## **Modern Canadian Children's:**

**Depicting Canada's Children** Loren Lerner, 2011-04-07 *Depicting Canada's Children* is a critical analysis of the visual representation of Canadian children from the seventeenth century to the present. Recognizing the importance of methodological diversity, these essays discuss understandings of children and childhood derived from depictions across a wide range of media and contexts. But rather than simply examine images in formal settings, the authors take into account the components of the images and the role of image making in everyday life. The contributors provide a close study of the evolution of the figure of the child and shed light on the defining role children have played in the history of Canada and our assumptions about them. Rather than offer comprehensive historical coverage, this collection is a catalyst for further study through case studies that endorse innovative scholarship. This book will be of interest to scholars in art history, Canadian history, visual culture, Canadian studies, and the history of children. Modern Canadian Children's Books Judith

Saltman, 1987 Canadian Children's Literature, 1997 **Next-Generation Memory and Ukrainian Canadian Children's Historical Fiction** Mateusz Świetlicki, 2023-03-24 This is the first book monograph devoted to Anglophone Ukrainian Canadian children's historical fiction published between 1991 and 2021. It consists of five chapters offering cross-sectional and interdisciplinary readings of 41 books: novels, novellas, picturebooks, short stories, and a graphic novel. The first three chapters focus on texts about the complex process of becoming Ukrainian Canadian, showcasing the experiences of the first two waves of Ukrainian immigration to Canada, including encounters with Indigenous Peoples and the First World War Internment. The last two chapters are devoted to the significance of the cultural memory of the Holodomor, the Great Famine of 1932-1933, and the Second World War for Ukrainian Canadians. All the chapters demonstrate the entanglements of Ukrainian and Canadian history and point to the role Anglophone children's literature can play in preventing the symbolical seeds of memory from withering. This volume argues that reading, imagining, and reimagining history can lead to the formation of beyond-textual next-generation memory. Such memory created through reading is multidimensional as it involves the interpretation of both the present and the past by an individual whose reality has been directly or indirectly shaped by the past over which they have no influence. Next-generation memory is of anticipatory character, which means that authors of historical fiction anticipate the readers, both present-day and future, not to have direct links to any witnesses of the events they discuss and to have little knowledge of the transcultural character of the Ukrainian Canadian diaspora. **The**

**Canadian Children's Treasury** Key Porter Books, 1994-04 Moving through time into many worlds of the Canadian imagination, *The Canadian Children's Treasury* features both traditional favorites including Robert Service's *The Cremation of Sam McGee*, E. Pauline Johnson's *The Song My Paddle Sings*, and poetry and fiction such as Joy Kogawa's *Stephen's Whistle* and Dennis Lee's *Going Up North*. 1994 **Children in English-Canadian Society** Neil Sutherland, Cynthia R. Comacchio, 2006-01-01 So often a long-awaited book is disappointing. Happily, such is not the case with Sutherland's

masterpiece Robert M Stamp University of Calgary in The Canadian Historical Review Sutherland's work is destined to be a landmark in Canadian history both as a first in its particular field and as a standard reference text J Stewart Hardy University of Alberta in Alberta Journal of Educational Research Such were the reviewers comments when Neil Sutherland's groundbreaking book was first published Now reissued in Wilfrid Laurier University Press's new series Studies in Childhood and Family in Canada with a new introduction by series editor Cynthia Comacchio this book remains relevant today In the late nineteenth century a new generation of reformers committed itself to a program of social improvement based on the more effective upbringing of all children In Children in English Canadian Society Neil Sutherland examines with a keen eye the growth of the public health movement and its various efforts at improving the health of children

**Women and Children First (Routledge Revivals)** Valerie Fildes, Lara Marks, Hilary Marland, 2013-10-14 First published in 1992 this book explores the efforts to counteract the high maternal and infant death rates present between the end of the nineteenth century and the Second World War It looks at the problem in five different continents and shows the varying approaches used by the governments institutions and individuals in those countries Contributors display how policy and practice have been shaped by the structure of maternity services nationalism the conflict of colonization and cultural factors In doing so they illustrate how welfare policy and funding were moulded throughout the

world in the times considered      **Discourses That Matter** Maria José Canelo, 2013-10-03 How can English and American Studies be instrumental to conceptualizing the deep instability we are presently facing How can they address the coordinates of this instability such as war terrorism the current economic and financial crisis and the consequent myriad forms of deprivation and fear How can they tackle the strategies of de humanization invisibility and the naturalization of inequality and injustice entailed in contemporary discourses This anthology grew out of an awareness of the need to debate the role of English and American Studies both in the present context and in relation to the so called demise of the Humanities Drawing on Judith Butler's rethinking of materiality as the effect of power in her study *Bodies That Matter* 1993 we locate this collection of essays at the crossroads of discourse and power while we expect the work collected here to highlight the ability of discourses to materialize in or as truth and as such to support or decry particular constituencies Discourses therefore matter to us as products and vehicles of power relations that can be subject to the analytical and interpretative tools of English and American Studies Our idea was to challenge especially young scholars to position their research concerning the ability of their fields to be discourses that matter in the case in point to be critical practices that make an active intervention in current debates By focusing on matters such as language as witness to the world representations of gender race and ethnicity performative discourses exceptionalism and power and interculturality these essays pursue the chance to deepen enlarge and question both literary and cultural phenomena their established critical readings and the strategies deployed in representations Finally English and American Studies in the present collection demonstrate their affiliation to the Humanities by exploring the numerous possibilities offered by their discourses their ability to foster critical thought allowing us to think for and outside ourselves their capacity to test argue and question and their profound imaginative potential      *Windows and Words* Susan-Ann Cooper, Aida Hudson, 2003 *Windows and Words* is a collection of seventeen essays that confirms and celebrates the artistry of Canadian Children's Literature There are essays that survey a wealth of English language fiction from the internationally acclaimed work of Lucy Maud Montgomery the aboriginal adolescent novel to the increasingly multicultural character of children's books Others examine book illustration visual literacy and the creative partnership seen in the picture book and its art design With contributions by two Governor General's Award winning authors Janet Lunn and Tim Wynne Jones and a final commentary by Elizabeth Waterson the heart of this collection offers a unique perspective on the artistry of writing for children and claims a rightful place for Canadian children's literature as literature      **The Oxford Handbook of Canadian Literature** Cynthia Conchita Sugars, 2016 The Oxford Handbook of Canadian Literature provides a broad ranging introduction to some of the key critical fields genres and periods in Canadian literary studies The essays in this volume written by prominent theorists in the field reflect the plurality of critical perspectives regional and historical specializations and theoretical positions that constitute the field of Canadian literary criticism across a range of genres and historical periods The volume provides a dynamic introduction to current areas of critical interest including 1 attention to the

links between the literary and the public sphere encompassing such topics as neoliberalism trauma and memory citizenship material culture literary prizes disability studies literature and history digital cultures globalization studies and environmentalism or ecocriticism 2 interest in Indigenous literatures and settler Indigenous relations 3 attention to multiple diasporic and postcolonial contexts within Canada 4 interest in the institutionalization of Canadian literature as a discipline 5 a turn towards book history and literary history with a renewed interest in early Canadian literature 6 a growing interest in articulating the affective character of the literary including an interest in affect theory mourning melancholy haunting memory and autobiography The book represents a diverse array of interests from the revival of early Canadian writing to the continued interest in Indigenous regional and diasporic traditions to more recent discussions of globalization market forces and neoliberalism It includes a distinct section dedicated to Indigenous literatures and traditions as well as a section that reflects on the discipline of Canadian literature as a whole **Anne's World** Irene Gammel, Benjamin Lefebvre, 2010-01-01

The original essays in Anne's World offer fresh and timely approaches to issues of culture identity health and globalization as they apply to Montgomery's famous character and to today's readers Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **Canada's Child Immigrants**, 1925

Young Adult Science Fiction C. W. Sullivan III, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others

treat particular topics such as the portrayal of women in Robert Heinlein's works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies

The Perilous Trade Roy MacSkimming, 2012-01-11 A book that will fascinate and inform readers who love Canadian writing Part cultural history part personal memoir this accomplished sweeping yet intimate book demonstrates that the story of Canadian publishing is one of the cornerstones of our literary history In The Perilous Trade former publisher literary journalist and industry insider Roy MacSkimming chronicles the extraordinary journey of English language publishing from the Second World War to the present During a period of unparalleled transformation Canada grew from a cultural colony fed on the literary offerings of London and New York to a mature nation whose writers are celebrated around the world Crucial to that evolution were three generations of book publishers mavericks gamblers entrepreneurs political activists and true believers sharing a conviction that Canadians need books of their own Canadian publishing has long made headlines be it Jack McClelland's outrageous publicity stunts American takeovers the collapse of venerable imprints or bold political moves to ensure the industry's survival Roy MacSkimming takes us behind the headlines to draw memorable portraits of the men and women who built Canada's literary renaissance With a novelist's eye for character and incident he weaves their tangled relationships with authors agents booksellers and each other into a lively narrative rich in anecdote and revealing personal recollection Canadian publishers large and small have nurtured a literature of extraordinary diversity and breadth MacSkimming argues giving us English Canada's greatest cultural achievement

*Beyond Babar* Sandra L. Beckett, Maria Nikolajeva, 2006-08-19 All too often attention is paid only to those children's novels that were written in English with non-English language works being passed over and neglected *Beyond Babar: The European Tradition in Children's Literature* examines eleven of the most celebrated European children's novels in substantial critical essays written by well-known international scholars This approach provides a comprehensive discussion of the selected works from a variety of theoretical perspectives Each essay offers a critical introduction to the text that can serve as a point of departure for literary scholars professors of children's literature primary and secondary school teachers and librarians who are interested in texts that cross languages and cultures *Beyond Babar* is especially meant to assist instructors of children's literature who would like to use these texts in the classroom in order to begin to redress the English language dominance of many children's literature courses This volume will also be of interest to the general public as its ultimate aim is to bring to the attention of all English-speaking readers the literature from other parts of the world in this case from Europe *Beyond Babar* helps to facilitate the border crossings of these European masterpieces of children's literature into the English-speaking world
