Modern Harpsicord Music A Discography:

Modern Harpsichord Music ,1995-02-28 A discography and bibliography of music written for the modern harpsichord this volume features more than 800 mass marketed recordings of some 600 compositions written after the revival of the harpsichord ca 1889 Also included is information pertaining to performances of compositions arranged for harpsichord Although the modern harpsichord is a much greater part of 20th century music than one might imagine it is about to become a relic because of its historical incorrectness This will leave sound recordings as the prime medium of information for contemporary compositions most of which cannot be adequately performed on any other instrument The modern harpsichord consists of two manuals with at least four stops one 4 foot two 8 foot and one 16 foot operated by pedals This type of harpsichord except for the 16 foot stop has been in existence since 1889 The new design popular for many years has fallen on hard times due to its lack of resonance and its historically inaccurate disposition of stops Because it may well become an instrument of the past this volume which documents music composed specifically for the modern harpsichord is especially valuable

A Guide to the Harpsichord Ann Bond,2003-03 This practical guide treats the mechanics and evolution of the instrument and offers a survey of its literature The author provides valuable advice on touch and technique including articulation and fingering with a lucid exposition of the issues involved in historical performance practice and a clear explanation of ornamentation The repertoire of each of the great national schools is presented and discussed with four representative pieces singled out for detailed analysis More advanced players will welcome the author s suggestions on continuo playing and the helpful discussion of tuning and temperaments From advice on acquiring a harpsichord to wise counsel on how to play it and what music to choose to suggestions on maintenance and tuning *A Guide to the Harpsichord* is an indispensable companion for both beginning and advanced harpsichordists

musical shorts especially by Vitaphone that is not documented elsewhere A comprehensive title index includes composer credits for the majority of the titles listed Many of the records documented in this volume are by the artists who introduced these songs at this time or who performed them in the original productions of the shows or movies for which they were written The singing styles include those of cabaret performers music hall and vaudeville acts Songs for the stage screen and radio are also included *International Who's who in Music and Musicians' Directory* David M. Cummings, 2000 First published in 2000 Routledge is an imprint of Taylor Francis an informa company Tantalizing Tingles Ross Laird, 1995-04-30 For the first time all data for recordings of non classical piano made for issue on disc and cylinder records prior to 1935 are brought together in this work The majority of the listing consists of material which has never been published in any form The volume includes piano solos duets trios and quartets as well as selected titles where a soloist is featured within a recording by a dance band or orchestra It covers a wide variety of pianists and piano styles including ragtime stride novelty syncopated boogie and blues This work will be of interest to major libraries archives and schools of music as well as researchers and collectors The recordings covered in this work range from the earliest known piano recordings which were made in 1889 as cylinder records for the North American Phonograph Company through recordings of the early 1930s by some of the great jazz pianists of that era Mary Lou Williams Garland Wilson Herman Chittison Art Tatum and Teddy Wilson In between are a wide variety of pianists and piano styles from around the world While many of the solos recorded were of popular tunes of the day there is also a fascinating selection of piano compositions often played by the composer They include such well known names as Felix Arndt Nacio Herb Brown Hoagy Carmichael Rudolf Friml George Gershwin John W Green Ferdie Grofe Ralph Rainger Leslie Stuart Clarence Williams and Vincent Youmans A comprehensive title index includes composer credits for the majority of titles listed **Ethnic and Vernacular Music, 1898-1960** Paul Vernon, 1995-12-11 Detailed information on almost all ethnic and vernacular recordings from many countries on 78rpm is provided in this seminal work The current state of discographical research in this wide and varied field is such that a research tool of this nature is badly needed Jesse Walter Fewkes and Mary Hemenway recorded Native American music as early as 1890 Bela Bartok recorded rural music in the Balkans Erich von Hornbostel the grand old man of ethnomusicology in Europe recorded in Southeast Asia More than just a discography this work demonstrates that cultures around the world and over time have more similarities than differences A necessity for scholars students archivists and individual record collectors and dealers The goals of this volume are many and varied to promote thought and discussion toward a concise definition of recorded ethnic music to assist specialists working on individual discographical projects to introduce users to the interconnectedness of cultures through regional music to gather heretofore disparate pieces of information under one cover in a way that for the first time allows specialists to accurately identify all manner of recordings in many languages The four sections of the volume work together for easy usage through cross referencing The philosophy behind the volume was

expressed by Rodney Gallop when he remarked that music for him was often the key to the understanding of other cultures

Gustav Mahler's Symphonies Lewis M. Smoley, 1996-09-13 The popularity of Mahler's symphonic works is unremitting. More recordings have been made during the past ten years than in the previous six decades. This work is a companion to the first volume published in 1986 together with the two review virtually every recording commercially released as well as some private issues. The intention of both works is to provide a comprehensive analysis of all recordings. A general overview is combined with details of particular importance. Recordings of special merit are noted. The objective critical discussions will appeal to the newcomer as well as the knowledgeable devotee and the work will serve as a valuable addition to university music school and public libraries as well as any music lover's library. This guide provides a symphony by symphony commentary including the unfinished Tenth Symphony *Das Lied von der Erde* and piano and chamber music reductions of the works. It includes all new recordings issued worldwide as well as compact disc reissues of previously released recordings and all performances on videocassette. Listings are arranged alphabetically by conductor and headings for each recording contain specific information about the performers, record label, catalog number and timing. Helpful indexes by conductor, orchestra, vocal and instrumental soloists, chorus and record label are included.

Encyclopedia of Recorded Sound Frank Hoffmann, 2004-11-12 First Published in 2005 Routledge is an imprint of Taylor & Francis, an information company.

The Waylon Jennings Discography John L. Smith, 1995-06-13 A prime source of one of country music's greatest, this closely documented history follows the musical career of Waylon Jennings from his early days as a member of Buddy Holly's group The Crickets through his sometimes combative relationship with the Nashville musical establishment and his emergence as a viable force in the country music scene to his current status as a superstar. Popular music scholars and students as well as country music fans will find this a valuable source of information not only on Jennings but on the country music industry. In his foreword to this volume, Johnny Cash describes his friend as an American original.
