Modern Composers For Young People:

Famous Composers for Young People Gladys Burch, John Wolcott, 1945 *Modern Composers for Young People.** Gladys Burch, 1945 *Young People's Guide to Classical Music* Helen Bauer, 2009-11 Music is a powerful art We sing it we dance to it and we listen to it because it moves us as little else can Classical music in particular has fascinated people for hundreds of years The works of such composers as Bach Mozart and Beethoven have proven so appealing that generations of listeners have returned to them again and again Young People s Guide to Classical Music invites you to join these listeners *Self Culture for Young People: Music, the fine arts, and the drama* Andrew Sloan Draper, 1907 **Leonard Bernstein and His Young People's Concerts** Alicia Kopfstien-Penk, 2015-01-22 Leonard Bernstein touched millions of lives as composer conductor teacher and activist He frequently visited homes around the world through the medium of television particularly through his fifty three award winning Young People s Concerts 1958 1972 which at their height were seen by nearly ten million in over forty countries Originally designed for young viewers but equally attractive to eager adults Bernstein s brilliance as a teacher shined brightly in his televised presentations And yet despite the light touch of the maestro the innocence of his audience and the joyousness of each show s topic the turbulence of the times would peek through In this first in depth look at the series Alicia Kopfstien Penk s Leonard Bernstein and His Young People s Concerts illustrates how the cultural social political and musical upheavals of the long sixties impacted Bernstein s life and his Young People s Concerts Responding to trends in corporate sponsorship censorship and arts programming from the Golden Age of Television into the 1970s the Young People s Concerts would show the impact of and reflect the social and cultural politics of the Cold War Vietnam the Civil Rights and Women s Movements and the Counterculture Bernstein cheerfully bridged classical and popular tastes juxtaposing the Beatles with Mozart even as he offered personal televised pleas for peace and unity At the same time the concerts reflect Bernstein s troubled relationship as a professional musician with the dominance of atonality and his quest to nurture American music Anyone who enjoys the oeuvre of Leonard Bernstein has watched his Young People s Concerts or is passionate about the history of the long sixties will find in Leonard Bernstein and His Young People s Concerts a story of all three captured in this monumental study *Silas Bronson Library Bulletin* Silas Bronson Library, 1901

Works for Children and Young Adults Langston Hughes, Steven C. Tracy, 2001 The twelfth volume of The Collected Works of Langston Hughes contains Hughes s collections of biographies for children and young adults Famous American Negroes Famous Negro Music Makers and Famous Negro Heroes of America gathered together for the first time In these works Hughes sought to remedy decades of historical and cultural neglect by telling the stories of African Americans who had made vital contributions to the construction of the American identity Hughes made clear his commitment to an inclusive and diverse accounting of the achievements of African Americans on American soil from vernacular expression to high culture oratory to combat geographical exploration to intellectual introspection His lively and dramatic portraits of African

Americans such as Crispus Attucks Frederick Douglass Jackie Robinson and Mahalia Jackson battling against exclusivity and adversity to achieve their full potential present a captivating portrait of America This volume is a valuable record of the emerging African American struggle for civil rights and positive self determination It also documents Hughes s interests as he entered the fifth decade of his life and can be read fruitfully alongside his writings for adults at the time reflecting his sociocultural and political thought

Music Clubs Magazine ,1950 *Teaching Children* Diane D. Lopez,1988 An excellent educational approach which

naturally integrates a Christian world view and scriptural principles Teaching Children draws on noted English educator Charlotte Mason and the Child Light approach to learning Child Light puts children in touch with fine literature and teaches them through the use of living books Introduction by Susan Schaeffer Macaulay **Voices of Life: Voices of the people**,1970 *Towards an Ontology of Teaching* Joris Vlieghe,Piotr Zamojski,2019-07-03 This book opens an original and timely perspective on why it is we teach and want to pass on our world to the new generation Teaching is presented in this book as a way of being rather than as a matter of expertise which is driven by love for a subject matter With the help of philosophical thinkers such as Arendt Badiou and Agamben the authors articulate a fully positive account of education that goes beyond the critical approach which has become prevailing in much contemporary educational theory and which testifies to a hate of the world and to a confusion of what politics and education are about Therefore the authors develop the idea of a thing centred pedagogy as opposed to both teacher centred and student centred approaches The authors furthermore illustrate their purely educational account of teaching by looking at the writing and the television performance of Leonard Bernstein who embodies what teaching out of love and care for a subject is all about This book is of interest to all those concerned with fundamental and philosophical questions about education and to those interested in music education Witnessing Suburbia Eileen Luhr,2009-02-10 Witnessing Suburbia is a lively cultural analysis of the conservative shift in national politics that transformed the United States during the Reagan Bush era Eileen Luhr focuses on two fundamental aspects of this shift the suburbanization of evangelicalism and the rise of Christian popular culture especially popular music Taking us from the Jesus Freaks of the late 1960s to Christian heavy metal music to Christian rock festivals and beyond she shows how evangelicals succeeded in witnessing to America s suburbs in a consumer idiom Luhr argues that the emergence of a politicized evangelical youth culture in fact ranks as one of the major achievements of third wave conservatism in the late twentieth century **Leonard Bernstein in Context** Elizabeth A. Wells,2024-03-28 A wide ranging introduction to one of the twentieth century s most famous cultural icons pianist conductor composer and educator Leonard Bernstein **Best Books for Children** ,1972
