Modern China's Foreign Policy Werner Levi,1953-01-01 Modern China s Foreign Policy was first published in 1953 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions What are China s objectives in world affairs and what course will she pursue to achieve her goals These are the questions of vital concern to the Western democracies questions that can be approached intelligently only from a knowledge of how China s foreign policy has developed In this illuminating and carefully documented book Professor Levi analyzes china s attitudes and actions toward the rest of the world and clarifies many motivations behind her behavior past and present He traces the development of her foreign relations from the beginning of the modern era of Chinese contacts with Westerners a little more than hundred years ago The emphasis however is on the twentieth century and particularly on the years since the peace settlements of World War I The complex balance of relationships between China and the United States on the one hand and China and the Soviet Union on the other since the end of World War II is discussed in detail Communist doctrine notwithstanding its apparent rigidity is shown to be a conveniently adjustable tool capable of adaptation to the needs and strategies of present day China An integral part of the account is the attempt to single out and interpret the internal forces cultural social and economic that have influenced and shaped China s external policies Thus it is shown that the determinants of China s foreign policy have often been pressures and complexities within the country and that and understanding of the Chinese people and their traditions is essential to nations in their dealings with China Eaet Asia's Turbulent Century Young Hum Kim,1966 **Journal of the Royal Institute of International Affairs** ,1929 **A Study of Crisis** Michael Brecher,Jonathan Wilkenfeld,2022-06-07 As the twentieth century draws to a close it is time to look back on an epoch of widespread turmoil including two world wars the end of the colonial era in world history and a large number of international crises and conflicts This book is designed to shed light on the causes and consequences of military security crises since the end of World War I in every region across diverse economic and political regimes and cultures The primary aim of this volume is to uncover patterns of crises conflicts and wars and thereby to contribute to the advancement of international peace and world order The culmination of more than twenty years of research by Michael Brecher and Jonathan Wilkenfeld the book analyzes crucial themes about crisis conflict and war and presents systematic knowledge about more than 400 crises thirty one protracted conflicts and almost 900 state participants The authors explore many aspects of conflict including the ethnic dimension the effect of different kinds of political regimes notably the question whether democracies are more peaceful than authoritarian regimes and the role of

violence in crisis management They employ both case studies and aggregate data analysis in a Unified Model of Crisis to focus on two levels of analysis hostile interactions among states and the behavior of decision makers who must cope with the challenge posed by a threat to values time pressure and the increased likelihood that military hostilities will engulf them This book will appeal to scholars in history political science sociology and economics as well as policy makers interested in the causes and effects of crises in international relations The rich data sets will serve researchers for years to come as they probe additional aspects of crisis conflict and war in international relations Michael Brecher is R B Angus Professor of Political Science McGill University Jonathan Wilkenfeld is Professor and Chair of the Department of Government and Politics University of Maryland They are the coauthors of *Crises in the Twentieth Century A Handbook of International Crisis* among other books and articles *The Far Eastern Review, Engineering, Finance, Commerce* ,1910 **Catalog of Copyright**

Entries. Third Series Library of Congress. Copyright Office,1955 How the Far East Was Lost Dr. Anthony Kubek,2017-06-28 The Far Eastern policy pursued during the Roosevelt Truman administrations has long been the subject of spirited controversy among historians This volume first published in 1963 is the result of seven years of intensive research into a mass of documentary data dealing with the Communist conquest of China Professor Kubek discusses with unusual candor and clear vision the many mistakes of the Roosevelt and Truman Administrations with reference to the Far East There are new data and fresh interpretations that lend additional evidence to support the contentions of earlier writers that the diplomacy of the Administrations of Roosevelt and Truman was disastrous in the extreme The strange actions of General Marshall in China and his blind policy while Secretary of State were chief factors in the loss of China to the Communists In a noteworthy chapter that all Americans should read Professor Kubek traces in damning detail the tragic role that Marshall played in the fall of Nationalist China This is a volume that will earn the sharpest criticisms of the motley hordes that crowded the Roosevelt and Truman bandwagons but it is a must book for any American who wants to know why the present sawdust Caesar Khrushchev can insult at will the President of the United States and can hurl continual threats to bury all Americans Soviet militate might is the direct product of billions of Democratic Lend Lease aid coddling of Communists in high places in the American Government and failure to understand the basic drives of world Communism Never before in our history was Presidential leadership so devoid of vision and never before had the mistakes of our Chief Executives been so fraught with peril to our nation Read this book and then begin to worry about how Americans will fare in the next decade Charles Callan Tansill Professor Emeritus of Diplomatic History Georgetown University Foreword International Relations of the Far East John LeRoy Christian,1941 *Contemporary China* ,1941 **Japanese Studies from Pre-History to 1990** Richard Perren,1992 **Russian Studies of Japan** E Stuart Kirby,1981-05-21 *Syllabus on International Relations* Parker Thomas Moon,1925 *Hearings* United States.
