## **Modern Iran Since 1921 The Pahlavis And After:**

Modern Iran Since 1921 Ali M. Ansari, 2003 This is fundamentally a book about change and the politics of managing that change as successive governments and political elites sought and continue to seek to navigate a stable and sustainable route from a perception of tradition to a particular conception of modernity introduced A History of Modern Iran Since 1921 Ali Ansari Staff, 2002-09-01 A History of Iran Michael Axworthy, 2016-05-24 The definitive history of Iran from the ancient Persian empires to today Iran is a land of contradictions It is an Islamic republic but one in which only 14 percent of the population attend Friday prayers Iran's religious culture encompasses the most censorious and dogmatic Shi'a Muslim clerics in the world yet its poetry insistently dwells on the joys of life wine beauty sex Iranian women are subject to one of the most restrictive dress codes in the Islamic world but make up nearly 60 percent of the student population of the nation's universities In A History of Iran acclaimed historian Michael Axworthy chronicles the rich history of this complex nation from the Achaemenid Empire of sixth century BC to the revolution of 1979 to today including a close look at Iran's ongoing attempts to become a nuclear power A History of Iran offers general readers an essential guide to understanding this volatile nation which is once again at the center of the world's attention Civil Society and Democracy in Iran Ramin Jahanbegloo, 2011-12-30 In this timely informative edited volume major Iranian scholars and civic actors address some of the most pressing questions about Iranian civil society and the process of democratization in Iran They describe the role of Iranian civil society in the process of transition to democracy in Iran and offer insight about the enduring legacy of previous social and political movements starting with the Constitutional Revolution of 1906 in the struggle for democracy in Iran Each contributor looks at different aspects of Iranian civil society to address the complex nature of the political order in Iran and the possibilities for secularization and democratization of the Iranian government Various contributors analyze the impact of religion on prevailing democratic thought discussing reformist religious movements and thinkers and the demands of religious minorities Others provide insight into the democratic implications of recent Iranian women's rights movements call for secularism within government and the pressure placed on the existing theocracy by the working class The contributors address these and related issues in all their richness and complexity and offer a set of discussions that is both accessible and illuminating for the reader Contemporary Iranian Art Talinn Grigor, 2014-06-15 In the first comprehensive look at Iranian art and visual culture since the 1979 revolution Talinn Grigor investigates the official art sponsored by the Islamic Republic the culture of avant garde art created in the studio and its display in galleries and museums and the art of the Iranian diaspora within Western art scenes Divided into three parts street studio and exile the book argues that these different areas of artistic production cannot be understood independently revealing how this art offers a mirror of the sociopolitical turmoil that has marked Iran's recent history Exploring the world of galleries museums curators and art critics Grigor moves between subversive and daring art produced in private to propaganda art martyrdom paraphernalia and museum interiors

She examines the cross pollination of kitsch and avant garde the art market state censorship the public private domain the political implications of art and artistic identity in exile Providing an astute analysis of the workings of artistic production in relation to the institutions of power in the Islamic Republic this beautifully illustrated book is essential reading for anyone interested in Iranian history and contemporary art      [The Statesman's Yearbook 2025](#) Palgrave Macmillan,2025-01-10 Now in its 161st edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions      [The Fall of Heaven](#) Andrew Scott Cooper,2016-08-02 An immersive gripping account of the rise and fall of Iran's glamorous Pahlavi dynasty written with the cooperation of the late Shah's widow Empress Farah Iranian revolutionaries and US officials from the Carter administration In this remarkably human portrait of one of the twentieth century's most complicated personalities Mohammad Reza Pahlavi Andrew Scott Cooper traces the Shah's life from childhood through his ascension to the throne in 1941 He draws the turbulence of the post war era during which the Shah survived assassination attempts and coup plots to build a modern pro Western state and launch Iran onto the world stage as one of the world's top five powers Readers get the story of the Shah's political career alongside the story of his courtship and marriage to Farah Diba who became a power in her own right the beloved family they created and an exclusive look at life inside the palace during the Iranian Revolution Cooper's investigative account ultimately delivers the fall of the Pahlavi dynasty through the eyes of those who were there leading Iranian revolutionaries President Jimmy Carter and White House officials US Ambassador William Sullivan and his staff in the American embassy in Tehran American families caught up in the drama even Empress Farah herself and the rest of the Iranian Imperial family Intimate and sweeping at once The Fall of Heaven recreates in stunning detail the dramatic and final days of one of the world's most legendary ruling families the unseating of which helped set the stage for the current state of the Middle East      **The Middle East** Barry Rubin,2015-03-17 The Middle East is an area of great importance globally yet misperceptions abound Events have made it a region of special interest to the West and so the search for understanding gains momentum This publication is intended to clarify the region's complex history and issues In developing this project the contributors set out to explore seven significant themes that are usually not found in other sources While many books focus on political history and conflicts this two volume work deals specifically with culture religion women economics governance and media as well as the role that the region's modern history has played in shaping its society and worldview      *The Martyrs of Karbala* Kamran Scot Aghaie,2011-12-01 This innovative study examines patterns of change in Shi'i symbols and rituals over the past two centuries to reveal how modernization has influenced the societal political and religious culture of Iran Shi'is who support the Prophet Mohammad's progeny as his successors in opposition to the Sunni caliphate tradition make up 10 to 15 percent of the world's Muslim population roughly half of whom live in Iran Throughout the early history of the Islamic Middle East the Sunnis have been

associated with the state and the ruling elite while Shi is have most often represented the political opposition and have had broad appeal among the masses Moharram symbols and rituals commemorate the Battle of Karbala in 680 CE in which the Prophet Mohammad s grandson Hoseyn and most of his family and supporters were massacred by the troops of the Umayyad caliph Yazid Moharram symbols and rituals are among the most pervasive and popular aspects of Iranian culture and society This book traces patterns of continuity and change of Moharran symbols and rituals in three aspects of Iranian life the importance of these rituals in promoting social bonds status identities and ideals ways in which the three major successive regimes Qujars Pahlavis and the Islamic Republic have either used these rituals to promote their legitimacy or have suppressed them because they viewed them as a potential political threat and the uses of Moharram symbolism by opposition groups interested in overthrowing the regime While the patterns of government patronage have been radically discontinuous over the past two centuries the roles of these rituals in popular society and culture have been relatively continuous or have evolved independently of the state The political uses of modern day rituals and the enduring symbolism of the Karbala narratives continue today

Iran at War Kaveh Farrokh,2011-12-20 Following on from his award winning book on the history of ancient Persia Kaveh Farrokh goes on to examine Iran s wartime history from the Safavid dynasty of the 16th and 17th century through to the 1979 Revolution and beyond He shows how the early military successes were followed by centuries of defeat as the external influences of nations like Russia and Britain began to shape the internal history of Iran before unraveling the complex violent 20th century military history of the country which encompasses two world wars regional movements foreign intervention anti government revolts conflicts on the Soviet border a revolution and an eight year war with Iraq Illustrated with contemporary illustrations and photographs this book provides an unparalleled investigation into the bloody martial history of Iran

Evolving Iran Barbara Ann Rieffer-Flanagan,2013-03-22 Evolving Iran presents an overview of how the politics and policy decisions in the Islamic Republic of Iran have developed since the 1979 revolution and how they are likely to evolve in the near future Despite the fact that the revolution ushered in a theocracy its political system has largely tended to prioritize self interest and pragmatism over theology and religious values while continuing to reinvent itself in the face of internal and international threats The author also examines the prospects for democratization in Iran Since the early years of the twentieth century Iranians have attempted to make their political system more democratic yet various attempts to produce a system where citizens have a meaningful voice in political decisions have failed This book argues that greater democratization is unlikely to occur in the short term especially in light of increased threats from the international community This accessible overview of Iran s political system covers a broad array of subjects including foreign policy human rights women s struggle for equality the development and evolution of elections and the institutions of the political system including the Revolutionary Guards and Assembly of Experts It will appeal to undergraduates and the general public who seek to understand a country and regime that has mystified Westerners for

decades US Foreign Policy and the Modernization of Iran Ben Offler, 2015-07-19 US Foreign Policy and the Modernization of Iran examines the evolution of US Iranian relations during the presidencies of John F Kennedy Lyndon B Johnson and Richard M Nixon It demonstrates how successive administrations struggled to exert influence over the Shah of Iran s regime domestic and foreign policy *Shi'i Sectarianism in the Middle East* Elisheva Machlis, 2014-09-17 The eruption of violent sectarianism in Iraq following the US invasion in 2003 brought the question of Sunni Shi i relations in the country to the forefront of the international public agenda It also strengthened the popular belief that contemporary Shi ism is inherently sectarian Yet several decades earlier Ayatollah Khomeini had declared an Islamic revolution and downplayed its Shi i origins and links So what is the true orientation of Shi i Islam in the contemporary era and how did modernisation alter its sectarian affiliation This book contends that early Shi i reformist thought set the foundations for a more universal oriented Shi ism Prominent reformists in the first half of the twentieth century from the holy cities of Karbala and Najaf in Iraq and from the Shi i centres in Southern Lebanon played a significant role in the renewal of Shi ism and laid the groundwork for its reinvention in the modern era Exploring this shift towards a more ecumenical perception of Islam Elisheva Machlis here provides a fresh perspective on inter sectarian relations in contemporary Iraq and illuminates the intellectual roots of the Islamic revolution by examining networks of Shi i scholars such as Mu ammad usayn K shif al Ghi and Mu sin al Am n al mil operating within a more globalised Muslim world Drawing on the experiences of early Shi i reformists such as Abd al usayn Sharaf al D n al M saw in Lebanon and Mu ammad Jaw d Mughniyya in Damascus this book gives new insight on the future of inter Muslim relations at a time of growing inter sectarian contention from the Iran Iraq war to the post 2003 Sunni Shi i conflict in Iraq and al Qa ida s anti Shi i message taking into account questions of theology historiography jurisprudence and politics which all played a vital role in the transition to the contemporary era The author here analyses the broad scholarly connections between Iran Iraq and Lebanon in the twentieth century while debating paramount questions of leadership identity and group membership in the development of modern Shi ism Examining the relationship between intellectual thought and socio political development in the region this book provides a new perspective concerning the future of an increasingly globalised Muslim world and will prove essential reading for students and specialists Edinburgh Companion to the Postcolonial Middle East Ball Anna Ball, 2018-11-14 This Edinburgh Companion seeks to develop a postcolonial framework for addressing the Middle East The first collection of essays on this subject it assembles some of the world s foremost postcolonialists to explore the critical theoretical and disciplinary possibilities that inquiry into this region opens for postcolonial studies Throughout its twenty four chapters its focus is on literary and cultural critique It draws on texts and contexts from the late nineteenth to the early twenty first centuries as case studies and deploys the concept of post colonial modernity to reveal the enduring impact of colonial and imperial power on the shaping of the region And it covers a wide and significant range of political social and cultural issues in the Middle East during that period including the heritage of

Orientalism in the region the roots and contemporary branches of the Israel Palestine conflict colonial history state formation and cultures of resistance in Egypt Turkey the Maghreb and the wider Arab world the clash of tradition and modernity in regional and transnational expressions of Islam the politics of gender and sexuality in the Arab world the ongoing crises in Libya Iraq Iran and Syria the Arab Spring and the Middle Eastern refugee crisis in Europe

**Literary Translation in Modern Iran** Esmaeil Haddadian-Moghaddam, 2014-12-15 Literary Translation in Modern Iran A sociological study is the first comprehensive study of literary translation in modern Iran covering the period from the late 19th century up to the present day By drawing on Pierre Bourdieu's sociology of culture this work investigates the people behind the selection translation and production of novels from English into Persian The choice of novels such as Morier's *The Adventures of Hajji Baba of Ispahan* Austen's *Pride and Prejudice* and Vargas Llosa's *The War of the End of the World* provides insights into who decides upon titles for translation motivations of translators and publishers and the context in which such decisions are made The author suggests that literary translation in Iran is not a straightforward activity As part of the field of cultural production literary translation has remained a lively game not only to examine and observe but also often a challenging one to play By adopting hide and seek strategies and with attention to the dynamic of the field of publishing Iranian translators and publishers have continued to play the game against all odds The book is not only a contribution to the growing scholarship informed by sociological approaches to translation but an essential reading for scholars and students of Translation Studies Iranian Studies and Middle Eastern Studies
