feuchtwanger's lucid account demythologizes the German leader without demonising him This book leaves the reader with a strongly etched portrait of one of the decisive makers of the modern world

Encyclopedia of the Romantic Era, 1760-1850 Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism

A History of Literary Criticism M. A. R. Habib, 2008-04-15 This comprehensive guide to the history of literary criticism from antiquity to the present day provides an authoritative overview of the major movements figures and texts of literary criticism as well as

surveying their cultural historical and philosophical contexts Supplies the cultural historical and philosophical background to the literary criticism of each era Enables students to see the development of literary criticism in context Organised chronologically from classical literary criticism through to deconstruction Considers a wide range of thinkers and events from the French Revolution to Freud's views on civilization Can be used alongside any anthology of literary criticism or as a coherent stand alone introduction **Bismarck** E. J. Feuchtwanger, 2002 Bismarck was arguably the most important figure in 19th century European history after 1815 In this biography Edgar Feuchtwanger reassesses Bismarck's significance as a historical figure **A Companion to Europe, 1900 - 1945** Gordon Martel, 2011-03-21 This volume brings together a distinguished group of international scholars to discuss the major debates in the study of early twentieth century Europe Brings together contributions from a distinguished group of international scholars Provides an overview of current thinking on the period Traces the great political social and economic upheavals of the time Illuminates perennial themes as well as new areas of enquiry Takes a pan European approach highlighting similarities and differences across nations and regions

The European Integration, Vol. 1 Panagiotis Liargovas, Christos Papageorgiou, 2024-01-17 This two volume textbook teaches about the uniqueness and the difficulty of the European unification project It describes as clearly as possible what Robert Schuman declared in 1950 that Europe will not be made all at once Navigating the nexus of four academic fields political science institutional analysis economics and history the book serves as a reference work for accurate exhaustive and well researched information on the creation and functioning of the European Union Supported by numerous photographs diagrams maps and sources volume 1 sets out in a concise and readable way the European historical origins the important steps in the creation of the European Union and the treaties and historical events that have marked its course so far Providing a comprehensive picture of the unification process and the functioning of this sui generis edifice of a united Europe the book will serve as an essential textbook for undergraduate and graduate students studying the subject of European integration as well as a useful resource for a broader audience interested in the European integration process **Hitler** David Welch, 2013-06-17 Hitler Profile of a Dictator is a fascinating exploration of Hitler and his role in the Third Reich The book unravels the complex historiographical debate surrounding this notorious figure by examining his personality his ideas and the nature of his power Hitler Profile of a Dictator surveys Hitler's career chronologically and includes coverage of the young idealogue the Führer State Hitler's role in the outbreak of the Second World War Hitler's involvement in the Holocaust This second edition brings the continuing debate up to date in light of the most recent research and speculates on the implications of the Irving trial **Hitler** Martyn Housden, 2013-11-05 Hitler Profile of a Dictator is a fascinating exploration of Hitler and his role in the Third Reich The book unravels the complex historiographical debate surrounding this notorious figure by examining his personality his ideas and the nature of his power Hitler Profile of a Dictator surveys Hitler's career chronologically and includes coverage of the young idealogue the Führer State Hitler's role in the outbreak of the Second

World War Hitler's involvement in the Holocaust This second edition brings the continuing debate up to date in light of the most recent research and speculates on the implications of the Irving trial **Germany and Propaganda in World War I** David Welch, 2014-08-01 Adolf Hitler writing in *Mein Kampf* was scathing in his condemnation of German propaganda in World War I declaring that Germany failed to recognise that the mobilization of public opinion was a weapon of the first order This despite the fact that propaganda had been regarded by the German leadership arguably for the first time as an intrinsic part of the war effort In this book David Welch fully examines German society politics propaganda public opinion and total war in the Great War Drawing on a wide range of sources posters newspapers journals film Parliamentary debates police and military reports and private papers he argues that the moral collapse of Germany was due less to the failure to disseminate propaganda than to the inability of the military authorities and the Kaiser to reinforce this propaganda and to acknowledge the importance of public opinion in forging an effective link between leadership and the people Propaganda and the German Cinema, 1933-1945 David Welch, 2001-03-23 This is the most comprehensive analysis to date of Nazi film propaganda in its political social and economic contexts from the pre war cinema as it fell under the control of the Propaganda Minister Joseph Goebbels through to the end of the Second World War David Welch studies more than one hundred films of all types identifying those aspects of Nazi ideology that were concealed in the framework of popular entertainment The European Union and Border Conflicts Thomas Diez, Mathias Albert, Stephan Stetter, 2008-03-27 It is generally assumed that regional integration leads to stability and peace This book is a systematic study of the impact of European integration on the transformation of border conflicts It provides a theoretical framework centred on four pathways of impact and applies them to five cases of border conflicts Cyprus Ireland Greece Turkey Israel Palestine and various conflicts on Russia's border with the EU The contributors suggest that integration and association provide the EU with potentially powerful means to influence border conflicts but that the EU must constantly re adjust its policies depending on the dynamics of each conflict Their findings reveal the conditions upon which the impact of integration rests and challenge the widespread notion that integration is necessarily good for peace This book will appeal to scholars and students of international relations European politics and security studies studying European integration and conflict analysis

America and the World Lawrence A. Peskin, Edmund F Wehrle, 2011-12-01 This American history explores the country's role as a globalizing force from the arrival of Columbus to the 21st century The twenty first century may be the age of globalization but America has been at the cutting edge of globalization since Columbus landed here five centuries ago In *America and the World* Lawrence A Peskin and Edmund F Wehrle explore America's evolving connections with Europe Africa and Asia in the three areas that historically have been indicators of global interaction trade and industry diplomacy and war and the soft power of ideas and culture Divided into four historical phases of globalization this book considers how international events and trends influenced American as well as how America exerted its own influence whether economic

cultural or military on the world The authors demonstrate how technology and disease enabled Europeans to subjugate the New World how colonial American products transformed Europe and Africa and how post revolutionary American ideas helped foment revolutions in Europe and elsewhere Peskin and Wehrle also explore America s rise to global superpower and how this power alienated people around the world and bred dissent at home During the civil rights movement America borrowed much from the world as it addressed the social issues of the day At the same time Americans especially African Americans offered a global model for change as the country grappled with racial and gender inequality The Third Reich David Welch,2008-01-28 Published in the year 1994 The Third Reich is a valuable contribution to the field of History

Justifying War D. Welch,J. Fox,2012-05-31 A new assessment of the debates about Just War in the twentieth and twenty first centuries from the imperial wars of the nineteenth century through the age of total war the evolution of human rights discourse and international law to proportionality during the Cold War and the redefinition of authority with the ascendancy of terror groups A Foreigner's Cinematic Dream of Japan Iris Haukamp,2020-11-26 In early 1936 a German film team arrived in Japan to participate in a film coproduction intended to show the real Japan to the world and to launch Japanese films into international markets The two directors one Japanese and the other German clashed over the authenticity of the represented Japan and eventually directed two versions The Samurai s Daughter and New Earth based on a common script The resulting films hold a firm place in film history as an exercise in or reaction against politically motivated propaganda respectively A Foreigner s Cinematic Dream of Japan contests the resulting oversimplification into nationalised and politicised dichotomies Drawing on a wide range of Japanese and German original sources as well as a comparative analysis of the German Japanese version and the elusive Japanese English version Iris Haukamp reveals the complexities of this international co production This exclusive research sheds light not only on the films themselves but also on the timeframe of its production with both countries at the brink of war Germany, Propaganda and Total War, 1914-1918 David Welch,2000 Adolf Hitler writing in Mein Kampf was scathing in his condemnation of German propaganda in the First World War declaring that Germany had failed to recognize propaganda as a weapon of the first order This despite the fact that propaganda had been regarded arguably for the first time as an intrinsic part of the war effort David Welch has written the first book to fully examine German society politics propaganda public opinion and total war in the Great War Drawing on a wide range of sources from posters newspapers journals film parliamentary debates police and military reports and private papers Welch argues that the moral collapse of Germany was due less to the failure to disseminate propaganda than to the inability of the military authorities and the Kaiser to reinforce this propaganda and to acknowledge the importance of public opinion in forging an effective link between leadership and the people **Why States Rebel** Magdalena Kirchner,2016-03-21 Given the fact that two thirds of all intrastate wars since 1945 have included foreign interventions what drives sovereign states to support non state conflict parties In order to understand causes and calculations of this particular

type of third party intervention this book connects some of the most important contemporary debates in international relations ranging from security cooperation between states and non state actors to the effects of intervention on both local conflict dynamics and interstate relations Presenting a new theoretical framework and a multidimensional concept of support endorsement hosting as well as financial and military assistance this book establishes a systematic path between international as well as domestic incentives and specific types of sponsorship policies In a subsequent comparative analysis the author examines conditions and dynamics of Syria s cooperation with Fatah the Kurdistan Workers Party and Hizballah from 1964 to 2006

What is Europe? Anna Triandafyllidou, Ruby Gropas, 2015-11-02 Europe is imbued with a multitude of social cultural economic and political meanings The authors of this comprehensive text present an authoritative yet accessible introduction to understanding Europe today moving beyond accounts of European integration to provide a holistic and nuanced study of contemporary Europe and its historical development This book explores evolving definitions of Europe from antiquity to the Cold War right through to Europe in the midst of the Eurozone and global financial crises By examining the different roles and meanings that Europe has held inside and outside of the continent including the European Union s branding of Europe the text grounds its analysis in an understanding of Europes plural Chapters explore concepts of Europe as civilization Europe as progress Europe as unity and Europe as diversity How do Europeans think of themselves and their respective national identities in a multicultural and multi ethnic age How has modernity and the pre and post industrial values of Europe affected the Europe of now and what are the political legacies of Europe To what extent are notions of social solidarity shared across the continent This is the first text to systematically answer these questions and others in order to better determine what is Europe
