Modern Fantasy The One Hundred Best Novels Ref:

Modern Fantasy: The 100 Best Novels David Pringle, 2014-09-30 Pringle presents his selections in chronological order and includes a synopsis of the story a discussion of the author s overall contribution to fantasy literature critical commentary on the title s significance and a brief publishing history An introductory essay tackles the difficulty of defining fantasy while a Brief Bibliography directs readers to other discussions of the genre By no means a definitive subject guide this entertaining volume should serve as a solid introduction to the elusive field of imaginative literature

The A to Z of Fantasy

Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

The Cambridge Companion to Fantasy

Literature Edward James, Farah Mendlesohn, 2012-01-26 This is the first introduction to the whole field of modern fantasy literature in the English speaking world

Reference Guide to Science Fiction, Fantasy and Horror
