Esposito, 1997-07-16 Designed as a useful reference tool to help students, educators, and diplomats maneuver through scholarly literature as well as primary sources published in English between 1989 and 1994, this work seeks to help the researcher make sense of the explosion of literature on this often contentious topic. In addition to surveying the literature on Islamic revival worldwide, it provides commentary on literature pertaining to important topics such as the role of women in Islam, Islamic economics, and the migration of Muslims to western Europe and North America. This work is a continuation of the first edition published by Greenwood in 1991. The Contemporary Islamic Revival: R. Governments' policymakers and experts around the world are debating whether contemporary Islamic revival, in particular Islamic Fundamentalism, is a diverse and multifaceted phenomenon or a uniformly clear and present danger to be consistently and persistently repressed or eradicated. Some propose that there are means of cooperation, collaboration, or co-optation with those who adhere to it, while others see it as a menace, warning of a clash of civilizations and of an Islamic population explosion which poses a demographic threat to national security and world peace. **Jehovah's Witnesses** Jerry Bergman, 1999-02-28 The

Watchtower movement has over ten million followers and remains one of the fastest growing religious movements in the world today. This volume contains almost 10,000 references on the Watchtower movement and the dozen or so major schisms that have occurred since its founding in 1879. An introductory chapter reviews the history, major events, and doctrinal changes of the Jehovah's Witnesses. Books, chapters, booklets, dissertations, journal articles, and book sections that examine the Watchtower movement are referenced in English and other languages such as Chinese, Japanese, Korean, and Turkish. Selectively annotated, the entries are grouped in five major sections for easy reference. Scholars and researchers will appreciate the comprehensive list the author has provided of all literature published by the Watchtower movement throughout its history.
